YEAR ENDED 28th February 2022

Trustees

The Trustees during the year were: Lynn Lynn

 Georgina Eldridge

Trustees are appointed for a period of three years by resolution of the Trustees

Organisation of the Charity

The Charity is constituted by Trust Deed dated 6 April 1999

Objects of the Charity during the Year

Focus this year continues to be streamlining the charity. Working on creative ways to fund raise by specific animal rather than generically which has proved successful. Additional work on alternative supplier relationships, emphasis on providing more value, flexibility and cost savings.

Online auctions continue to raise funds as does sponsorship of individual dog's travel or crates. Raising funds for dogs' specific medical needs. We work directly with many of the pounds as well as shelters, fundraising to keep the dog there rather than have them under our direct care increasing costs and resource requirements.

This was all massively impeded by the Coronavirus Pandemic. Expenditure continued to rise in line with the general cost of living increase..

Charity Fund

The funds of the Charity are administered by the Trustees to meet the objectives of the Charity.

The Trustees meet at least bi-annually and maintain regular contact by telephone and email. The Trustees consider that the overall financial position of the Charity is satisfactory, and that the Charity is able to meet its obligations.

Financial Position

The Receipts and Payments Account is set out on the following pages.

Investments

The investments held are in accordance with the Trustees powers which are widely drawn.

Risks

The Trustees have reviewed the major risks to which the Charity is exposed and systems have been established to mitigate those risks.
