Section B Structure, governance and management

Description of the charity's trusts

Type of governing document	Charitable Incorporated Organization
How the charity is constituted	CIO
Trustee selection methods	Appointed by the Charity's Trustees

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

Apart from the first charity trustees, every trustee must be appointed [for a term of [three] years] by a resolution passed at a properly convened meeting of the charity trustees. In selecting individuals for appointment as charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO. [(3) Nominated Trustee[s] (a) [GESIPR] ("the appointing body") may appoint [12] charity trustees. (b) Any appointment must be made at a meeting held according to the ordinary practice of the appointing body.

(c) Each appointment must be for a term of [three] years.

(d) The appointment will be effective from the later of: (i) the date of the vacancy; and (ii) the date on which the charity trustees or their secretary or clerk are informed of the appointment.

(e) The person appointed need not be a member of the appointing body.

(f) A trustee appointed by the appointing body has the same duty under clause 9(1) as the other charity trustees to act in the way he or she decides in good faith would be most likely to further the purposes of the CIO.

The Charity's organizational structure was structured as follows: Chair, Treasurer, Secretary. All other members including Trustees worked in the capacity as volunteers. The charity has established relationship with the Local Authority in Leeds and other line agencies and organizations that contribute to the delivery of the charity's objectives such as FareShare Charity, The Leeds Learning Partnerships, and HAMARA.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The prevention or relief of poverty in the United Kingdom by providing items and services to individuals in need and/or charities, or other organisations working to prevent or relieve poverty.

The prevention or relief of poverty [or financial hardship] in UK and Africa by providing or assisting in the provision of education, training, healthcare projects and all the necessary support designed to enable individuals to generate a sustainable income and be self-sufficient.

To prevent or relieve poverty through undertaking and supporting research into factors that contributes to poverty and the most appropriate ways to mitigate these.

Summary of the main activities undertaken for the public benefit in relation to these objects

To promote social inclusion for the public benefit by preventing people from becoming socially excluded, relieving the needs of those people who are socially excluded and assisting them to integrate into society, being excluded from society, or part of society, as a result of being a member of a socially and economically deprived community.

Establishment of GESIPR Charity Shops(3) and The GESIPR Community Hub and Café.

With funding support from the Social Enterprise Support Fund, in the past year the charity has been able to set up three trading enterprises which have greatly contributed to supporting our charitable activities and meeting core costs.

COVID-19 Community Support: In January 2021 to October 2022, we were supported through the Leeds City Council and NHS Community Champions Programme. We conducted several online zoom workshops in different languages to share positive health messages around COVID -19, Vaccinations and government guidance and restrictions with people from BAME communities.

The One-Stop-Shop Project for female ex-offenders in Leeds: This project was funded by the West Yorkshire Crime Commissioner's Safer Communities Fund and Leeds City Council Area Committee Wellbeing Fund. The project is an ongoing project aimed at reducing crime in the Harehills area and make our community safer by supporting the rehabilitative process of female ex-offenders. For this project, the organization was awarded the National Crime beat award for contributing positively to the reduction of crime in the community.

GESIPR Homeless Support Project: The project focused this year on donating basic essential goods and food parcels to the street homeless around Leeds. We supported 150 street homeless people around Leeds.

The Foodbank Service Provision: This service provision is ongoing. With the support of the Widening Partnership grant from Leeds City Council in collaboration with Voluntary Action for Leeds, we were able to increase the capacity and level of delivery. Our partnership with Fare Share, HAMARA Charity and two Cooperative Food Stores and the Neighbourly community have been strengthened.

The Gateway Project: With support from the European Social Fund, The Gateway Project supports ex-offenders from BAME background who are challenged with gaining employment due to their record of conviction.

The Health and Wellbeing for BAME Women Project: Through the support of the People's Health Trust, this project provides a platform for women from BAME communities to interact and discuss their health and wellbeing, while also seeking information about access to health and wellbeing support and build their confidence to talk about their health concerns or challenges. The project has been sustained by the participants who were empowered by the project.

Cooking for Friendship Project: This project was initially funded by Near Neighbours. However, when the funding ended, the charity was able to sustain the continuity of the project as the need and demand became more evident. This project serves as a recreational activity for women from different ethnicities including white, Afro-Caribbean and Asian women in Harehills, Leeds and as a platform for easy access to information about other service providers.

Additional details of objectives and activities

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Contribution made by volunteers have been the backbone of the delivery of the charity's activities. There are 5 volunteers that make up the management team. We also have additional 15 volunteers who contribute to the delivery of the different project activities in the community.

At community level we worked with 30 community volunteers during the timeline of each project. What sets Grassroots Enterprise apart is the commitment and dedication of its volunteers. These individuals are not just volunteers; they are the embodiment of compassion, selflessness, and empathy. Their unwavering support, whether through mentoring, educational programs, or direct assistance, has transformed lives and fostered a sense of belonging within the community. Their passion for making a difference is truly inspiring and reflects the very essence of what it means to be a part of a charitable endeavour. Volunteer contributions range from project management, Administration, community engagement and coordination, publicity and monitoring and evaluation.

The charity has no policy on grant making. Development of an investment policy is still under consideration.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Establishment of GESIPR Charity Shop, and The GESIPR Community Hub and Café:

The Community Hub offers a lot of services for the community such as Foodbank, charity shops, One to One drop-in sessions for individuals and groups. A desk for partnership work linking the community to other service providers such as mental health, substance misuse, employment support housing, domestic abuse, women's specialist services is provided to meet the need of the community.

The community hub is highly needed by the community because of the opportunities it offers and the enabling environment it will provides for the community to thrive. The community hub provides a platform to restore community support and cohesion. Due to the rise in the high cost of living, there has subsequently been a significant increase in food poverty, child hunger, mental health problems and deprivation amongst these communities, individuals, and groups. Consequently, there has been an increased demand for our foodbank service provision and with the increase in the cost energy supply. Families struggle to pay bills as they try to balance their little income between buying food and keeping their homes warm and lit. Mental health is also increasing leading to domestic abuse and crime. The Community Hub offers a platform for support through referrals and signposting, and an enabling environment for mental health support, food provision, internet access, easy access to other service providers.

COVID- Vaccination Community Support: This activity helped promote public health messages for preventing COVID-19 including reducing cultural and religious barriers within the community that prevents participation in the vaccine roll-out, overcome barriers including reducing stigma and increasing people's trust in the health system and empowering

individuals to work effectively with ethnic minority individuals and communities. In addition to the online zoom workshops, we printed and distributed flyers with positive health messages around COVID-19, Vaccinations and government guidance in the different languages that are spoken by 90% of beneficiaries. We engaged with ethnic minority groups as we are aware of the challenges presented among minority groups such as people from BAME background. These comprised of 30% of older people, 50% of younger people, 20% of disabled people from Black, Asian and minority ethnic communities. This activity helped to promote public health messages for preventing COVID-19 including reducing cultural and religious barriers within the community that prevents participation in the vaccine roll-out. 80% of beneficiaries overcame barriers including reducing stigma and increasing people's trust in the health system. Empowered individuals to work effectively with ethnic minority individuals and communities and Increased number of beneficiaries expressed their willingness to take the vaccine.

The One-Stop-Shop Project for female ex-offenders in Leeds: The project provided a continued support to enhance positive change for these women through counselling, skill building and training for employment, information sharing on women's health matters and general well-being, signposting, confidence building, socializing, and befriending as a way of reducing risk of re-offending. A drop-in-centre was established from where beneficiaries were able to access different service providers and trainers. The project has been further extended to female teenage offenders from Black Asian and Ethnic minority background. This was supported by the High Sherriff of West Yorkshire. The project was a huge success as it was recommended by the High sheriff of West Yorkshire and received the National Crimebeat Award for its contribution to the reduction of crime in our communities.

Safeguard vulnerable people: Some of the beneficiaries of project activities were considered as vulnerable due to their circumstances. The charity's project ensured safeguarding actions such as completing risk and needs assessment for each beneficiary. The charity had in place safeguarding policies for vulnerable adults and children which was used in our work with the beneficiaries. Data protection, confidentiality and information sharing was prioritized.

The Foodbank Service Provision: The Food Bank service provided over 150 tonnes of surplus food and reaching out to over 3000 families in the past year, thereby reducing food wastage, food poverty, support low-income families. The additional support received through our trading activities enabled the charity to increase its capacity to deliver more effectively creating more impact.

The Gateway Project: The project has supported 20 people, out of which 5 have progressed into full time employment, 6 have progressed into education and training, while 3 are into voluntary work. The project is ongoing.

The Cooking for friendship project: The project activities contributed to reducing problems of increasing mental health among families in the community. As the project aimed at bringing women from different ethnic background together, it also helped to reduce racism against ethnic minorities in the community through the interaction within the project activities. It has helped participants understand each other better and

share their experiences with their families. The project also helped to build on the strengths of the local community such as increased collective activities and community -based project activities.

The Health and Wellbeing for BAME Women Project: 40 women have benefited from this project. This has contributed to increasing opportunities for BAME women to have easy access to information and other health and wellbeing service providers. It has also provided opportunities for beneficiaries to access soft skills training in business planning, IT Skills and self-employment training and confidence building.

Increased and strengthened Partnerships: The charity has developed new partnerships with 4 new organizations and 3 new funders and other service providers and has strengthened its relationship with existing partnerships and funders giving it more credibility and recognition. We are now in partnership with Disability Confidence organization to be more inclusive and diverse in our work.

Organizational Capacity Building: The capacity of the organization with regards its human resource, financial health and viability and governance have been strengthened over the past year through resulting to a more resilient organization. We have been able We have also established two trading activities through which we support 15 volunteers and 4 trustees with training programmes, strengthened our governance and financial control systems which has resulted in the organization realizing over 130% increase of our annual turnover from the previous financial year.

Section E Financial review

Brief statement of the charity's policy on reserves

The charity reserve policy is held within the following limits between £2000 to £25000 within 6 months. Our reserve at the end of our last account year was £4000. This is reviewed on an annual basis.

Details of any funds materially in deficit

None

Further financial review details

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The Charity's principal sources of funds: Local Authority and Grants from other Philanthropic organizations. Income from our Fundraising and Trading activities between 2021 to 2022 enabled us to deliver 7 projects which contributed to meet our charitable objectives.

Our fundraising activities was mainly through bidding for grants from local authority, other philanthropic organizations, and our trading activities.

Note 1 Basis of preparation

1.1 Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these accounts.

The accounts have been prepared in accordance with:

☒

the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014

and with the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102.*

1.2 Going concern

If there are material uncertainties related to events or conditions that cast significant doubt on the charity's ability to continue as a going concern, please provide the following details or state "Not applicable", if appropriate:

An explanation as to those factors that support the conclusion that the charity is a going concern;

Not applicable

Disclosure of any uncertainties that make the going concern assumption doubtful;

Not applicable

Where accounts are not prepared on a going concern basis, please disclose this fact together with the basis on which the trustees prepared the accounts and the reason why the charity is not regarded as a going concern.

Accounting policies

2.2 INCOME

Recognition of income	<p>These are included in the Statement of Financial Activities (SoFA) when:</p> <ul style="list-style-type: none"> the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability.
Offsetting	<p>There has been no offsetting of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102 SORP or FRS 102.</p>
Grants and donations	<p>Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).</p> <p>In the case of performance related grants, income must only be recognised to the extent that the charity has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP).</p>
Government grants	<p>The charity has received government grants in the reporting period</p>
Tax reclaims on donations and gifts	<p>Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is part of that gift and is treated as an addition to the same fund as the initial donation unless the donor or the terms of the appeal have specified otherwise.</p>
Contractual income and performance related grants	<p>This is only included in the SoFA once the charity has provided the related goods or services or met the performance related conditions.</p>
Donated goods	<p>Donated goods are measured at fair value (the amount for which the asset could be exchanged) unless impractical to do so.</p> <p>The cost of any stock of goods donated for distribution to beneficiaries is deemed to be the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.</p> <p>Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in 'Income from other trading activities' with the corresponding stock recognised in the balance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.</p> <p>Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.</p> <p>Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.</p>
Support costs	<p>The charity has incurred expenditure on support costs.</p>
Volunteer help	<p>The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.</p>
Income from interest, royalties and dividends	<p>This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.</p>
Income from membership subscriptions	<p>Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.</p> <p>Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.</p>

2.3 EXPENDITURE AND LIABILITIES

Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
Governance and support costs	<p>Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.</p> <p>Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.</p>
Grants with performance conditions	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
Grants payable without performance conditions	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 11.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.
2.4 ASSETS	
Tangible fixed assets for use by charity	<p>These are capitalised if they can be used for more than one year, and cost at least</p> <p>They are valued at cost.</p> <p>The depreciation rates and methods used are disclosed in note 9.2.</p>
Investments	<p>Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.</p> <p>Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments</p>
Stocks and work in progress	<p>Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.</p> <p>Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.</p> <p>Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.</p>
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.
Current asset investments	<p>The charity has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.</p> <p>They are valued at fair value except where they qualify as basic financial instruments.</p>

Independent examiner's report on the accounts

Section A

Independent Examiner's Report

Report to the trustees/
members of

Grassroots Enterprise for Social Inclusion and Poverty Relief - GESIPR

On accounts for the year
ended

4 December 2022

Charity no
(if any)

1156503

Set out on pages

2 to 29

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 04/12/2021.

Responsibilities and
basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention (other than that disclosed below *) in connection with the examination which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.

** Please delete the words in the brackets if they do not apply.*
