TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT) FOR THE YEAR ENDED 30 SEPTEMBER 2020

The trustees present their report and financial statements for the year ended 30 September 2020.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Rehmat Trust's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The objects are to set up, create, establish and arrange institutions for the advancement of health and education for the poor communities.

One of the key objectives of Rehmat trust was to provide support to projects and institutes, which are responsible for refurbishment of medical facilities and providing free health services including medicines and treatment to the poor people.

Human Welfare Society (HWS) is one of such organisations. It is a non-profit, charity working towards delivering accessible health and education facilities in Sahiwal, Pakistan. It is also voluntarily responsible for the maintenance and repairs of Qayyum hospital in the heart of the city.

HWS urgently needed funds to refurbish medical wards at Qayyum hospital, which were in a very poor and unhygienic state and maintain them going forward. Rehmat trust stepped forward and provided HWS with these funds which not only helped them repair the facilities but also provide free treatment and medication for the people who were unable to afford it. In return, HWS provided all the evidence including receipts and pictures of how these donated funds were effectively utilised.

The refurbished hospital facilities and free medical support will now help the local poor communities for years to come.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Rehmat Trust should undertake.

The results for the year are shown in the statement of financial activities including income and expenditure account.

Achievements and performance

Rehmat Trust was successfully able to support different projects and institutes during the year, both local and international. This included health care and education facilities for people in developing areas and supporting some other well-known charitable organisations

Financial review

Please refer to statement of financial activities.

It is the policy of the Rehmat Trust that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the Rehmat Trust's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees has assessed the major risks to which the Rehmat Trust is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The company is a registered charity and a company limited by guarantee without having any share capital.

1 Accounting policies

Charity information

Rehmat Trust is a private company limited by guarantee incorporated in England and Wales. The registered office is 183-189 The Vale, Acton, London, W3 7RW.

1.1 Accounting convention

The financial statements have been prepared in accordance with the Rehmat Trust's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The Rehmat Trust is a Public Benefit Entity as defined by FRS 102.

The Rehmat Trust has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the Rehmat Trust. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the Rehmat Trust has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the Rehmat Trust.

1.4 Incoming resources

Income is recognised when the Rehmat Trust is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Rehmat Trust has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Rehmat Trust has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

(Continued)

1.5 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Rehmat Trust's contractual obligations expire or are discharged or cancelled.

2 Critical accounting estimates and judgements

In the application of the Rehmat Trust's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
