Report of the Trustees
for the Year Ended 31 August 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity as set out in the company's Memorandum of Association are the promotion of education and the relief of poverty throughout the world by the establishment of centres of education and the promotion of self sustaining initiatives in impoverished areas, including but not exclusively those relating to farming, manufacturing and health projects and to do such ancillary things which will support these objects.

The strategies employed to achieve the charity's objectives are to accumulate reserves by fund raising activities including appeals to the public and then using these funds to achieve the charity's objectives. The charity's aims, objectives and activities are reviewed each year. This review looks at the activities undertaken in the previous year to ensure that benefits have been brought to those groups the charity was set up to help, the review also helps to ensure that its activities remain focused on the stated aims and objectives. Reference has been made to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning the charity's future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

STRATEGIC REPORT

The charity has also been involved in a project for building two separate educational facilities for boys and girls, a mosque and a hospital.These projects started in the year and are ongoing projects.

By undertaking these projects the charity has made a significant beneficial difference to numerous individual lives and met its stated aims and objectives.

During the year no volunteers were used as there were more trustees who were able to carry out the tasks required.

Report of the Trustees
for the Year Ended 31 August 2022

STRATEGIC REPORT

Financial review

Going concern

The trustees have considered the position regarding going concern .

The level of donations received has fallen from pre pandemic levels but expenses have been kept at a similar level. The charity has however increased its grant payments due to increased demand, so the charity has had to use up some of its reserves to combat the loss of income . However free reserves remain at a healthy level of £26,326.

The trustees have looked at forecasts and are satisfied that the charity has adequate resources to continue to operate for the foreseeable future. The charity has sufficient funds to meet its liabilities as they become due and expenditure will not be authorised unless sufficient funds are in place and further capital expenditure has been put on hold.

For these reasons the trustees continue to adopt the going concern basis for preparing these financial statements, however attention is drawn to note 15 of the accounts.

Principal risks and uncertainties

The trustees have a duty to identify and review the risks to which the charity is exposed and to establish systems to mitigate those risks. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions and projects and to ensure compliance with legislation. External risks relate largely to funding as a result of the economic climate following the covid pandemic resulting in difficulties in the charity supporting its projects. These risks are minimised as the charity will not commit to funding projects unless sufficient resources are in place and will also look to diversify funding if required.

The procedures are periodically reviewed to ensure they still meet the needs of the charity.

Future plans

Since the year end the charity has continued fundraising and is supporting the schools and dialysis centre which it has helped to set up in Pakistan. The charity also plans to continue its annual Eid Qurbani and food distribution project in different areas of Pakistan.

The charity has purchased a property in Bradford and plans to convert this into an education centre to provide quality Islamic education for girls and women and to create courses and activities to engage more with the community.. It also wants to utilise the building to provide a food bank service for the community

The charity has also been involved in a project for building two separate educational facilities for boys and girls, a mosque and a hospital. These projects started in the year and are ongoing projects.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 30th August 2013 and registered as a charity on 15th April 2014. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

Recruitment and appointment of new trustees

To become a trustee of the charity you must deliver to the company an application for membership, no person can become a trustee of the company unless they are approved by the directors. There are currently three directors/trustees.

As set out in the Articles of Association there must always be a minimum of three trustees/directors, there is no maximum number of directors or trustees.

At the first annual general meeting all the directors must retire from office and at each subsequent annual general meeting one third of the directors must retire by rotation but can seek re-election.

Organisational structure

The trustees/directors make all decisions regarding strategic matters, fund raising and all expenditure.

Induction and training of new trustees

A policy for inducting and training new trustees has been agreed and training sessions will be given to new trustees to familiarise themselves with the charity and their obligations.

Related parties

The related parties are the trustees none of whom are remunerated or have any benefits in kind.

Other related parties are five members of the immediate family of the trustees who are officers of Char Yarr Welfare Foundation in Pakistan which is the beneficiary of grants payable by the charity. Further details are included in the notes to the accounts under the heading of related parties.

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;

**Independent Examiner's Report to the Trustees of
Charr Yarr Welfare Foundation Limited**

Independent examiner's report the trustees of Charr Yarr Welfare Foundation Limited ("the Company")

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31st August 2021.

Responsibilities and basis of report

As the charity trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination I have followed Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent Examiner's Statement

Material uncertainty with regard to going concern

Attention is drawn to note 16 of the financial statements which indicate material uncertainty relating to the the charity's ability to continue as a going concern. The financial statements do not include any adjustment that would result if the charity was unable to continue as a going concern.. My opinion is not modified in respect of this matter

I have completed my examination. I confirm that other than the matter referred to above that no other matters have come to my attention in connection with the examination giving rise to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act : or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirement of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of the independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns other than the matter referred to above and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached..

We are independent of the charity in accordance with the ethical requirements that are relevant to our independent examination of the financial statements in the UK, including the FRC's Ethical Standard, and the provisions available for small entities, in the circumstances as set out in note 17 to the financial statements, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Notes to the Financial Statements
for the Year Ended 31 August 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention..

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property	- 1% on cost
Improvements to property	- 5% on cost
Plant and machinery	- 10% on cost
Fixtures and fittings	- 10% on cost

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements where applicable.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Going Concern

The trustees have considered the position regarding going concern .

The level of donations received has fallen from pre pandemic levels but expenses have been kept at a similar level. The charity has however increased its grant payments due to increased demand, so the charity has had to use up some of its reserves to combat the loss of income . However free reserves remain at a healthy level of £26,326.

The trustees have looked at forecasts and are satisfied that the charity has adequate resources to continue to operate for the foreseeable future. 13. RELATED PARTY DISCLOSURES

Last year the trustees made a loan to the charity of £2,310. During the current year the trustees have written off the loan and treated it as a donation to the charity.

Also during the year the charity made donations to Char Yarr Welfare Foundation, Pakistan. There are seven trustees in that charity including Mr Z M I Mashadi who is also a trustee of Charr Yarr Welfare Foundation Limited. Of the remaining six trustees of the Pakistan charity, five are part of the immediate family of the trustees of Charr Yarr Welfare Foundation Limited. The trustees of Charr Yarr Welfare Foundation Limited are Mr Z M I Mashadi and his wife Mrs M I Mosvi and his son Mr A Mashadi. Four of the trustees of the Pakistan charity are the children of Mr Z M I Mashadi and Mrs M I Mosvi and one is their daughter in law. Mt Azka Mashadi is therefore the brother of four of the trustees and the brother in law of the other trustee. The trustees of the Pakistan charity are all involved in the day to day running of the operations of the Pakistan charity and supervise the work and none of the officers receive any remuneration.

14. POST BALANCE SHEET EVENTS

See note 15 in respect of post balance sheet events.

15. GOING CONCERN

On 19th May 2020, the Charity Commission opened an enquiry into the charity which could lead to sanctions against the charity which, if not resolved, could result in the closure of the charity. This is still ongoing although the charity has taken all necessary steps to rectify all matters of concern. The last contact with the Charity Commission regarding the enquiry was on 9th August 2023 but as yet there has been no formal closure letter received

This being the case there is still a material uncertainty as to the charity's ability to continue as a going concern as the Charity Commissioners have the power to close down the charity if they feel that matters have not been resolved satisfactorily..

16. NON INDEPENDENT EXAMINERS SERVICES

In common with many other charities of our size and nature, we use our independent examiners to prepare and submit returns to the tax authorities and assist us with the preparation of the financial statements.
