Report of the Trustees
for the Year Ended 31 August 2024

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 August 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the charity as set out in the company's Memorandum of Association are the promotion of education and the relief of poverty throughout the world by the establishment of centres of education and the promotion of self sustaining initiatives in impoverished areas, including but not exclusively those relating to farming, manufacturing and health projects and to do such ancillary things which will support these objects.

The strategies employed to achieve the charity's objectives are to accumulate reserves by fund raising activities including appeals to the public and then using these funds to achieve the charity's objectives. The charity's aims, objectives and activities are reviewed each year. This review looks at the activities undertaken in the previous year to ensure that benefits have been brought to those groups the charity was set up to help, the review also helps to ensure that its activities remain focused on the stated aims and objectives. Reference has been made to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the aims and objectives and in planning the charity's future activities. In particular the trustees consider how planned activities will contribute to the aims and objectives they have set.

STRATEGIC REPORT

Report of the Trustees
for the Year Ended 31 August 2024

STRATEGIC REPORT

Financial review

Going concern

The trustees have considered the position regarding going concern and have looked at forecasts and are satisfied that, with the reserves maintained, the charity has adequate resources to continue to operate for the foreseeable future.

The charity has sufficient liquid funds to meet its liabilities as they become due and expenditure will not be authorised unless sufficient funds are in place. For these reasons the trustees continue to adopt the going concern basis for preparing these financial statements.

Principal risks and uncertainties

The trustees have a duty to identify and review the risks to which the charity is exposed and to establish systems to mitigate those risks. Internal risks are minimised by the implementation of procedures for the authorisation of all transactions and projects and to ensure compliance with legislation. External risks relate largely to funding as a result of the economic climate following the covid pandemic resulting in difficulties in the charity supporting its projects. These risks are minimised as the charity will not commit to funding projects unless sufficient resources are in place and will also look to diversify funding if required.

The procedures are periodically reviewed to ensure they still meet the needs of the charity.

Future plans

Since the year end the charity has continued fundraising and is supporting the schools and dialysis centre which it has helped to set up in Pakistan. The charity also plans to continue its annual Eid Qurbani and food distribution project in different areas of Pakistan.

The charity has purchased a property in Bradford and plans to convert this into an education centre to provide quality Islamic education for girls and women and to create courses and activities to engage more with the community. It also wants to utilise the building to provide a food bank service for the community.

The charity has also been involved in a project for building two separate educational facilities for boys and girls, a mosque and a hospital. These projects started in the previous year and are ongoing projects.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The organisation is a charitable company limited by guarantee, incorporated on 30th August 2013 and registered as a charity on 15th April 2014. The company was established under a Memorandum of Association which established the objects and powers of the charitable company and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £10.

Recruitment and appointment of new trustees

To become a trustee of the charity you must deliver to the company an application for membership, no person can become a trustee of the company unless they are approved by the directors. There are currently three directors/trustees.

As set out in the Articles of Association there must always be a minimum of three trustees/directors, there is no maximum number of directors or trustees.

At the first annual general meeting all the directors must retire from office and at each subsequent annual general meeting one third of the directors must retire by rotation but can seek re-election.

Organisational structure

The trustees/directors make all decisions regarding strategic matters, fund raising and all expenditure.

Induction and training of new trustees

A policy for inducting and training new trustees has been agreed and training sessions will be given to new trustees to familiarise themselves with the charity and their obligations.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

| | |
|--------------------------|--------------------|
| Freehold property | - 2% Straight line |
| Improvements to property | - 5% on cost |
| Plant and machinery | - 10% on cost |
| Fixtures and fittings | - 10% on cost |

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements where applicable.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Going Concern

The trustees have considered the position regarding going concern and have looked at forecasts and are satisfied that, with the reserves maintained, the charity has adequate resources to continue to operate for the foreseeable future.

The charity has sufficient liquid funds to meet its liabilities as they become due and expenditure will not be authorised unless sufficient funds are in place. For these reasons the trustees continue to adopt the going concern basis for preparing these financial statements.
