Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The Oleg Prokofiev Trust is a grant giving charity set up in memory of Oleg Prokofiev, son of the composer Sergei Prokofiev. Its funds are directed primarily for the purpose of helping support music performance projects and the advancement of the arts and education in music worldwide for the public benefit, in particular in relation to the work of Sergei Prokofiev.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

We received a large number of grant applications this year, many of which were high quality. This was largely due to increased promotion of the charity through social media and other networking.

We accepted a total of 16 applicants. However, as a result of the global pandemic some of these projects have since not been able to go ahead and many of them have had to be postponed until 2021 or have had to make changes to how they promote or deliver their projects; for example live streaming a performance instead of a live concert performance.

Despite this, at the time of writing, 4 projects have been completed, and a further 8 projects are aiming to go ahead this year (2021), current restrictions affected by the pandemic permitting.

Of the remaining projects 1 project estimated to take 2 years to complete has had delays due to current restrictions with completing research, and we are waiting for an update on 1 other project.

Only 2 have had to be cancelled completely.

Additional details of objectives and activities (Optional information)

The objective is the advancement of the arts and education in music worldwide for the public benefit, and, in particular, in relation to the work of Sergei Sergeyevich Prokofiev, as the trustees from time to time think fit.

Grants are to be made for education / training / arts / culture / heritage

Grants can be made to other charities or voluntary bodies, the general public or mankind

Grants are made annually following an online application process. There were 19 grant applications made in 2019-2020, 16 of which were awarded.

To review the existing policy on grant making in 2021, in light of any changes the trustees decide regarding the possible widening of the focus of projects for future grant applicants.

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Application for charity status made: Trust deed and Charity registered on 14 October 2013, amended in 2014.

Two meetings were held during the year: the AGM on 27.7.2019 and a second meeting on 14.12.2019 (Oleg Prokofiev's birthday) to discuss the applications. Further What'sApp group communications were made following these meetings, following up ongoing administrative tasks and to finalise decisions relating to the large number of applications received this year.

At the AGM on 27.7.2019, the accounts were presented and agreed, progress with applications was discussed, and a decision made to reinvest any excess funds. A decision was taken to share responsibility for monitoring the email account, and other tasks were shared out including updating of the website, promotions, bank account updates, and access to the account to pay invoices and monitor the account.

We tasked a contact; Hanna to promote the trust through social media and other artist's networks which we believe was highly successful given the increased number of high quality grant applications we received by our deadline in November 2019.

At the second meeting on 14.12.2019, the updated accounts were agreed by all trustees following which they were then passed on to the accountant to prepare the financial reports. As outlined earlier in this report, the meetings primary focus was to discuss the large number of applications received in this year.

A discussion to explore widening the purpose of the trust also took place. It was agreed that a further meeting was needed to continue this discussion as it may involve changes to the nature of the trust's grant giving. Unfortunately due to the current circumstances, this meeting did not go ahead in early 2020 as planned, and has been postponed to Feb/March 2021.

Give details in this box of any material changes that have been made.

§§ if no changes have been made to accounts for previous periods then delete these words.

Note 2 Accounting policies

This standard list of accounting policies has been applied by the charity except for those deleted. Where a different or additional policy has been adopted then this is detailed in the box below.

INCOMING RESOURCES**Recognition of incoming resources**

These are included in the Statement of Financial Activities (SoFA) when:

- the charity becomes entitled to the resources;
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability.

Incoming resources with related expenditure

Where incoming resources have related expenditure (as with fundraising or contract income) the incoming resources and related expenditure are reported gross in the SoFA.

Grants and donations

Grants and donations are only included in the SoFA when the charity has unconditional entitlement to the resources.

Tax reclaims on donations and gifts

Incoming resources from tax reclaims are included in the SoFA at the same time as the gift to which they relate.

Contractual income and performance related grants

This is only included in the SoFA once the related goods or services have been delivered.

Gifts in kind

Gifts in kind are accounted for at a reasonable estimate of their value to the charity or the amount actually realised.

Gifts in kind for sale or distribution are included in the accounts as gifts only when sold or distributed by the charity.

Gifts in kind for use by the charity are included in the SoFA as incoming resources when receivable.

Donated services and facilities

These are only included in incoming resources (with an equivalent amount in resources expended) where the benefit to the charity is reasonably quantifiable, measurable and material. The value placed on these resources is the estimated value to the charity of the service or facility received.

Volunteer help

The value of any voluntary help received is not included in the accounts but is described in the trustees' annual report.

Investment income

This is included in the accounts when receivable.

Investment gains and losses

This includes any gain or loss on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the year.

EXPENDITURE AND LIABILITIES**Liability recognition**

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out resources.

Governance costs

Include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

Grants with performance conditions

Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.

**Grants payable without performance conditions
Support Costs**

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity. Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

ASSETS**Tangible fixed assets for use by charity**

These are capitalised if they can be used for more than one year, and cost at least £500. They are valued at cost or a reasonable value on receipt.

Investments

Investments quoted on a recognised stock exchange are valued at market value at the year end. Other investment assets are included at trustees' best estimate of market value.

Stocks and work in progress

These are valued at the lower of cost or market value.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

- In connection with my examination, no matter has come to my attention
1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
 2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
