Ford Green Hall Museum Limited

known as Ford Green Hall

Trustees' Report (incorporating the Directors' Report)

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2022.

Objectives and activities

Objects and aims

The charitable objectives of Ford Green Hall Museum Limited, as set out in the governing document, are:

- a) To advance education by the establishment and maintenance of a museum
- b) To support such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine.

Since the year end the trustees have reviewed the charitable objects and they are in the process of being updated to the following:

- a) To advance education by the establishment and maintenance of a museum, consisting of a built heritage asset (17th century farmhouse) and relevant collections.
- b) To support such charitable purposes for the public benefit as are exclusively charitable according to the laws of England and Wales as the trustees may from time to time determine.

We strive to ensure that Ford Green Hall Museum has an essential role in the local community but is still a important attraction for visitors offering them a fascinating insight into 17th century life.

Our main objectives are:

- To maintain and grow usage by local schools and the community and to support their wider learning in subjects such as history.
- To maintain and improve on the number of visitors to Ford Green Hall Museum both from local people and tourists.
- To deliver community-based projects through active funding application bid writing and to work in partnership with community groups, residents associations and others to generate sustainable usage.
- To expand and build on current activities, to improve the existing facilities and encourage more 'friends' and volunteers to join and participate.

Ford Green Hall Museum Limited

known as Ford Green Hall

Trustees' Report (incorporating the Directors' Report)

Charitable Activities

Ford Green Hall Museum Limited provides a unique cultural, historic and educational experience for those visiting or those who are involved with assisting in the operation of this community museum. We strive to ensure that Ford Green Hall Museum has an essential role within the local community but is still an important attraction for visitors offering them a fascinating insight into 17th century life.

Activities undertaken to further public benefit include holding historical events for local schools to assist in the provision of the national school curriculum relating to history, as well as providing an insight to the local history of the area to the people of the Stoke-on-Trent area and beyond. We pride ourselves on being a 'community museum' and provide the opportunity for local communities to participate in learning and exploring local history, but also to encourage the local community to participate in events that rekindle the use of historical arts, craftwork and the preparation and cooking of traditional and historic food items, along with providing the opportunities for local people to meet in a social setting, within our cafe.

The charity also delivers community based projects through active funding application bid writing and to work in partnership with community groups, residents associations and others to generate sustainable usage. We provide volunteer work to disadvantaged local people to provide them with essential skills in order for them to participate in the job market, to teach new skills and to rekindle and to keep alive historical skills.

Public benefit

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Achievements and performance

The main impacts over the year were creating safety procedures from Covid-19 for returning visitors, major repairs, and the threat of losing our main grant from the City Council.

We have continued to be a Member of Association of Independent Museums and the Historic Houses Association. Also, an active supporter of the Potteries Heritage Network and increased delivery of school education courses.

New volunteers are adding to the quality of the Museum.

Structure, governance and management

Nature of governing document

The charitable company is operated under the rules of its memorandum and articles of association adopted on 6th March 2012 and amended on 25th April 2014. It is a company limited by guarantee and therefore has no share capital. The liability of each member in the event of winding-up is limited to £10.

Ford Green Hall Museum Limited

known as Ford Green Hall

Trustees' Report (incorporating the Directors' Report)

Recruitment and appointment of trustees

Overall management of the charitable company is the responsibility of the trustees, who are elected and co-opted under the provisions of the memorandum of articles of association by a process of invitation, advertisement and interview in accordance with said memorandum of articles of association. New trustees are appointed by invitation from the existing board of trustees dependent on any skills which the new potential trustee has to offer and which the board feels that there is a lack of those skills within the charitable company. The need for any additional trustees or replacement trustees is also discussed by the members. The trustees do not receive any remuneration or benefits.

Financial review

The results for the year are set out in the Statement of Financial Activities.

Policy on reserves

Reserves are held to cover running costs for three months which equate to approximately £28,750, which is the amount of notice period which needs to be given for closure of the tenancy with Stoke-on-Trent City Council. Unrestricted reserves at the year end are £76,880 (2021: £61,853).

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

The annual report was approved by the trustees of the charity on 24/11/22 and signed on its behalf by:

Neil Dawson
Trustee

Ford Green Hall Museum Limited

known as Ford Green Hall

Independent Examiner's Report to the trustees of Ford Green Hall Museum Limited ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Ford Green Hall Museum Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 March 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

The financial statements on pages 6 to 21 were approved by the trustees, and authorised for issue on 4.4.22 and signed on their behalf by:

Neil Dawson
Trustee

Ford Green Hall Museum Limited

known as Ford Green Hall

Notes to the Financial Statements for the Year Ended 31 March 2022

1 Charity status

The charity is limited by guarantee, incorporated in England, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the charity in the event of liquidation.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Ford Green Hall Museum Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The financial statements have been prepared on a going concern basis.

The trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the charity to continue as a going concern. The trustees make this assessment in respect of a period of one year from the date of approval of the financial statements.

Summary of disclosure exemptions

As a small charity the entity has taken advantage of the amendments to FRS102 contained in Update Bulletin 1 issued February 2016 to exempt the charity from preparation of a cash flow statement.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

The notes on pages 9 to 21 form an integral part of these financial statements.

Ford Green Hall Museum Limited

known as Ford Green Hall

Notes to the Financial Statements for the Year Ended 31 March 2022

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the charity has unconditional entitlement.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Ford Green Hall Museum Limited

known as Ford Green Hall

Notes to the Financial Statements for the Year Ended 31 March 2022

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the charity does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities.

Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations

The charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

The notes on pages 9 to 21 form an integral part of these financial statements.
