Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

- To assist in the treatment and care of children in developing countries who suffer from clubfoot or who need rehabilitation as a result of such illness, by the provision of grants to support programmes for such children.
- To educate the public in the subject of untreated clubfoot in children in developing countries, for the public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Over one million children live with untreated clubfoot, making this a leading cause of physical disability around the world. MiracleFeet UK provides funding to clubfoot clinics to ensure that children receive the proper treatment they deserve, so they can lead fulfilling lives. In FY21, MiracleFeet UK provided funding to clubfoot clinics in Indonesia, Guinea, and Morocco.

Each year, over 7,000 children are born with clubfoot in Indonesia, Guinea, and Morocco. Children with untreated clubfoot face immense challenges as they grow older. Negative stigmas associated with clubfoot often prevent children from receiving an adequate education. Combined with having limited mobility, those with untreated clubfoot often struggle to find employment. Untreated clubfoot is a root cause of life-long disability, poverty, illiteracy, and abuse in these countries.

Thanks to MiracleFeet UK's support, 171 children were enrolled in treatment in 2 clinics in Morocco, 72 children were enrolled in treatment in 4 clinics in Guinea, and 25 children were enrolled in treatment in 2 clinics in Indonesia. In the coming year, MiracleFeet UK plans to continue supporting clubfoot clinics around the world.

The trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission on public benefit.
