Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objects and principal activities of the charity are:

- To assist in the treatment and care of children in developing countries who suffer from clubfoot or who need rehabilitation as a result of such illness, by the provision of grants to support programmes for such children.
- To educate the public in the subject of untreated clubfoot in children in developing countries, for the public benefit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Two million children live with untreated clubfoot, making this a leading cause of physical disability around the world. MiracleFeet UK provides funding to clubfoot clinics to ensure that children receive the proper treatment they deserve, so they can live fulfilling lives. In FY25, MiracleFeet UK provided funding to clubfoot clinics in Ecuador, Guyana, and Cambodia.

In 2025, nearly 800 children were born with clubfoot in Ecuador, Guyana, and Cambodia. Children with untreated clubfoot face immense challenges as they grow older. Negative stigmas associated with clubfoot often prevent children from receiving an adequate education. Combined with having limited mobility, those with untreated clubfoot often struggle to find employment. Untreated clubfoot is a root cause of life-long disability, poverty, illiteracy, and abuse in these countries.

Thanks to MiracleFeet UK’s support, nearly 300 children were enrolled in treatment across 16 clinics in Ecuador, Guyana, and Cambodia. In the coming year, MiracleFeet UK plans to continue supporting clubfoot clinics around the world.

The trustees have complied with the duty in section 17(5) of the 2011 Charities Act to have due regard to guidance published by the Charity Commission on public benefit.

You **may choose** to include further statements, where relevant, about:
