## Section C

## Objectives and activities

**Summary of the objects of the charity set out in its governing document**

The promotion of community participation in healthy recreation by providing facilities for training and competing in amateur boxing.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

In answering this section the trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Our organisation remains committed to promoting and enabling (through the provision of appropriate training facilities and experienced, registered coaches) members of the public to regularly train and participate in amateur boxing; improving both their physical health and general well-being.

As an open membership organisation, the benefits of our organisation are available for all who train with the club. Watford Amateur Boxing Club is open to the public in general, with current members between the ages of 10-45 yrs, both male and female.

Through training at the Watford Amateur Boxing Club, participants consistently benefit from improved physical fitness and mental well-being (including stamina, strength, suppleness, confidence etc.). Also, with the coming together of people from all backgrounds, sexes and ages to train together in a connected interest, our organisation continues to aim to promote social cohesion.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grant-making;
- policy programme related investment;
- contribution made by volunteers.

Our organisation owes an enormous amount to the effort and dedication of the training and coaching staff and helpers. All of these people operated in a voluntary, unpaid capacity and all are fully CRB checked.

All of our coaches remain ABA trained and committed to following best practice in the Olympic sport of Amateur boxing and ensuring that high quality protective equipment is used at all times.

Additionally, the trustees continue to ensure that all of the club's coaches are qualified first aiders and have attended Child Protection Courses; and that appropriate levels of public liability insurance is maintained at all times.

**Summary of the main achievements of the charity during the year**

In the year of 2020 we have continue to develop our club with the help of our coaches and helpers and the continued support of Watford borough council

Our membership for the year has stayed the same to make it accessible to all.

Our club has currently has a waiting list of approximately 60 people.

We continued our joint work with Box Cleva, a charity who operate sporting and educational youth initiatives, centred on the sport of amateur boxing, this is an absolutely no contact initiative.

The sessions are operated weekly over 40 (term time) weeks for children aged 7 - 15 years of age.

Each session last approximately 1.5 hours and instils discipline, respect, perseverance, fair-play and fitness, within a safe and controlled environment.

Healthy Eating sessions and Drugs Awareness sessions are carried out in every programme.

Many of the children come to us by referral from their schools and other agencies.

Participants are able to take part in our award assessment - giving them a real sense of achievement.

This year was a difficult year to all with the dreadful Covid 19 hitting us all
