

## **ANNUAL REPORT FOR FOCUS ON DISABILITY FOUNDATION UK**

The charity continued its work in the last year by focusing on providing low cost items to special schools providing education for both Blind and Deaf children in Nigeria

The provision of five wheelchairs has made life easier for another five more people and other items such as Braille slates, exercise books, pens and pencils have all helped teachers to continue education for children with special needs

The children and their parents are very grateful to the charity for its ongoing support to their children.
