#### **Charitable activities and public benefit**

Tore's Foundation is a youth empowerment grassroots charity which runs an innovative 3-year after-school debating programme that teaches students aged 15 to 17 essential life skills to support them into further education / employment. The charity currently operates in the Western Cape, South Africa. Current affairs, politics and matters affecting democracy form the content of the debates, which require research and critical analysis and expand students' horizons and general knowledge. The programme includes nutritious meals and safe transport home for all students, monthly inter-school debating competitions and bi-annual multi-school debates. Visits to partner universities, museums and historic sites are regularly arranged.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Operations**

The charity established Tore's Africa Foundation, a South African NGO, to run its programme in South Africa, under the guidance of the charity's trustees. The charity's sole activity is the funding of Tore's Africa Foundation, which is registered as a Public Benefit Organization and files its own accounts with the South African Revenue Service.

##### **Main achievements**

The charity, through its funding of Tore's Africa Foundation, has been operating in Cape Town, South Africa since 2017, where after-school debating clubs are flourishing, local community relationships have been established and promising students are being mentored for tertiary education. A close association has been established with the Stellenbosch Business School, which has adopted Tore's Africa Foundation as its chosen social impact charity, an association that has been hugely beneficial and rewarding both financially and reputationally.

##### Operations

The charity established Tore's Africa Foundation, a South African NGO, to run its programme in South Africa, under the guidance of the charity's trustees. The charity's sole activity is the funding of Tore's Africa Foundation, which is registered as a Public Benefit Organization and files its own accounts with the South African Revenue Service.

##### Main achievements

The charity, through its funding of Tore's Africa Foundation, has been operating in Cape Town, South Africa, where debating clubs and, since the Covid-19 pandemic, on-line debating groups are flourishing, local community relationships have been established and promising students are being given the opportunity to undertake internships and to go to university. A close association has been established with the Stellenbosch Business School, which has adopted Tore's Africa Foundation as its chosen social impact charity, an association that has been hugely helpful and rewarding both financially and reputationally.

## TORE'S FOUNDATION

### Independent Examiner's Report to the Trustees of Tore's Foundation

I report to the trustees on my examination of the accounts of Tore's Foundation for the year ended 31 December 2021.

#### *Responsibilities and basis of report*

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### *Independent examiner's statement*

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination, giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act;  
or
2. the accounts do not accord with those records.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### Report of the Trustees continued For the Year Ended 31 December 2020

#### Charitable activities and public benefit

The charity currently operates in the Western Cape, South Africa, where, in normal times, it runs debating classes in underprivileged high schools, supports young people in finding internships in journalism, law and advocacy organisations and holds regular inter-school debating competitions. It also encourages young people who have dropped out of education back into learning through debating and tailored confidence building courses in partnership with Communiversity. During the Covid-19 pandemic it has promoted on-line debating which it intends to continue developing.

#### ACHIEVEMENT AND PERFORMANCE
