### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2025

---

The Trustees present their annual report together with the financial statements of Royal Hospital School Charitable Trust (the charitable organisation known as RH SCT or the "Charity") for the year ended 31 August 2025.

The Trustees confirm that the Annual Report and Financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin (effective January 2019).

#### **Objectives and activities**

##### **a. Policies and objectives**

The objective of the Charity is to advance the education of pupils at the Royal Hospital School ("RHS" or the "School") , in particular, but not exclusively by:

- Providing bursaries, scholarships and prizes for education at the School;
- Supporting specific projects at the School relating to the advancement of education at the School; and
- Developing effective relationships between the pupils, staff, parents, alumni, friends and others associated with the School.

##### **b. Main activities undertaken to further the Charity's purposes for the public benefit**

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. Our objectives stated above show that this is our aim, and we endeavour to accomplish these objectives.

#### **Achievements and performance**

##### **a. Main achievements of the Charity**

Income into the RHS Charitable Trust came from a mix of regular giving, one-off donations, legacy-related income, merchandise and events sales, Gift Aid claims, and investment income. Restricted giving continues to dominate, with the Centennial Bursary Campaign as the main beneficiary, reflecting strong support for bursaries and widening access.

During the year the Charity received legacies and donations amounting to £201,830 (2024 - £160,298), including a notable legacy of £150,211. These monies received are to be spent on achieving the Charity's objectives in current and future years.

---

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

---

#### Achievements and performance (continued)

##### b. Fundraising highlights

Funding highlights during the period under review included:

- Following extensive relationship-building with the Executors the Charity received a generous legacy of £150,211 from the Lawrence family. The gift was designated for bursaries with specific links to music and sailing.
- The inaugural Centennial Art Exhibition and Auction held on 1 March 2025. The event featured contributions from pupils, staff, alumni, and professional artists, raising £8,000 for the Centennial Bursary Campaign. The success of this event was recognised when in November 2025 the Schol was announced as winner of the Institute of Development Professionals in Education (IIDPE) Schools Engagement Campaign.
- Merchandise sales, particularly RHS-branded items sold at reunions, school events, and online, provided an additional revenue stream that strengthened alumni engagement while contributing directly to charitable income.
- Friends of Music received donations to fund a pupil's piano lessons (£3,639 including gift aid).

#### Financial review

##### a. Financial performance

Total income for the financial year to 31 August 2025, including the legacy was £201,830 (2024 - £160,298). The surplus generated for the year was £152,389 (2024 £101,734) before unrealised gains/losses on investments held and £147,368 after loss on investments of £5,021 (2024 - £172,067 after gain on investments of £70,333)

##### b. Going concern

The Trustees and management have prepared detailed financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

##### c. Reserves policy

By virtue of the charity's operations and related entities, the Trustees do not consider it necessary to hold unrestricted reserves as the main charitable operation is taking the restricted income received from donations and expending it on restricted fund projects throughout the year. This position remains unchanged from previous years.

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

---

#### Structure, governance and management

##### a. Constitution

Royal Hospital School Charitable Trust is a registered charity, number 1157146. The Charity was incorporated as a charitable incorporated organisation on 21 May 2014. The Charity is governed by its constitution which was registered with the Charity Commission on the date of incorporation.

##### b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees. The Headmaster of the Royal Hospital School is an ex officio Trustee. Further Trustees are appointed by the existing Trustee body in order that the CIO Trustees should consist of at least one former pupil, at least one current or former parent, and at least one Governor of the Royal Hospital School.

##### c. Organisational structure and decision making

The Board of Trustees is the principal decision-making body of the Charity.

##### d. Policies adopted for the induction and training of Trustees

Trustees are provided with an induction pack of information bespoke to RHSCCT on appointment. Trustees are invited to visit the School on a regular basis to meet with the Headmaster, Chief Operating Officer and other members of the Executive team. It is expected that Trustees undertake training appropriate to their role and opportunities are made available for this through organisations such as The Association of Governing Bodies of Independent Schools (AGBIS).

##### e. Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

##### f. Change of Constitution

The RHSCCT constitution is to be amended as follows:

- Removal of the requirement for an RHS Governor to be a Trustee and replacement with Royal Hospital School Association (RHSA) Committee Member
- Introduction of a three-year tenure for Trustees, renewable up to three times

These changes will be discussed in the board meeting in March 2026.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

---

#### Springboard Foundation

The Royal National Springboard Foundation's vision is that "all children should be able to access a great education, as the firmest foundation for a fulfilling future". To achieve this, their mission is "to widen access to the opportunities available in state boarding and independent schools for young people facing the greatest barriers to their development". The RHST and RHS directly help to support this mission.

Direct financial assistance was provided to support 10 bursaries in partnership with the Royal National Springboard Foundation at a cost of £25,000 (2024: £35,000).

#### De-Neumann Fund

During the year a De-Neumann Maths Scholar was funded to the extent of 100% of day fees at a cost of £21,003 (2024: £18,236). The Trustees continue to support the existing scholarship despite the recent significantly elevated rates of inflation, which have caused the Fund to lag behind the original target of maintaining value plus RPI. The Trustees acknowledge the shortfall and will carefully manage the Fund with close review of the frequency and size of future awards.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2025

---

#### Future developments

Post year end the Charity faced unexpected challenges following the Inspired Learning Group (London) Limited (ILG ) purchase announcement in October 2025 of RHS, which initially resulted in reputational concerns among some alumni due to the change in nature of the School from charity to private equity. This unfortunately resulted in the withdrawal of two legacy pledges worth a total of circa £250,000, and a small number of regular gift cancellations. However, the successful management of this period, through direct communication with stakeholders, in particular the alumni community, including a joint webinar with Greenwich, has started to restore confidence in RHSC.

The fundraising strategy and resources are continually being reviewed. Depending on the resources and expertise available, we work hard to build on the foundations of previous years to enhance alumni relations and increase fundraising, through stronger communications and improved marketing.

Merchandise has now become a meaningful and sustainable income stream as well as an engagement tool, with strong performance from web/social media promotions.

Looking ahead, event-led fundraising will also remain central to strengthening restricted funds for the Centennial Bursary Campaign. The Les Misérables Gala Dinner in late 2025 demonstrated the continued appetite for community events and raised £2,329 for the Centennial Bursary Campaign.

Legacy fundraising remains a long-term priority, although proactive promotion was paused during the Autumn term due to sensitivities around the ILG purchase, the strategic groundwork has continued. A new Legacy Giving booklet will be distributed to alumni aged 65+ in early 2026, accompanied by digital communications through Gidge and email channels to all alumni.

In the longer term we continue to look to:

- Increase recurring donations to stabilise income streams.
- Build sustainable funding pipelines through legacy gifts and new donor acquisition.
- Strengthen partnerships with alumni to promote a culture of giving back.
- Explore corporate and partnership gifts/sponsorships.

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the Board of Trustees on  
and signed on their behalf by:

20<sup>th</sup> March 2026

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 AUGUST 2025

---

#### Independent Examiner's Report to the Trustees of Royal Hospital School Charitable Trust ('the Charity')

I report to the Charity's Trustees on my examination of the accounts of the Charity for the year ended 31 August 2025.

This report is made solely to the Charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work, for this report, or for the opinions I have formed.

#### Responsibilities and Basis of Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the Independent Examiner's Statement.

#### Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

---

ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

INDEPENDENT EXAMINER'S REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2025

---

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated:

The financial statements were approved and authorised for issue by the Trustees on their behalf by:

and signed on

The notes on pages 12 to 20 form part of these financial statements.

20th March, 2026.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2025

---

**1. Accounting policies**

**1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Royal Hospital School Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in sterling which is the functional currency of the Charity and rounded to the nearest £.

**1.2 Going concern**

The Trustees and management have prepared financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

**1.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2025

---

**1. Accounting policies (continued)**

**1.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2024

---

The Trustees present their annual report together with the financial statements of Royal Hospital School Charitable Trust (the charitable organisation known as "RH SCT" or the "Charity") for the year ended 31 August 2024.

The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective January 2019).

#### **Objectives and activities**

##### **a. Policies and objectives**

The objective of the Charity is to advance the education of pupils at the Royal Hospital School ("RHS" or the "School"), in particular, but not exclusively by:

- Providing bursaries, scholarships and prizes for education at the School;
- Supporting specific projects at the School relating to the advancement of education at the School; and
- Developing effective relationships between the pupils, staff, parents, alumni, friends and others associated with the School.

##### **b. Main activities undertaken to further the Charity's purposes for the public benefit**

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. Our objectives stated above show that this is our aim, and we endeavour to accomplish these objectives.

#### **Achievements and performance**

##### **a. Main achievements of the Charity**

During the year the Charity received donations amounting to £160,298 (2023 - £158,383). These monies received are to be spent on achieving the Charity's objectives in the current and future years.

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Achievements and performance (continued)

##### b. Fundraising highlights

Funding highlights during the period under review included the following:

- Giving Day 2024 raised £126,141 (aided by innovative donor outreach, social media engagement, and alumni networking - includes match funding).
- Legacy donations exceeded expectations, with £90,534 contributed by three estates (£78,291 gifted from the Heritage-Owen estate used for Giving Day match funding).
- Successful initiatives included the Jesus Christ Superstar Gala Dinner (£1,509) a Gala Concert Raffle (£1,100), and the Friends of RHS Burns Night celebration (£3,073).
- Initiatives like Pampeano belts and "Rather be..." mugs contributed over £7,000.
- Initiative to add optional "make a donation" button to alumni booking events led to £5,000 in donations over the year.
- Donation from pupil led Philanthropy Committee who gave three charities a share of what they had raised, £2,000 given to the Centennial Bursary Campaign.
- Friends of Music received donations to fund a pupil's piano lessons (£1,300 plus gift aid).

A standout feature of this year's Giving Day campaign was the Quickstep Challenge, a creative initiative that engaged pupils, parents, staff and alumni in a fun and collaborative way, combining school spirit with philanthropy. The campaign's success and originality were recognised with a shortlisting for the IDPE (Institute of Development Professionals in Education) Awards in the Engagement Campaign of the Year category, recognising exceptional achievements in schools' fundraising and engagement.

#### Financial review

##### a. Financial performance

Total income increased to £160,298 (2023 - £158,383) a testament to the Trust's strong donor base and strategic fundraising efforts.

##### b. Going concern

The Trustees and management have prepared detailed financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

##### c. Reserves policy

By virtue of the charity's operations and related entities, the Trustees do not consider it necessary to hold unrestricted reserves as the main charitable operation is taking the restricted income received from donations and expending it on restricted fund projects throughout the year. This position remains unchanged from previous years.

---

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Structure, governance and management

##### a. Constitution

Royal Hospital School Charitable Trust is a registered charity, number 1157146. The Charity was incorporated as a charitable incorporated organisation on 21 May 2014. The Charity is governed by its constitution which was registered with the Charity Commission on the date of incorporation.

##### b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees. The Headmaster of the Royal Hospital School is an ex officio Trustee. Further Trustees are appointed by the existing Trustee body in order that the CIO Trustees should consist of at least one former pupil, at least one current or former parent, and at least one Governor of the Royal Hospital School.

##### c. Organisational structure and decision making

The Board of Trustees is the principal decision making body of the Charity.

##### d. Policies adopted for the induction and training of Trustees

Trustees are provided with an induction pack of information bespoke to RHSCT upon appointment. Trustees are also invited to visit the School on a regular basis to meet with the Headmaster, Chief Operating Officer and other members of RHS leadership. It is expected that Trustees undertake training appropriate to their role and opportunities are available through the School and other organisations, including The Association of Governing Bodies of Independent Schools.

##### e. Risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

#### Annual fund

The School's Annual Fund was able to allocate £9,278 for initiatives including a new archery range, a laser cutter, and improved sports branding.

The fundraising events and efforts of the Friends of the Royal Hospital School have contributed significantly to this fund. We are hugely grateful to all those who have supported us, from every volunteer who serves tea and coffee at Divisions, to organisers and attendees of social events such as Burns Night as well as the annual Christmas Fayre.

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Springboard Foundation

The Royal National Springboard Foundation's vision is that "all children should be able to access a great education, as the firmest foundation for a fulfilling future". In order to achieve this, their mission is "to widen access to the opportunities available in state boarding and independent schools for young people facing the greatest barriers to their development". The RHSC and RHS directly help to support this mission.

Direct financial assistance was provided to support 14 bursaries in partnership with the Royal National Springboard Foundation.

#### Future developments

Our fundraising strategy and resources are continually being reviewed. Depending on the resources and expertise available, we work hard to build on the foundations of previous years to enhance alumni relations and increase fundraising, through stronger communications and improved marketing.

Future developments will focus on improving and increasing our regular donations, in order to optimise the donor cycle through:

- Transitioning to more focused fund-raising, emphasising legacy donations and structured donor stewardship.
- Targeted outreach to confidently target individuals most likely to contribute to Centennial Bursary Campaign and interested in a long-term relationship with RHS.
- Enhanced donor engagement through tailored outreach and frequent campaign updates using social media and mailings.
- Deeper relationships, creating meaningful relationships leading to strong donor stewardship, which will inspire donors to give more.

Over the next year we have a calendar of events, including the introduction of an art exhibition/auction in March 2025 (proceeds to go to the Centennial Bursary Fund). This is complemented by an enhanced merchandise portfolio, including more branded items and limited-edition prints by alumnus and photographer George Franks, which will generate further funds.

In the longer term we are looking to:

- Increase recurring donations to stabilise income streams.
- Build sustainable funding pipelines through legacy gifts and new donor acquisition.
- Strengthen partnerships with alumni to promote a culture of giving back.
- Explore corporate and partnership gifts/sponsorships.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the . They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the Board of Trustees on 28 February 2025  
and signed on their behalf by:

**Tony Stenning**  
Trustee

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 AUGUST 2024

---

#### Independent Examiner's Report to the Trustees of Royal Hospital School Charitable Trust ('the Charity')

I report to the Charity's Trustees on my examination of the accounts of the Charity for the year ended 31 August 2024.

This report is made solely to the Charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work, for this report, or for the opinions I have formed.

#### Responsibilities and Basis of Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the Independent Examiner's Statement.

#### Independent Examiner's Statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

INDEPENDENT EXAMINER'S REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2024

---

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2024

---

#### 1. Accounting policies

##### 1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Royal Hospital School Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The financial statements are presented in sterling which is the functional currency of the Charity and rounded to the nearest £.

##### 1.2 Going concern

The Trustees and management have prepared financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

##### 1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

##### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2024**

---

**1. Accounting policies (continued)**

**1.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2023

---

The Trustees present their annual report together with the financial statements of Royal Hospital School Charitable Trust (the charitable organisation known as "RH SCT" or the "Charity") for the year ended 31 August 2023.

The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective January 2019).

#### Objectives and activities

##### a. Policies and objectives

The objective of the Charity is to advance the education of pupils at the Royal Hospital School ("RHS" or the "School") , in particular, but not exclusively by:

1. Providing bursaries, scholarships and prizes for education at the School;
2. Supporting specific projects at the School relating to the advancement of education at the School; and
3. Developing effective relationships between the pupils, staff, parents, alumni, friends and others associated with the School.

##### b. Main activities undertaken to further the Charity's purposes for the public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. Our objectives stated above show that this is our aim, and we endeavour to accomplish these objectives.

#### Achievements and performance

##### a. Main achievements of the Charity

During the year the Charity received donations amounting to £158,383 (2022 - £47,127). These monies received are to be spent on achieving the Charity's objectives in the current and future years.

#### Financial review

##### a. Going concern

The trustees and management have prepared detailed financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

##### b. Reserves policy

By virtue of the charity's operations and related entities, the Trustees do not consider it necessary to hold unrestricted reserves as the main charitable operation is taking the restricted income received from donations and expending it on restricted fund projects throughout the year.

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

---

#### **Structure, governance and management**

##### **a. Constitution**

Royal Hospital School Charitable Trust is a registered charity, number 1157146. The Charity was incorporated as a charitable incorporated organisation on 21 May 2014. The Charity is governed by its constitution which was registered with the Charity Commission on the date of incorporation.

##### **b. Methods of appointment or election of Trustees**

The management of the Charity is the responsibility of the Trustees. The Headmaster of the Royal Hospital School is an ex officio Trustee. Further Trustees are appointed by the existing Trustee body in order that the CIO Trustees should consist of at least one former pupil, at least one current or former parent, and at least one Governor of the Royal Hospital School.

##### **c. Organisational structure and decision-making policies**

The Board of Trustees is the principal decision making body of the Charity.

##### **d. Policies adopted for the induction and training of Trustees**

Trustees are provided with an induction pack of information bespoke to RHSCT upon appointment. Trustees are also invited to visit the School on a regular basis to meet with the Headmaster, Chief Operating Officer and other members of RHS leadership. It is expected that Trustees undertake training appropriate to their role and opportunities are available through the School and other organisations, including AGBIS.

##### **e. Financial risk management**

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

---

#### Future developments

Our fundraising strategy and resources are continually reviewed. Depending on the resources and expertise available, we expect to build on the foundations of previous years to enhance alumni relations and increase fundraising, through stronger communications and improved marketing.

#### Centennial Bursary Campaign

November 2022 saw the launch of the “Launch 100 Lives” campaign with all stakeholders considered in our approach. Through the use of bespoke campaign videos, social media, in person talks, web page and digital mailings we were able to reach alumni, parents, staff, governors, pupils, former staff and friends of the School.

Payroll Giving was introduced and currently we have 16 staff signed up for this. In addition, regular giving through direct debit/standing order has increased by 16 donors.

This year's milestone event in the campaign took place on 26 to 27 April 2023, the inaugural Giving Day which raised £102,452 and enabled us to connect via email to 7,189 members of the RHS community. In total over the 36-hour period 442 donations were received.

Throughout the year we were able to piggyback off other school events to raise further funds, this included the School's Gala Concert in March where a raffle raised £1,160 and a preshow gala dinner which raised a further £161.

At the end of the school year, we encouraged families of year 13 leavers to donate their deposit, and this generated a further £5,806 in income to the campaign (plus £450 to Friends of Music).

Future developments for Centennial Bursary Campaign will focus on improving and increasing our regular donations, in order to optimise the donor cycle through:

- Targeted outreach: Tailoring donor communications confidently to target individuals most likely to contribute to Centennial Bursary Campaign. This increases chances of finding donors interested in a long-term relationship with RHS.
- Better engagement: Understand the audience to connect with them on a more meaningful level. We now have a better understanding of what matters most to them and which messaging likely resonates, whether it is with a major donor, lapsed donor, or anyone else.
- Deeper relationships: Create meaningful relationships that lead to strong donor stewardship, which inspires donors to give more and potentially recommend Centennial Bursary Campaign to friends, family, and communities. Those face-to-face conversations with people they respect or care about may be enough to pique prospective donors' interest and explore our cause.

Over the next year we have a calendar of events (including the second Giving Day in June 2024) and merchandise to sell which will also generate further funds.

#### Annual Fund

The School's Annual Fund was able to allocate over £8,500 to six wide-ranging projects directly benefiting pupils in the School today. These included equipment and resources for wellbeing spaces, new keyboards for the music department, picnic benches for every boarding house, a new and updated sound system for the drama department and a very popular giant outdoor chess board.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2023

---

#### Future developments (continued)

The fundraising events and efforts of the Royal Hospital School Parents' Association have contributed significantly to this fund. We are hugely grateful to all those who have supported us, from every volunteer who serves tea and coffee at Divisions, to organisers and attendees of social events such as Burns Night as well as the annual Christmas Fayre.

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the Board of Trustees on  
and signed on their behalf by:

8/2/24

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 AUGUST 2023

---

#### **Independent Examiner's Report to the Trustees of Royal Hospital School Charitable Trust (the "Charity")**

I report to the charity Trustees on my examination of the financial statements of the Charity for the year ended 31 August 2023.

This report is made solely to the Charity's Trustees, as a body, in accordance with section 145 of the Charities Act 2011. My work has been undertaken so that I might state to the Charity's Trustees those matters I am required to state to them in this report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the Charity and the Charity's Trustees as a body, for my work, for this report, or for the opinions I have formed.

#### **Responsibilities and Basis of Report**

As the Trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

An independent examination does not involve gathering all the evidence that would be required in an audit and consequently does not cover all the matters that an auditor considers in giving their opinion on the financial statements. The planning and conduct of an audit goes beyond the limited assurance that an independent examination can provide. Consequently I express no opinion as to whether the financial statements present a 'true and fair' view and my report is limited to those specific matters set out in the Independent Examiner's Statement.

#### **Independent Examiner's Statement**

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

INDEPENDENT EXAMINER'S REPORT (CONTINUED)  
FOR THE YEAR ENDED 31 AUGUST 2023

---

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed: 

Timothy O'Connor

The financial statements were approved and authorised for issue by the Trustees on and signed on their behalf by:

 8/2/24

**Tony Stenning**  
Trustee

The notes on pages 10 to 18 form part of these financial statements.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2023**

---

**1. Accounting policies**

**1.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Royal Hospital School Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**1.2 Going concern**

The Trustees and management have prepared financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

**1.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

**1.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2023**

---

**1. Accounting policies (continued)**

**1.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2022

---

The Trustees present their annual report together with the financial statements of Royal Hospital School Charitable Trust (the charitable organisation known as "RHSC" or the "Charity") for the year ended 31 August 2022.

The Trustees confirm that the Annual Report and financial statements of the Charity comply with the current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective January 2019).

#### Objectives and activities

##### a. Policies and objectives

The objective of the Charity is to advance the education of pupils at the Royal Hospital School ("RHS" or the "School") , in particular, but not exclusively by:

1. Providing bursaries, scholarships and prizes for education at the Royal Hospital School;
2. Supporting specific projects at the school relating to the advancement of education at the School; and
3. Developing effective relationships between the pupils, staff, parents, alumni, friends and others associated with the School.

##### b. Main activities undertaken to further the Charity's purposes for the public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. Our objectives stated above show that this is our aim, and we endeavour to accomplish these objectives.

#### Achievements and performance

##### a. Main achievements of the Charity

During the year the Charity received donations amounting to £47,127 (2021 - £88,590). These monies received are to be spent on achieving the Charity's objectives in the current and future years.

Unfortunately, the Covid 19 pandemic meant that the Charity's efforts were restricted to mainly online activities and delayed some of our planned events. Regular giving continued, focusing on the raising of funds to provide life-changing opportunities to pupils joining the Royal Hospital School.

#### Financial review

##### a. Going concern

The trustees and management have prepared detailed financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

---

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

---

#### Structure, governance and management

##### a. Constitution

Royal Hospital School Charitable Trust is a registered charity, number 1157146. The Charity was incorporated as a charitable incorporated organisation on 21 May 2014. The Charity is governed by its constitution which was registered with the Charity Commission on the date of incorporation.

##### b. Methods of appointment or election of Trustees

The management of the Charity is the responsibility of the Trustees. The Headmaster of the Royal Hospital School is an ex officio Trustee. Further Trustees are appointed by the existing Trustee body in order that the CIO Trustees should consist of at least one former pupil, at least one current or former parent, and at least one Governor of the Royal Hospital School.

##### c. Organisational structure and decision-making policies

The Board of Trustees is the principal decision making body of the Charity.

##### d. Financial risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

---

#### Plans for future periods

Our fundraising strategy and resources are continually reviewed. Depending on the resources and expertise available, we expect to build on the foundations of previous years to enhance alumni relations and increase fundraising, through stronger communications and improved marketing.

Following the successes of fundraising for the library and provision of several (two full-fee) bursaries, we expect fundraising to continue under the 'Annual Fund' and 'Centennial Fund' streams:

- Annual Fund - predominantly funded by the Parents Association, together with a number of other donors via regular giving, to support projects that enhance and add value to the RHS pupil experience. These include innovations in academic contexts, new equipment for sport or societies, and enabling new activities to be piloted.
- Centennial Fund bursarial support - prepare for the official launch of the Centennial Fund in November 2022, our collective effort to help 100 children by 2033. Key to success will be communicating an understanding of the Centennial Fund as a collective effort by both individual donors (with the aim of significantly increasing regular giving), and charitable partners, such as the Springboard Foundation and Greenwich Hospital Seafarers' Bursary. In this sense the Centennial Fund is a:
  - o Fundraising programme for philanthropic contributions to RHSCT towards bursaries with KPIs that can be performance managed;
  - o Long term strategy to maintain the level of bursarial support, enabling us to relieve the level of fees that some parents find too burdensome; and
  - o Channel for communications, that will enable RHS to distinguish from other independent schools the contribution it makes to the public good, by speaking clearly and boldly about the total difference RHS makes to vulnerable and underrepresented children.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2022

---

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the Board of Trustees on 9 December 2022  
and signed on their behalf by:

**Judy Dow**  
Trustee

INDEPENDENT EXAMINER'S REPORT  
FOR THE YEAR ENDED 31 AUGUST 2022

---

**Independent Examiner's Report to the Trustees of Royal Hospital School Charitable Trust (the "Charity")**

I report to the Charity's Trustees on my examination of the financial statements of the Charity for the year ended 31 August 2022.

**Responsibilities and Basis of Report**

As the Trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the '2011 Act').

I report in respect of my examination of the Charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

**Independent Examiner's Statement**

Your attention is drawn to the fact that the Charity has prepared the financial statements in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the financial statements to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

Signed: 

Dated: 21 December 2022

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2022

---

#### 1. Accounting policies

##### 1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Royal Hospital School Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 1.2 Going concern

The Trustees and management have prepared financial forecasts that indicate that the Charity will be able to continue to meet its liabilities as they fall due and will continue to operate for the foreseeable future, being at least 12 months from the date of approval of these financial statements. Accordingly, these financial statements are prepared on the going concern basis.

##### 1.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

##### 1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2022

---

**1. Accounting policies (continued)**

**1.5 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

**1.6 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**1.7 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.8 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.9 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.10 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

A transfer has been made between general funds and restricted funds to reflect that overheads are to be recharged to restricted funds. A transfer has been made from general funds to restricted funds to reflect the Annual Fund being a restricted fund.

The Gift Aid for 2021/22 has now been apportioned across the funds based on the amount of donations received for each fund in the gift aid claim.

ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2022

---

**13. Related party transactions**

During the year donations amounting to £47,278 (2021 - £48,248) were paid to The Royal Hospital School. The Charity has not entered into any other related party transactions during the year, nor are there any outstanding balances owing between related parties and the Charity at 31 August 2022 or 31 August 2021.

**14. Post balance sheet events**

Since the year end, the value of the Charity's Fixed Asset investments suffered unrealised losses. On 23 November 2022, the value of the Charity's Fixed Asset investments had decreased in value by £15,004. No impairment adjustment has been made to the financial statements as it is not considered to be a permanent diminution in value.

### TRUSTEES' REPORT FOR THE YEAR ENDED 31 AUGUST 2021

---

The Trustees present their annual report together with the financial statements of Royal Hospital School Charitable Trust (the charitable organisation known as RH SCT) for the year ended 31 August 2021.

The Trustees confirm that the Annual Report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective January 2019).

#### Objectives and activities

##### a. Policies and objectives

The objective of the charity is to advance the education of pupils at the Royal Hospital School (RHS) , in particular, but not exclusively by:

1. Providing bursaries, scholarships and prizes for education at the school;
2. Supporting specific projects at the school relating to the advancement of education at the school
3. Developing effective relationships between the pupils, staff, parents, alumni, friends and others associated with the school

##### b. Main activities undertaken to further the Charity's purposes for the public benefit

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'. Our objectives stated above show that this is our aim, and we endeavour to accomplish these objectives.

#### Achievements and performance

##### a. Main achievements of the Charity

During the period the charity received donations amounting to £88,590 (2020 - £130,369). These monies received are to be spent on achieving the charity's objectives in current and future periods.

Unfortunately, the Covid 19 pandemic meant that our efforts were restricted to mainly online activities and delayed some of our planned events. Regular giving continued, focusing on the raising of funds to provide life-changing opportunities to pupils joining the Royal Hospital School.

#### Financial review

##### a. Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

---

#### Structure, governance and management

##### a. Constitution

Royal Hospital School Charitable Trust is a registered charity, number 1157146. The charity was incorporated as a charitable incorporated organisation on 21 May 2014. The charity is governed by its constitution which was registered with the Charity Commission on the date of incorporation.

##### b. Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees. The Headmaster of the Royal Hospital School is an ex officio trustee. Further trustees are appointed by the existing trustee body in order that the CIO Trustees should consist of at least one former pupil, at least one current or former parent, and at least one Governor of the Royal Hospital School.

##### c. Organisational structure and decision-making policies

The Board of Trustees is the principal decision making body of the charity.

##### d. Financial risk management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finances of the Charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks.

#### Plans for future periods

Our fundraising strategy and resources are continually reviewed. Depending on the resources and expertise available, we expect to build on the foundations of previous years to enhance alumni relations and increase fundraising, through stronger communications and improved marketing.

Following the successes of fundraising for the library and provision of several (two full-fee) bursaries, we expect fundraising to continue under the 'Annual Fund' and 'Centennial Fund' streams:

- Annual Fund - predominantly funded by the Parents Association, together with a number of other donors via regular giving, to support projects that enhance and add value to the RHS pupil experience. These include innovations in academic contexts, new equipment for sport or societies, and enabling new activities to be piloted.

- Centennial Fund bursarial support - prepare for the official launch of the Centennial Fund in October 2022, our collective effort to help 100 children by 2033. Key to success will be communicating an understanding of the Centennial Fund as a collective effort by both individual donors (with the aim of significantly increasing regular giving), and charitable partners, such as the Springboard Foundation and Greenwich Hospital Seafarers' Bursary. In this sense the Centennial Fund is a:

- o Fundraising programme for philanthropic contributions to RHSCCT towards bursaries with KPIs that can be performance managed.
- o Long term strategy to maintain the level of bursarial support, enabling us to relieve the level of fees that some parents find too burdensome.
- o Channel for communications, that will enable RHS to distinguish from other independent schools the contribution it makes to the public good, by speaking clearly and boldly about the total difference RHS makes to vulnerable and underrepresented children.

### TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 AUGUST 2021

---

#### Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the . They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on  
and signed on their behalf by:

**Andrew Tate**  
Trustee

### INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 AUGUST 2021

---

#### Independent Examiner's Report to the Trustees of Royal Hospital School Charitable Trust ('the Charity')

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 August 2021.

#### Responsibilities and Basis of Report

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### Independent Examiner's Statement

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed: 

Sharon Gravener

## ROYAL HOSPITAL SCHOOL CHARITABLE TRUST

---

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 AUGUST 2021

---

#### 1. Accounting policies

##### 1.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Royal Hospital School Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

##### 1.2 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the Charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the Charity, can be reliably measured.

##### 1.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 AUGUST 2021**

---

**1. Accounting policies (continued)**

**1.4 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

**1.5 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**1.6 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of Financial Activities as a finance cost.

**1.7 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**1.8 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

A transfer has been made between general funds and restricted funds to reflect the fact that overheads had not previously been charged to restricted funds which are a necessary part of setting up the charity to fundraise. The overhead costs have been apportioned based on receipts of each fund in each year going back to 2016/17.

A transfer has also been made to reflect the fact that the gift aid receipt received in the prior year had incorrectly all been allocated to the Library redevelopment fund. This has now been apportioned across the fund based on the amount of donations received for each fund in the gift aid claim. This has resulted in a negative reserve balance for the Library redevelopment as all funds were paid across to The Royal Hospital School, including the gift aid donation in 2020. The Royal Hospital School have subsequently paid the amount of £9,581 to The Royal Hospital School Charitable Trust in September 2021.
