ANNUAL REPORT 2024-2025

What is Springfield Park Leisure Centre?

The Charity is running the Leisure Centre to give children and adults in Coppull and the surrounding areas the chance to try new sports and become physically more active.

As well as offering services to various schools, for their extra curricular activities.

They host a variety of different sporting activities that can be attended on a 7 days per week basis.

There is also the option of being part of a competitive trampoline academy that takes part in British Gymnastics Competitions throughout the country.

The use of the meeting room is hired out for teacher trainer courses, first aid courses and local group meetings. The income received from this is greatly appreciated and put back into the Centre's accounts.

There are a variety of new classes that have started up. These are catered to our young early movers. Classes start from walking age up to 5. They are a parent/toddler class that involves use of the trampolines and soft play gymnastics equipment.

More Schools now attend the Centre. We have 2 schools for children with challenging behaviour and additional needs. They attending twice per week with the view to extending and adding more classes in the near future.

Fundraising/ Volunteering:

Staff members volunteer their time and effort again to organise 2 fund raising parties at both Halloween & Christmas. As always this year they very well attended and very successful.

This is funded by parents/staff and the money raised is used to purchase equipment for the Centre.

The academy members also donate older leotards and sportswear that is sold to help fund raise for the Charity and the trampoline Academy.

Some staff members have taken part on a sponsored Scoot. They raised money through sponsorship forms from the members using the facilities. This Money will be used to purchase some new equipment for the Early movers Gymnastics sessions.

Everyone who visits the Centre is impressed by the improvements made and customers are coming on a returning basis. There are new classes for an even greater age range and we are hoping to offer even more sessions in the near future.

How do we do that?

The Charity Trustees look after the Leisure Centre together with Management staff, employees and volunteers.

The Centre opens daily and hosts the following classes:

- Springfield Academy - competitive trampolining club involved in competitions throughout Britain- Part of British Gymnastics syllabus
- Trampolining for children- Beginner classes with a view to progressing in to the Academy.
- Free Running / Freestyle Gymnastics.
- Christmas/ Halloween/ Easter themed parties/fundraisers.
- Disability Trampolining for children
- Facilities hired out to the local high schools
- Facilities hired out to local autistic groups and schools for children with profound physical and mental disabilities
- Indoor Bowling (winter only)
- Gymnastics- hired out externally from a local Group.
- Vending Drinks and snacks for parents and children
- Meeting room for hire to local community groups
- Classroom Assistant Teacher training
- Children's Birthday Parties
- Indoor Rock Climbing (private Use)
- Early Movers. Parent & Toddler Classes aimed at pre-school
- Bounce Tots. Trampolining Parent & Toddler Classes aimed at pre-school

- School Holiday Camps. Half Term/ School Term activities for children with parents at work.
- Home Educated Children. P.E. classes available for children that don't attend mainstream schools.

Has the Charity met its aims?

Equipment has continued to be updated and maintained as necessary and also more equipment added. We are in the processing of making some new changes to the hall to encourage new members and begin new classes.

The Centre continues to be maintained by the Trustees in conjunction with the lease.

The Charity staff and volunteers have worked amazingly over the last 12 months to really bring the centre on. We have seen a great impact on our class attendances and returning members.

The trampoline academy is at its busiest with plenty new young members now competing in the squad. It has greatly helped the running of things compared to previous years after the lockdowns.

How it works for the public benefit?

It continues to give children and adults the chance to try new activities and to keep physically active and become involved with their local community.

The Upstairs space provides a social meeting place for parents who wish to watch their children during their activities.

More and more people spread what the Centre offers by word of mouth and on social media.

Advertising and Social media videos are now a big part of getting the charity noticed to the public.

We are now seeing more and more people return to the Centre and take part in extra curricular activities. We have seen a great steady attendance on our classes.

Our new sessions are thriving and the members are enjoying the time spent at the Centre. Our schools are really happy with our services and have passed details on to other local schools in the hope that they could attend.

There are some plans to develop and add even more to our current schedule and really push on with offering more and more to the local community and surrounding areas.

Respective Responsibilities of the Trustees

As the charity's trustees you are responsible for the preparation of the accounts. You consider that the audit requirements of section 43 (2) of the Charities Act 1993 (the Act) do not apply. It is our responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under section 43 (7) (b) of the Act, whether particular matters have come to our attention.

TRUSTEES ANNUAL REPORT 2022-2023

What is the Charity trying to Achieve?

The Charity is running the Leisure Centre to give children and adults in Coppull and the surrounding areas the chance to try new sports and become physically more active. They offer a variety of different sporting activities that can be attended on a 7 days per week basis.

There is also the option of being part of a competitive trampoline academy that takes part in British Gymnastics Competitions throughout the country.

The use of the meeting room is hired out for teacher trainer courses. The income received from this is greatly appreciated and put back into the Centre's accounts.

Staff members volunteered their time and effort again to organise 2 fund raising parties at both Halloween & Christmas. They were very well attended and very successful, they included activities and games such as Tombola, raffles and Trampolining.

This is funded by parents/staff and the money raised is used to purchase equipment for the Centre.

The Trampoline Academy members have been volunteering with the clean up of the local area and the Sports Hall. This is to entice more local members to keep active and use the facilities.

They also donate older leotards and sportswear that is sold to help fund raise for the Charity.

Everyone who visits the Centre is impressed by the improvements made and customers are frequently asked to let the staff know if there are any other activities that they would like to have in the future.

How do we do that?

The Charity Trustees look after the Leisure Centre together with Management staff, employees and volunteers.

The Centre opens daily and hosts the following classes:

- Springfield Academy - competitive trampolining club involved in competitions throughout Britain- Part of British Gymnastics syllabus
- Trampolining for children- Beginner classes with a view to progressing in to the Academy.
- Free Running / Freestyle Gymnastics.
- Christmas/ Halloween/ Easter themed parties/fundraisers.
- Disability Trampolining for children
- Facilities hired out to the local high schools
- Facilities hired out to local autistic groups and schools for children with profound physical and mental disabilities
- Indoor Bowling (winter only)
- Gymnastics- hired out externally from a local Group.
- Vending Drinks and snacks for parents and children
- Meeting room for hire to local community groups
- Classroom Assistant Teacher training
- Children's Birthday Parties
- Indoor Rock Climbing (private Use)

Has the Charity met its aims?

Equipment has continued to be updated and maintained as necessary and also more equipment added. The Centre continues to be maintained by the Trustees and the

Parish Council as owners of the building.

Springfield Trampoline Academy has been a success again in gaining 5 members competing at the Regional Finals in Birmingham. These will take place in September.

How it works for the public benefit?

It continues to give children and adults the chance to try new activities and to keep physically active and become involved with their local community.

The Upstairs space provides a social meeting place for parents who wish to watch their children during their activities.

More and more people spread what the Centre offers by word of mouth and The Centre and on social media.

We are now seeing more and more people return to the Centre and take part in extra curricular activities. They are slowly returning back to how they were before the pandemic.

Our Beginner trampoline sessions are busy with a waiting list on the Monday classes. Staff and volunteers are hoping to put on some form of summer activities for the Children during the school holidays.

Re Annual Internal Audit – Financial Year March 2023

The objective of the audit has been to review, appraise and report on the adequacy the internal control systems operated by the trustees of Springfield Park Leisure Centre and the accuracy of the financial statements.

These have been found to be fit for purpose and accurately prepared. The audit was completed on the basis of an assessment of risk and has included a selective assessment of compliance with relevant procedures and controls being tested and examined.

The areas involved in the audit included: -

The system for the approval of expenditure which proved to be fit for purpose. Payments made were supported by invoices in all cases. Income was received and accounted for thoroughly and accurately. A payroll system to notify HMRC of the employees pay and deductions was used and the system in place was properly administered. All necessary registers were maintained
Year end accounts were prepared accurately.

We have concluded that the control objectives set up and operated by the trustees are to a standard adequate to meet the needs of the charity.

Yours faithfully,

Equipment has continued to be updated and maintained as necessary and also more equipment added. The Centre continues to be maintained by the Trustees and the Parish Council as owners of the building.

Springfield Trampoline Academy has been a success in gaining 2 members competing at the Regional Finals in Sheffield. Guiding one gymnast into finishing in 2nd Place.

How it works for the public benefit?

It continues to give children and adults the chance to try new activities and to Keep physically active and become involved with their local community. The upstairs area now has vending machines for members to use. It was decided this would be the most cost effective option for the Charity due to the irregular class attendances since the pandemic.

The space provides a meeting place for parents who wish to watch their children during their activities.

More and more people spread the activities on offer by word of mouth and The Centre and is also advertised locally.

We are now seeing more and more people return to the Centre and take part in extra curricular activities. This has been a slow process since the previous years of lockdowns and restrictions.

It has greatly improved since the relaxing of everything and members of the public are returning back to normal.

The annual internal audit has been completed for the year April 2020 to March 2021.

The primary objective of the audit has been to review, appraise and report on the adequacy of the internal control systems operated by the trustees.

These have been found to be fit for purpose.

The audit was completed on the basis of an assessment of risk and has included a selective assessment of compliance with relevant procedures and controls being examined.

The areas involved in the audit included:-

The system for the approval of expenditure which proved to be fit for purpose.

Payments made were supported by invoices in all cases.

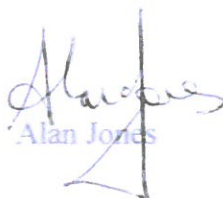

Income was received and accounted for thoroughly and accurately.

A payroll system to notify HMRC of the employees pay and deductions was used and the system in place was properly administered.

All necessary registers were maintained.

Year end accounts were prepared accurately

We have concluded that the control objectives set up and operated by the trustees are to a standard adequate to meet the needs of the Leisure Centre.
