THE ONSIDE FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their report with the financial statements of the charity for the year ended 31 March 2025. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019).

AIMS AND ACTIVITIES

Objectives and aims

The Charity's objects are to apply funds at its discretion (including through the making of donations or grants to other charitable organisations) in order to help and educate children and young people through their leisure time activities by realising their potential in order that they may grow to full maturity as individuals and members of society and that their life chances may improve.

The scope and function of the Foundation includes receiving grants from other donors. External funders make their grants to the Foundation which then include such monies in a composite grant to individual Youth Zone projects that are under development. Certain operating Youth Zones also received revenue donations to support their running costs. The Trustees recognise that in future years the Foundation will continue to manage the flow of funds into multiple projects.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The key criteria used to assess the success of the Foundation comprise:

- The level of funds raised to develop new and existing Youth Zones
- The ability to provide support to OnSide Youth Zones
- The extent of new openings of Youth Zones to expand the Network

In 2024/25, the Charity's main achievements were:

•Securing a total of £4m of income for developing a number of new and existing Youth Zone projects across the country, as well as supporting the growth and development of OnSide Youth Zones ('OnSide') to further increase the pace and quality of its own ambitions in expanding the Network. The amounts raised during the year included the following:

- £3,075,000 for Barnsley Youth Zone
- £398,000 for support of OnSide's running costs
- £300,000 for Thurrock Youth Zone
- £163,000 for Grimsby Youth Zone

•Other than the grant noted above funded by a particular donor, there was no specific support provided to OnSide (Charity No. 1125893 Company No. 06591785) in 2023/24 as the charity was able to fund all of its plans and obligations from its own management fees and fund raising efforts.

The extent of support provided to OnSide was in line with our plans and, although no specific target is set for the total funds raised, the level achieved was broadly in line with expectations.

- The opening of the Hammersmith & Fulham Youth Zone in April 2024.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

In July 2022, the Trustees, in recognition of a changed strategy to undertake a managed wind down of the Foundation, introduced The OnSide Foundation Impact Fund ('the Impact Fund') which was made available for the distribution of grants to individual Youth Zones or Network wide collaborations, to support capital or revenue projects that grow and improve the OnSide Network's offer to young people. The first tranche of such grants totalling £1.0m for three projects was confirmed during 2022/23, while emergency sustainability grants totalling £0.75m were also awarded to two Youth Zones. A second tranche of Impact Fund grants totalling £3.3m was approved in 2023/24, with grants to be made over the period to November 2026 (or until the Impact Fund is depleted). Additional sustainability and other grants totalling £0.6m were approved in 2024/25 to further utilise the Foundation's unrestricted funds.

FINANCIAL REVIEW

Investment powers and policy

Under the Trust Deed, the Charity has the power to deposit or invest funds in a manner which the trustees see fit. Investments are made where required to further the aims and objects of the charity. During the year, the Charity continued to hold specific managed investments to be held for the medium term with the total amount currently invested of £5.9m. A new investment policy was agreed by the Trustees during the previous year, as noted below, and updated in 2024/25. The Foundation Investment Committee (now comprising Mr.W.R.Warburton and Mr.W.G.R. Lees-Jones) met once formally during the year ended 31 March 2025 but have also met in March 2024 and April 2025 and held informal discussions on a regular basis. In the future it is envisaged that an appropriate proportion of the Foundation's assets will be held in cash in order to meet the Charity's commitments to support OnSide and the existing Youth Zone Network.

During the previous year, the Trustees appointed W1M (formerly Waverton Investment Management) to manage the Foundation's investment portfolio. Steps were taken to liquidate the existing investments and embark on a new corporate bond strategy linked to the revised time horizon in the Foundation's current plans. This strategy has continued during 2024/25.

Reserves policy

The Trustees have established a reserves policy, in line with the Charity Commission's guidance, which appropriately reflects the risks to which the Charity is exposed. In compliance with this policy, the Trustees review, at least on an annual basis, the sum which they wish to hold in unrestricted funds and the basis for that figure. The reserves policy considers ongoing fixed costs, possible unforeseen capital and revenue funding requirements and potential fluctuations in longer term investment balances and income. It does not consider expenditure linked to restricted projects which are covered by restricted funds. As part of this policy, the Trustees may also, from time to time, designate specific amounts of unrestricted funds for particular purposes such as commitments to support the running costs of OnSide, such that 'free reserves' are reduced.

At 31 March 2025 total unrestricted funds were £4.64m. However, of this amount £2.4m has already been committed by way of future grants payable to OnSide and the Youth Zone Network. A further £0.6m has been designated by the Trustees for specific purposes. This effectively leaves free reserves of approximately £1.6m, which the Trustees believe is more than sufficient to meet the Foundation's current requirements.

Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

Financial position

A summary of the income and expenditure for the year ended 31 March 2025 is as follows:

The Foundation generated total income of £4.05m in 2024/25, incurred expenditure of £6.22m and generated an unrealised gain on investments of £0.22m during the year, resulting in a net deficit of £1.95m. Closing fund balances at 31 March 2025 totalled £7.40m, of which £1.47m was represented by cash balances (less creditors) and the investments were valued at £5.93m.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Principal funding sources (and fundraising statement)

The Trustees record their thanks to all those grant funders who have made donations, or cited their commitment, to support the work of the Charity. The generosity and confidence demonstrated by those individuals and organisations backing The OnSide Foundation and OnSide is a huge source of encouragement for all involved in the Charity. Special thanks are extended to strategic funders who committed capital and revenue funding this year, which included the Seroussi Foundation (in partnership with UBS Optimus Foundation), together with the St James's Place Foundation, the Matchroom Foundation and The Liz and Terry Bramall Foundation.

The Foundation's fundraising activities are carried out by OnSide on its behalf. The approach to fundraising and compliance with fund raising regulations and code of practice are set out in OnSide's Trustees' Report and Financial Statements.

PLANS FOR FUTURE PERIODS

In the period subsequent to 31 March 2025, The OnSide Foundation has already or aims in the future, to:

- Complete the grant offers to approved Youth Zone projects including those in Grimsby, Barnsley, Preston, Salford, Crewe, Thurrock and South Bristol.
- Work with OnSide and its supporters in order to secure further capital funds for the expansion of the OnSide Youth Zones Network;
- Develop and implement Grant Agreements with future Youth Zones in order to strengthen the relationship between The OnSide Foundation and future Youth Zones for the benefit of the OnSide Network of Youth Zones and the young people they serve;
- Explore opportunities to secure funds that may be applied, by way of grant, by the Trustees towards the revenue requirements of Youth Zones in the OnSide Network.

PUBLIC BENEFIT AND VOLUNTEERS' CONTRIBUTION

Public Benefit

All the activities of the Charity (as summarised above) were undertaken to further its charitable purposes for public benefit.

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Volunteers

Throughout the period all members of the board of Trustees made valuable voluntary contributions to the Charity's work in terms of governance, professional and business experience, financial planning, fundraising and leading initiatives. Such contributions were, on average, equivalent to one full day each calendar month.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The OnSide Foundation is an unincorporated charitable trust (Charity No. 1157252) currently with three trustees; Ross Warburton (Chair), Bill Holroyd and Will Lees-Jones. The charity is governed by its Trust Deed dated 24 March 2014. Management of the Charity's affairs is vested in the Trustees.

Recruitment and appointment of trustees

New trustees will be recruited according to the needs of the charity and the suitability of possible candidates. A unanimous approval of existing Trustees would lead to their appointment.

The Trust Deed states that the number of trustees shall have no maximum and shall not be less than three. As set out in the Trust Deed, no business shall be conducted at a meeting of the trustees unless they are present throughout the meeting: a quorum of at least two trustees is required.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Trustees' induction and training

Newly appointed trustees are selected with regard to the skills, knowledge and experience needed for the effective administration of the charity. New trustees will be supplied with a copy of the Trust Deed, and any amendments made to it, and a copy of the Charity's latest report and statement of accounts.

Organisational structure

The OnSide Foundation is governed by its Trustee Board which is responsible for setting the strategic direction of the organisation and the policy of the charity. The Trustees carry the ultimate responsibility for the conduct of The OnSide Foundation and for ensuring that the charity satisfies its legal and contractual obligations. The Trustees are required to hold at least two ordinary meetings each year with at least one held face to face, but other meetings may take place in the form of videoconferencing as the Trustees decide, provided that the form chosen enables the Trustees both to see and to hear each other. In reality, three meetings were held during the year ended 31 March 2025, with one held face to face and the other two held by videoconferencing. The Trustees delegate the day to day operation of the organisation to senior management of OnSide, together with an external consultant who supports the Trustee Board. The Trustee Board is independent from management.

Related parties

Transactions with related parties will be disclosed in a note to the financial statements and in accordance with Charities SORP (FRS102).

Risk management

The Trustees have considered the major risks to which the Charity is exposed and have established suitable risk management and control procedures. The risk register is presented to the Trustees for consideration at each Board Meeting. The Charity's principal risks currently relate to the impact of a general deterioration of the wider financial climate on the ability to raise funds and the potential reputational damage from the poor performance or failure of a Youth Zone. The Trustees continue to review and update these risks on a regular basis and ensure, wherever possible, that mitigating actions are in place. However, as noted above, in view of the strong balance sheet and liquidity position of the Foundation, the Trustees do not anticipate any major impact from the various identified risks on the Foundation's operations in the foreseeable future.

TRUSTEES' RESPONSIBILITIES IN RELATION TO FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of the Income and expenditure of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE TO OUR AUDITORS

THE ONSIDE FOUNDATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2025**

The Trustees confirm that so far as they are aware, there is no relevant audit information for which the Charity's auditors are unaware. The Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

AUDITORS

A resolution to reappoint Crowe U.K. LLP will be proposed at the Annual General Meeting.

Approved by order of the members of the board of Trustees on 19 September 2025 and signed on their behalf by:

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION

Opinion

We have audited the financial statements of The OnSide Foundation (the 'charity') for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 legislation.

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience, through discussions with the Trustees, and from inspections of the Charities' board minutes and legal and regulatory correspondence. We discussed the policies and procedures regarding compliance with laws and regulations with the Chair.

We assessed the susceptibility of the financial statements to material misstatement, including how fraud might occur, by meeting with management from relevant parts of the business to understand where management considered there was a susceptibility to fraud. We also considered the potential for management to manage earnings and influence the perceptions of the financial statements.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be the override of controls by management and the timing of recognition of income.

Audit procedures performed by the engagement team included:

- Evaluation of the design of controls established to address the risks related to material irregularities in the financial statements; Testing manual journal entries, in particular journal entries relating to management estimates and entries determined to be large or relating to non-routine transactions.
- Evaluation of income recognition policies and any judgements made around income recognition; reviewing the income system for significant deficiencies or susceptibility to fraud;
- Challenging assumptions and judgements made by management in their significant accounting estimates;
- Agreement of the financial statement disclosures to underlying supporting documentation;
- Making enquiries of management;
- Review of minutes of board meetings throughout the period;

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations. These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 14 to 26 form part of these financial statements

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. General information

The OnSide Foundation is an unincorporated charity, registered in England and Wales. Further details are included in the Reference and Administrative Details page at the start of these financial statements.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The OnSide Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

They do not consider that there are any material uncertainties in respect of using the going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

2.12 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The trustees consider that there are currently no significant estimates or areas of judgemental uncertainty.

----------------	------------------	------------------	--------------------	----------	----------------	------------------

Designated funds consist of the following:

Youth Zone Network Donor Fund - the Trustees have agreed to designate £619,000 of the unrestricted funds which were initially provided by two donors to underwrite support costs for OnSide Youth Zones but will now be used for grants to benefit the Youth Zone Network as specifically agreed between the donors and the Trustees. Since the year end £385,415 has been paid from this designated fund to The Bolton School Bursary Foundation at the specific request of the donor.

Restricted funds consist of the following:

Individual Youth Zones - Funding to be applied solely to the specific Youth Zone listed
OnSide Youth Zones Development - Funding to support the development of new Youth Zones.
OnSide Revenue - Funding to support running costs of OnSide.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019).

AIMS AND ACTIVITIES

Objectives and aims

The Charity's objects are to apply funds at its discretion (including through the making of donations or grants to other charitable organisations) in order to help and educate children and young people through their leisure time activities by realising their potential in order that they may grow to full maturity as individuals and members of society and that their life chances may improve.

The scope and function of the Foundation includes receiving grants from other donors (for example, the UBS Optimus Foundation, the Garfield Weston Foundation, the Seroussi Foundation and The Liz and Terry Bramall Foundation). External funders make their grants to the Foundation which then include such monies in a composite grant to individual Youth Zone projects that are under development (in the case of the 2023/24 accounts, this includes Hammersmith and Fulham Youth Zone, Barnsley Youth Zone, Grimsby Youth Zone and South Bristol Youth Zone). Certain operating Youth Zones also received revenue donations to support their running costs. The Trustees recognise that in future years the Foundation will continue to manage the flow of funds into multiple projects.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The key criteria used to assess the success of the Foundation comprise:

- The level of funds raised to develop new and existing Youth Zones
- The ability to provide support to OnSide Youth Zones
- The extent of new openings of Youth Zones to expand the Network

In 2023/24, the Charity's main achievements were:

•Securing a total of £2.4m of income for developing a number of new and existing Youth Zone projects across the country, as well as supporting the growth and development of OnSide Youth Zones ('OnSide') to further increase the pace and quality of its own ambitions in expanding the Network. The amounts raised during the year included the following:

- £1,000,000 for various capital projects
- £645,000 for Barnsley Youth Zone
- £429,000 for support of OnSide's running costs
- £206,000 for Grimsby Youth Zone
- £50,000 for Hammersmith and Fulham Youth Zone

•There was no specific support provided to OnSide (Charity No. 1125893 Company No. 06591785) in 2023/24 as the charity was able to fund all of its plans and obligations from its own management fees and fund raising efforts.

The extent of support provided to OnSide was in line with our plans and, although no specific target is set for the total funds raised, the level achieved was broadly in line with expectations.

- The construction of the Hammersmith & Fulham Youth Zone which officially opened in April 2024.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024**

In July 2022, the Trustees, in recognition of a changed strategy to undertake a managed wind down of the Foundation, introduced The OnSide Foundation Impact Fund ('the Impact Fund') which was made available for the distribution of grants to individual Youth Zones or Network wide collaborations, to support capital or revenue projects that grow and improve the OnSide Network's offer to young people. The first tranche of such grants totalling £1.0m for three projects was confirmed during 2022/23, while emergency sustainability grants totalling £0.75m were also awarded to two Youth Zones. A second tranche of Impact Fund grants totalling £3.3m was approved in 2023/24 thereby utilising a significant proportion of the Foundation's existing unrestricted funds, with grants to be made over the period to November 2026 (or until the Impact Fund is depleted).

FINANCIAL REVIEW

Investment powers and policy

Under the Trust Deed, the Charity has the power to deposit or invest funds in a manner which the trustees see fit. Investments are made where required to further the aims and objects of the charity. During the year, the Charity continued to hold specific managed investments to be held for the medium term with the total amount currently invested of £5.7m. A new investment policy has been agreed by the Trustees during the year as noted below and the Foundation Investment Committee (now comprising Mr.W.R. Warburton and Mr.W.G.R. Lees-Jones) met three times formally during the year ended 31 March 2024 but have held informal discussions on a regular basis. In the future it is envisaged that an appropriate proportion of the Foundation's assets will be held in cash in order to meet the Charity's commitments to support OnSide and the existing Youth Zone Network.

During 2023/24, the Trustees appointed Waverton Investment Management to manage the Foundation's investment portfolio. Steps were taken to liquidate the existing investments and embark on a new corporate bond strategy linked to the revised time horizon in the Foundation's current plans.

Reserves policy

The Trustees have established a reserves policy, in line with the Charity Commission's guidance, which appropriately reflects the risks to which the Charity is exposed. In compliance with this policy, the Trustees review, at least on an annual basis, the sum which they wish to hold in unrestricted funds and the basis for that figure. The reserves policy considers ongoing fixed costs, possible unforeseen capital and revenue funding requirements and potential fluctuations in longer term investment balances and income. It does not consider expenditure linked to restricted projects which are covered by restricted funds. As part of this policy, the Trustees may also, from time to time, designate specific amounts of unrestricted funds for particular purposes such as commitments to support the running costs of OnSide, such that 'free reserves' are reduced.

At 31 March 2024 total unrestricted funds were £6.20m. However, of this amount £3.86m has already been committed by way of future grants payable to OnSide and the Youth Zone Network. A further £0.6m has been designated by the Trustees for specific purposes. This effectively leaves free reserves of approximately £1.7m, which the Trustees believe is more than sufficient to meet the Foundation's current requirements.

Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

Financial position

A summary of the income and expenditure for the year ended 31 March 2024 is as follows:

The Foundation generated total income of £2.42m in 2023/24, incurred expenditure of £2.40m and generated an unrealised gain on investments of £0.19m during the year, resulting in a net surplus of £0.21m. Closing fund balances at 31 March 2024 totalled £9.35m, of which £3.65m was represented by cash balances (less creditors) and the investments were valued at £5.70m.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Principal funding sources (and fundraising statement)

The Trustees record their thanks to all those grant funders who have made donations, or cited their commitment, to support the work of the Charity. The generosity and confidence demonstrated by those individuals and organisations backing The OnSide Foundation and OnSide is a huge source of encouragement for all involved in the Charity. Special thanks are extended to strategic funders who committed capital and revenue funding this year, which included the Seroussi Foundation (in partnership with UBS Optimus Foundation), together with the Garfield Weston Foundation and The Liz and Terry Bramall Foundation.

The Foundation's fundraising activities are carried out by OnSide on its behalf. The approach to fundraising and compliance with fund raising regulations and code of practice are set out in OnSide's Trustees' Report and Financial Statements.

PLANS FOR FUTURE PERIODS

In the period subsequent to 31 March 2024, The OnSide Foundation has already, or aims in the future, to:

- Complete the grant offers to approved Youth Zone projects including those in Hammersmith and Fulham, Grimsby, Barnsley and South Bristol.
- Work with OnSide and its supporters in order to secure further capital funds for the expansion of the OnSide Youth Zones Network;
- Develop and implement Grant Agreements with future Youth Zones in order to strengthen the relationship between The OnSide Foundation and future Youth Zones for the benefit of the OnSide Network of Youth Zones and the young people they serve;
- Explore opportunities to secure funds that may be applied, by way of grant, by the Trustees towards the revenue requirements of Youth Zones in the OnSide Network.

PUBLIC BENEFIT AND VOLUNTEERS' CONTRIBUTION

Public Benefit

All the activities of the Charity (as summarised above) were undertaken to further its charitable purposes for public benefit.

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Volunteers

Throughout the period all members of the board of Trustees made valuable voluntary contributions to the Charity's work in terms of governance, professional and business experience, financial planning, fundraising and leading initiatives. Such contributions were, on average, equivalent to one full day each calendar month.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The OnSide Foundation is an unincorporated charitable trust (Charity No. 1157252) currently with three trustees; Ross Warburton (Chair), Bill Holroyd and Will Lees-Jones. The charity is governed by its Trust Deed dated 24 March 2014. Management of the Charity's affairs is vested in the Trustees.

Recruitment and appointment of trustees

New trustees will be recruited according to the needs of the charity and the suitability of possible candidates. A unanimous approval of existing Trustees would lead to their appointment.

The Trust Deed states that the number of trustees shall have no maximum and shall not be less than three. As set out in the Trust Deed, no business shall be conducted at a meeting of the trustees unless they are present throughout the meeting: a quorum of at least two trustees is required.

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024**

Trustees' induction and training

Newly appointed trustees are selected with regard to the skills, knowledge and experience needed for the effective administration of the charity. New trustees will be supplied with a copy of the Trust Deed, and any amendments made to it, and a copy of the Charity's latest report and statement of accounts.

Organisational structure

The OnSide Foundation is governed by its Trustee Board which is responsible for setting the strategic direction of the organisation and the policy of the charity. The Trustees carry the ultimate responsibility for the conduct of The OnSide Foundation and for ensuring that the charity satisfies its legal and contractual obligations. The Trustees are required to hold at least two ordinary meetings each year with at least one held face to face, but other meetings may take place in the form of videoconferencing as the Trustees decide, provided that the form chosen enables the Trustees both to see and to hear each other. In reality, five meetings were held during the year ended 31 March 2024, with one held face to face and the other four held by videoconferencing. A further two meetings were held to specifically cover Impact Fund grant applications. The Trustees delegate the day to day operation of the organisation to senior management of OnSide, together with an external consultant who supports the Trustee Board. The Trustee Board is independent from management.

Related parties

Transactions with related parties will be disclosed in a note to the financial statements and in accordance with Charities SORP (FRS102).

Risk management

The Trustees have considered the major risks to which the Charity is exposed and have established suitable risk management and control procedures. The risk register is presented to the Trustees for consideration at each Board Meeting. The Charity's principal risks currently relate to the impact of a general deterioration of the wider financial climate on the ability to raise funds and the potential reputational damage from the poor performance or failure of a Youth Zone. The Trustees continue to review and update these risks on a regular basis and ensure, wherever possible, that mitigating actions are in place. However, as noted above, in view of the strong balance sheet and liquidity position of the Foundation, the Trustees do not anticipate any major impact from the various identified risks on the Foundation's operations in the foreseeable future.

TRUSTEES' RESPONSIBILITIES IN RELATION TO FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of the Income and expenditure of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE ONSIDE FOUNDATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2024**

STATEMENT AS TO DISCLOSURE TO OUR AUDITORS

The Trustees confirm that so far as they are aware, there is no relevant audit information for which the Charity's auditors are unaware. The Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

AUDITORS

A resolution to reappoint Crowe U.K. LLP will be proposed at the Annual General Meeting.

Approved by order of the members of the board of Trustees on 18 November 2024 and signed on their behalf by:

WR Warburton MBE
Chair

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION

Opinion

We have audited the financial statements of The OnSide Foundation (the 'charity') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 legislation.

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience, through discussions with the Trustees, and from inspections of the Charities' board minutes and legal and regulatory correspondence. We discussed the policies and procedures regarding compliance with laws and regulations with the Chair.

We assessed the susceptibility of the financial statements to material misstatement, including how fraud might occur, by meeting with management from relevant parts of the business to understand where management considered there was a susceptibility to fraud. We also considered the potential for management to manage earnings and influence the perceptions of the financial statements.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be the override of controls by management and the timing of recognition of income.

Audit procedures performed by the engagement team included:

- Evaluation of the design of controls established to address the risks related to material irregularities in the financial statements; Testing manual journal entries, in particular journal entries relating to management estimates and entries determined to be large or relating to non-routine transactions.
- Evaluation of income recognition policies and any judgements made around income recognition; reviewing the income system for significant deficiencies or susceptibility to fraud;
- Challenging assumptions and judgements made by management in their significant accounting estimates;
- Agreement of the financial statement disclosures to underlying supporting documentation;
- Making enquiries of management;
- Review of minutes of board meetings throughout the period;

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations. These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 14 to 26 form part of these financial statements

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

1. General information

The OnSide Foundation is an unincorporated charity, registered in England and Wales. Further details are included in the Reference and Administrative Details page at the start of these financial statements.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The OnSide Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

They do not consider that there are any material uncertainties in respect of using the going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

2.12 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:.

The trustees consider that there are currently no significant estimates or areas of judgemental uncertainty.

12. Statement of funds (continued)

Designated funds consist of the following:

Youth Zone Network Donor Fund - the Trustees have agreed to designate £619,000 of the unrestricted funds which were initially provided by two donors to underwrite support costs for OnSide Youth Zones but will now be used for grants to benefit the Youth Zone Network as specifically agreed between the donors and the Trustees.

Restricted funds consist of the following:

Individual Youth Zones - Funding to be applied solely to the specific Youth Zone listed
OnSide Youth Zones Development - Funding to support the development of new Youth Zones.
OnSide Youth Zones - Funding to support running costs of OnSide.

17. Related party transactions

During the year the Charity made grants to OnSide Youth Zones, a charity which has a trustee in common with the Foundation. The value of grants paid in the year was £538,475 (2023: £1,217,000).

In accordance with best practice pertaining to related party transactions published by the Charities Commission and following legal advice, where a conflict of interest was perceived to exist, trustees recused themselves from voting.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019).

AIMS AND ACTIVITIES

Objectives and aims

The Charity's objects are to apply funds at its discretion (including through the making of donations or grants to other charitable organisations) in order to help and educate children and young people through their leisure time activities by realising their potential in order that they may grow to full maturity as individuals and members of society and that their life chances may improve.

The scope and function of the Foundation includes receiving grants from other donors (for example, the UBS Optimus Foundation, the Holroyd Foundation, the Seroussi Foundation and John Roberts). External funders make their grants to the Foundation which then include such monies in a composite grant to individual Youth Zone projects that are under development (in the case of the 2022/23 accounts, this includes Hammersmith and Fulham Youth Zone, Barnsley Youth Zone, Grimsby Youth Zone and Bristol Youth Zone). Certain operating Youth Zones also received revenue donations to support their running costs. The Trustees recognise that in future years the Foundation will continue to manage the flow of funds into multiple projects.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The key criteria used to assess the success of the Foundation comprise:

- The level of funds raised to develop new and existing Youth Zones
- The ability to provide support to OnSide Youth Zones
- The extent of new openings of Youth Zones to expand the Network

In 2022/23, the Charity's main achievements were:

- Securing a total of £2.5m of income for developing a number of new and existing Youth Zone projects across the country, as well as supporting the growth and development of OnSide Youth Zones ('OnSide') to further increase the pace and quality of its own ambitions in expanding the Network. The amounts raised during the year included the following:

- £1,250,000 for support of OnSide's running costs
- £275,000 for Grimsby Youth Zone
- £250,000 for Hammersmith and Fulham Youth Zone
- £204,500 revenue support for various operating Youth Zones
- £150,000 for Bristol Youth Zone
- £20,000 for Barnsley Youth Zone

- Providing OnSide (Charity No. 1125893 Company No. 06591785) with support totalling £1.22m to allow the charity to continue the development of the existing Youth Zone Network.

The extent of support provided to OnSide was in line with our plans and, although no specific target is set for the total funds raised, the level achieved was broadly in line with expectations.

- The opening of the Warrington Youth Zone took place in July 2022.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

FINANCIAL REVIEW

Investment powers and policy

Under the Trust Deed, the Charity has the power to deposit or invest funds in a manner which the trustees see fit. Investments are made where required to further the aims and objects of the charity. During the year, the Charity continued to hold specific managed investments to be held for the medium to long term with the total amount invested to date of £4.5m. A documented investment policy has been agreed by the Trustees and revised since the year end as noted below and a Foundation Investment Committee (now comprising Mr.W.R. Warburton and Mr.W.G.R. Lees-Jones) was established in May 2018. The Investment Committee met three times formally during the year ended 31 March 2023 but have held informal discussions on a regular basis. In the future it is envisaged that an appropriate proportion of the Foundation's assets will be held in cash in order to meet the Charity's commitments to support OnSide and the existing Youth Zone Network.

Since the year end, the Trustees have appointed Waverton Investment Management to manage the Foundation's investment portfolio. Steps have been taken to liquidate the existing investments and embark on a new strategy linked to the revised time horizon in the Foundation's current plans.

Reserves policy

The Trustees have established a reserves policy, in line with Charities Commission guidance, which appropriately reflects the risks to which the Charity is exposed. In compliance with this policy, the Trustees review, at least on an annual basis, the sum which they wish to hold in unrestricted funds and the basis for that figure. The reserves policy considers ongoing fixed costs, possible unforeseen capital and revenue funding requirements and potential fluctuations in longer term investment balances and income. It does not consider expenditure linked to restricted projects which are covered by restricted funds. As part of this policy, the Trustees may also, from time to time, designate specific amounts of unrestricted funds for particular purposes such as commitments to support the running costs of OnSide, such that 'free reserves' are reduced.

At 31 March 2023 total unrestricted funds were £7.42m. However, as noted above, £4.79m of unrestricted funds related to specific managed investments, to be held for the medium term, to meet the Foundation's longer term requirements. A further £0.6m has been designated by the Trustees for specific purposes. This effectively leaves free reserves in the form of liquid funds of approximately £2.0m, which the Trustees believe is more than sufficient to meet the Foundation's current requirements.

Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

Financial position

A summary of the income and expenditure for the year ended 31 March 2023 is as follows:

The Foundation generated total income of £2.52m in 2022/23, incurred expenditure of £5.36m and sustained an unrealised loss on investments of £0.86m during the year, broadly in line with the overall stock market movements, resulting in a net deficit of £3.71m. Closing fund balances at 31 March 2023 totalled £9.15m, of which £4.36m was represented by cash balances. The investments were valued at £4.79m, still slightly ahead of original cost.

Principal funding sources (and fundraising statement)

The Trustees record their thanks to all those grant funders who have made donations, or cited their commitment, to support the work of the Charity. The generosity and confidence demonstrated by those individuals and organisations backing The OnSide Foundation and OnSide is a huge source of encouragement for all involved in the Charity. Special thanks are extended to strategic funders who committed capital and revenue funding this year, which included the Seroussi Foundation and John Roberts (in partnership with UBS Optimus Foundation), together with the Holroyd Foundation, the SJP Charitable Foundation and Ross Turner.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

The Foundation's fundraising activities are carried out by OnSide on its behalf. The approach to fundraising and compliance with fund raising regulations and code of practice are set out in OnSide's Trustees' Report and Financial Statements.

PLANS FOR FUTURE PERIODS

In the period subsequent to 31 March 2023, The OnSide Foundation has already, or aims in the future, to:

- Complete the grant offers to approved Youth Zone projects including those in Hammersmith and Fulham, Grimsby, Barnsley and Bristol.
- Work with OnSide and its supporters in order to secure further capital funds for the expansion of the OnSide Youth Zones Network;
- Develop and implement Grant Agreements with future Youth Zones in order to strengthen the relationship between The OnSide Foundation and future Youth Zones for the benefit of the OnSide Network of Youth Zones and the young people they serve;
- Explore opportunities to secure funds that may be applied, by way of grant, by the Trustees towards the revenue requirements of Youth Zones in the OnSide Network.

In July 2022, the Trustees, in recognition of a changed strategy to undertake a managed wind down of the Foundation, introduced The OnSide Foundation Impact Fund ('the Impact Fund') which was made available for the distribution of grants, to individual Youth Zones or Network wide collaborations, to support capital or revenue projects that grow and improve the OnSide Network's offer to young people. The first tranche of such grants totalling £1.0m for three projects was confirmed during the year, while emergency sustainability grants totalling £0.75m were also awarded to two Youth Zones. It is intended that the Impact Fund will utilise the majority of the Foundation's existing unrestricted funds, with grants to be made over the period to December 2026 (or until the Impact Fund is depleted).

PUBLIC BENEFIT AND VOLUNTEERS' CONTRIBUTION

Public Benefit

All the activities of the Charity (as summarised above) were undertaken to further its charitable purposes for public benefit.

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Volunteers

Throughout the period all members of the board of Trustees made valuable voluntary contributions to the Charity's work in terms of governance, professional and business experience, financial planning, fundraising and leading initiatives. Such contributions were, on average, equivalent to one full day each calendar month.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The OnSide Foundation is an unincorporated charitable trust (Charity No. 1157252) currently with three trustees; Ross Warburton (Chair), Bill Holroyd and Will Lees-Jones. The charity is governed by its Trust Deed dated 24 March 2014. Management of the Charity's affairs is vested in the Trustees.

Recruitment and appointment of trustees

New trustees will be recruited according to the needs of the charity and the suitability of possible candidates. A unanimous approval of existing Trustees would lead to their appointment.

The Trust Deed states that the number of trustees shall have no maximum and shall not be less than three. As set out in the Trust Deed, no business shall be conducted at a meeting of the trustees unless they are present throughout the meeting: a quorum of at least two trustees is required.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Trustees' induction and training

Newly appointed trustees are selected with regard to the skills, knowledge and experience needed for the effective administration of the charity. New trustees will be supplied with a copy of the Trust Deed, and any amendments made to it, and a copy of the Charity's latest report and statement of accounts.

Organisational structure

The OnSide Foundation is governed by its Trustee Board which is responsible for setting the strategic direction of the organisation and the policy of the charity. The Trustees carry the ultimate responsibility for the conduct of The OnSide Foundation and for ensuring that the charity satisfies its legal and contractual obligations. The Trustees are required to hold at least two ordinary meetings each year, but other meetings may take place in the form of videoconferencing as the Trustees decide, provided that the form chosen enables the Trustees both to see and to hear each other. In reality, a total of seven meetings were held during the year ended 31 March 2023, with four held face to face and the other three held by videoconferencing. The Trustees delegate the day to day operation of the organisation to senior management of OnSide, together with an external consultant who supports the Trustee Board. The Trustee Board is independent from management.

Related parties

Transactions with related parties will be disclosed in a note to the financial statements and in accordance with Charities SORP (FRS102).

Risk management

The Trustees have considered the major risks to which the Charity is exposed and have established suitable risk management and control procedures. The risk register is presented to the Trustees for consideration at each Board Meeting. The Charity's principal risks currently relate to a potential shortage of capital funds to meet project development opportunities and the impact of a general deterioration of the wider financial climate on the ability to raise funds. There is also potential reputational damage from the poor performance or failure of a Youth Zone, inevitably a more significant risk following the recent COVID 19 pandemic. The Trustees specifically reviewed these risks in response to the onset of COVID 19 and subsequently made appropriate revisions to the Foundation's risk register. However, as noted above, in view of the strong balance sheet and liquidity position of the Foundation, the Trustees do not anticipate any major impact from the various risks (including the residual impact of COVID 19) on the Foundation's operations in the foreseeable future.

TRUSTEES' RESPONSIBILITIES IN RELATION TO FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of the Income and expenditure of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE ONSIDE FOUNDATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2023**

STATEMENT AS TO DISCLOSURE TO OUR AUDITORS

The Trustees confirm that so far as they are aware, there is no relevant audit information for which the Charity's auditors are unaware. The Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

AUDITORS

A resolution to reappoint Crowe U.K. LLP will be proposed at the Annual General Meeting.

Approved by order of the members of the board of Trustees on 7 November 2023 and signed on their behalf by:

D. Ross 

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION

Opinion

We have audited the financial statements of The Onside Foundation (the 'charity') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 legislation.

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience, through discussions with the Trustees, and from inspections of the Charities' board minutes and legal and regulatory correspondence. We discussed the policies and procedures regarding compliance with laws and regulations with the Chair.

We assessed the susceptibility of the financial statements to material misstatement, including how fraud might occur, by meeting with management from relevant parts of the business to understand where management considered there was a susceptibility to fraud. We also considered the potential for management to manage earnings and influence the perceptions of the financial statements.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be the override of controls by management and the timing of recognition of income.

Audit procedures performed by the engagement team included:

- Evaluation of the design of controls established to address the risks related to material irregularities in the financial statements; Testing manual journal entries, in particular journal entries relating to management estimates and entries determined to be large or relating to non-routine transactions.
- Evaluation of income recognition policies and any judgements made around income recognition; reviewing the income system for significant deficiencies or susceptibility to fraud;
- Challenging assumptions and judgements made by management in their significant accounting estimates;
- Agreement of the financial statement disclosures to underlying supporting documentation;
- Making enquiries of management;
- Review of minutes of board meetings throughout the period;

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations. These inherent limitations are particularly significant in the case of misstatement resulting from fraud as this may involve sophisticated schemes designed to avoid detection, including deliberate failure to record transactions, collusion or the provision of intentional misrepresentations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. General information

The OnSide Foundation is an unincorporated charity, registered in England and Wales. Further details are included in the Reference and Administrative Details page at the start of these financial statements.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The OnSide Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

They do not consider that there are any material uncertainties in respect of using the going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

2.12 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:.

The trustees consider that there are currently no significant estimates or areas of judgemental uncertainty.

Designated funds consist of the following:

Youth Zone Network Donor Fund - the Trustees have agreed to designate £619,000 of the unrestricted funds which were initially provided by two donors to underwrite support costs for OnSide Youth Zones but will now be used for grants to benefit the Youth Zone Network as specifically agreed between the donors and the Trustees.

Restricted funds consist of the following:

Individual Youth Zones - Funding to be applied solely to the specific Youth Zone listed

OnSide Youth Development - Funding to support the development of new Youth Zones.

Kensington Palace - Income generated from a fundraising dinner at Kensington Palace to support Youth Zones.

Community Match Challenge ("CMC") - DCMS match funding to ensure essential services are provided to vulnerable young people, both in the short and long term through increased community support and reduce closures of charities that provide essential services to vulnerable groups during the COVID19 crisis.

THE ONSIDE FOUNDATION

PREAMBLE FOR THE YEAR ENDED 31 MARCH 2022

This is the Preamble to The OnSide Foundation accounts. In it we, the trustees, set out the purpose of the Foundation, which is to help fund Youth Zones in the OnSide Network, in order to give young people somewhere to go, something to do and someone to talk to both now and for years to come.

The OnSide Foundation's purpose is to support the development of Youth Zones (our name for OnSide's youth clubs) across the UK. The genesis of OnSide can be traced back to three Victorian businessmen and two church ministers who established the Bolton Lads Club back in 1889 to provide young people working in factories and mills with a place to stay and something to do. Youth Zones worked then and they work today. Banish the thought of dusty table tennis tables in a church annex: our Youth Zones are purpose built, iconic buildings that are designed and equipped to make our members feel safe, valued and important. We offer twenty activities a night (there is a climbing wall, a health and well being room, a boxing ring, a nail bar, an arts & crafts room, a drama room, dance studio, a sensory room, a recording studio, a kitchen, a sports hall, and a 3G kick pitch in each Youth Zone), and we offer mentoring and coaching services too.

A new Youth Zone can signal real change in an area, and often they become valued community hubs for other organisations.

After we open a Youth Zone, the empirical evidence points to a meaningful improvement in antisocial behaviour, petty crime rates, aspirations, well being, even school attendance and attainment. The anecdotal evidence is enormous (see www.onsideyouthzones.org for some truly inspirational video testimonies and further reading).

We know how to do this.

Youth Zones are good value for money: most cost the equivalent of a coffee and biscuit per child per hour to run; that's a small price to pay to change a child's life! But the coffees and biscuits all add up and it requires significant investment if we are to take a twenty year view – which is the minimum target if we are to achieve sustainability. Far too often youth facilities are set up with the best of intentions, but they end up failing because there is no long term funding plan and once again our kids are let down.

It is sad to note that many of the original Victorian youth clubs ran out of money when the nearby mills, mines or factories closed down, whilst other clubs were passed to local councils to operate and have been subject to budget cuts and/or closure. It is therefore not difficult to see that the Achilles' heel of youth clubs has been their long term funding.

So, who is to pay? Membership fees (£5 per annum) and attendance fees (50p per visit) cover only around ten percent of running costs. So, it's not just the kids on their own. Our Youth Zones are deliberately located in areas where the need is highest. We solicit local businesses, volunteers and charities for help, and they are hugely generous – indeed, broad based community support is at the heart of our vision but, even with their help, the running costs can be a big ask of our poorest neighbourhoods. Politicians, both national and local and of all parties, have proved to be enthusiastic supporters but, as their funding may be subject to political and economic cycles, they can also struggle to be long term partners. This is the landscape for many UK charities who live a hand to mouth existence hoping to raise enough money through shaking tins one year, to fund the costs of the next. This approach to funding works to some extent but it is expensive, subject to economic downturns and discourages long term planning.

As ever, thank you for your confidence in us and we look forward to welcoming you to one of our Youth Zones very soon.

The Trustees of The OnSide Foundation

THE ONSIDE FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019).

AIMS AND ACTIVITIES

Objectives and aims

The Charity's objects are to apply funds at its discretion (including through the making of donations or grants to other charitable organisations) in order to help and educate children and young people through their leisure time activities by realising their potential in order that they may grow to full maturity as individuals and members of society and that their life chances may improve.

The scope and function of the Foundation includes receiving grants from other donors (for example, the UBS Optimus Foundation, the Garfield Weston Foundation and Goldman Sachs). External funders make their grants to the Foundation which then include such monies in a composite grant to individual Youth Zone projects that are under development (in the case of the 2021/22 accounts, this includes Hammersmith and Fulham Youth Zone, Warrington Youth Zone, Barnsley Youth Zone and Grimsby Youth Zone). Certain operating Youth Zones also received revenue donations to support their running costs. The Trustees recognise that in future years the Foundation will continue to manage the flow of funds into multiple projects.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The key criteria used to assess the success of the Foundation comprise:

- The level of funds raised to develop new and existing Youth Zones
- The ability to provide support to OnSide Youth Zones
- The extent of new openings of Youth Zones to expand the Network

In 2021/22, the Charity's main achievements were:

- Securing a total of £3m of income restricted to developing a number of new and existing Youth Zone projects across the country, as well as supporting the growth and development of OnSide Youth Zones ('OnSide') to further increase the pace and quality of its own ambitions in expanding the Network. The amounts raised during the year included the following:
 - £1,000,000 for Capital on Unspecified Youth Zones
 - £932,639 for Hammersmith and Fulham Youth Zone
 - £319,625 revenue support for various operating Youth Zones
 - £300,000 for Warrington Youth Zone
 - £300,000 for Barnsley Youth Zone
 - £133,500 for Barking and Dagenham Youth Zone
 - £88,274 for Grimsby Youth Zone
 - £83,500 for Barnet Youth Zone
 - £83,500 for Croydon Youth Zone
- Providing OnSide (Charity No. 1125893 Company No. 06591785) with support totalling £2.1m to allow the charity to continue the development of the existing Youth Zone Network.

The extent of support provided to OnSide was in line with our plans and, although no specific target is set for the total funds raised, the level achieved was broadly in line with expectations.

The opening of the Warrington Youth Zone – originally expected for 2021/22 - was delayed, primarily due to Covid-19, but this finally took place in July 2022.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

FINANCIAL REVIEW

Investment powers and policy

Under the Trust Deed, the Charity has the power to deposit or invest funds in a manner which the trustees see fit. Investments are made where required to further the aims and objects of the charity. During the year, the Charity continued to hold specific managed investments to be held for the medium to long term and a further £2m of surplus unrestricted funds were allocated to those investments in 2021/22, such that the total amount invested to date is £4.5m. By 31 March 2022, these investments had risen in value to £5.66m. A documented investment policy has been agreed by the Trustees and a Foundation Investment Committee (now comprising Mr.W.R. Warburton and Mr.W.G.R. Lees-Jones) was established in May 2018. The Investment Committee met once formally during the year ended 31 March 2022 but have held informal discussions on a regular basis. In the future it is still envisaged that a significant proportion of the Foundation's assets will be held in cash in order to meet the Charity's commitments to fund the building of new Youth Zones and support the existing Network. The Foundation will manage any medium term investment risk by placing a strong emphasis on manager selection and monitoring and investing for the longer term, over the course of a business cycle. There is no specific benchmark or target return for these investments other than to achieve a satisfactory performance over the medium term.

Reserves policy

The Trustees have established a reserves policy, in line with Charities Commission guidance, which appropriately reflects the risks to which the Charity is exposed. In compliance with this policy, the Trustees review, at least on an annual basis, the sum which they wish to hold in unrestricted funds and the basis for that figure. The reserves policy considers ongoing fixed costs, possible unforeseen capital and revenue funding requirements and potential fluctuations in longer term investment balances and income. It does not consider expenditure linked to restricted projects which are covered by restricted funds. As part of this policy, the Trustees may also, from time to time, designate specific amounts of unrestricted funds for particular purposes such as commitments to support the running costs of OnSide, such that 'free reserves' are reduced.

At 31 March 2022 total unrestricted funds (excluding designated items) were £8.12m. However, as noted above, £5.66m of unrestricted funds related to specific managed investments, to be held for the medium to long term, to meet the Foundation's longer term requirements. In addition, since the year end further sums have been committed by way of further support to OnSide, albeit underpinned by anticipated contributions from major donors. This effectively leaves free reserves in the form of liquid funds of approximately £2.5m, which is broadly in line with what the Trustees believe to be the current minimum requirements.

Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

Financial position

A summary of the income and expenditure for the year ended 31 March 2022 is as follows:

The Foundation generated total income of £3.67m (including unrealised investment gains of £0.41m) in 2021/22 and incurred expenditure of £5.67m during the year, resulting in a net deficit of £2.00m. Closing fund balances at 31 March 2022 totalled £12.86m, of which £7.39m was represented by cash balances.

Principal funding sources (and fundraising statement)

The Trustees record their thanks to all those grant funders who have made donations, or cited their commitment, to support the work of the Charity. The generosity and confidence demonstrated by those individuals and organisations backing The OnSide Foundation and OnSide is a huge source of encouragement for all involved in the Charity. Special thanks are extended to strategic funders who committed capital and revenue funding this year, which included the Carter Family and John Roberts (in partnership with UBS Optimus Foundation), together with the Holroyd Foundation, the Garfield Weston Trust, Goldman Sachs Giving, ASOS and the SJP Charitable Foundation.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

The Foundation's fundraising activities are carried out by OnSide on its behalf. The approach to fundraising and compliance with fund raising regulations and code of practice are set out in OnSide's Trustees' Report and Financial Statements.

PLANS FOR FUTURE PERIODS

In the period subsequent to 31 March 2022, The OnSide Foundation has already, or aims in the future, to:

- Complete the grant offers to approved Youth Zone projects including those in Warrington, Hammersmith and Fulham, Grimsby and Barnsley.
- Work with OnSide and its supporters in order to secure further capital funds for the expansion of the OnSide Youth Zones Network;
- Develop and implement Grant Agreements with future Youth Zones in order to strengthen the relationship between The OnSide Foundation and future Youth Zones for the benefit of the OnSide Network of Youth Zones and the young people they serve;
- Explore opportunities to secure funds that may be applied, by way of grant, by the Trustees towards the revenue requirements of Youth Zones in the OnSide Network.

In July 2022, the Trustees launched The OnSide Foundation Impact Fund ('the Impact Fund') which will be available for the making of grants, to individual youth zones or Network wide collaborations, to support capital or revenue projects that grow and improve the OnSide Network's offer to young people. It is intended that the Impact Fund will utilise approximately £7m of the Foundation's existing unrestricted funds, with grants to be made over the period January 2023 to December 2026 (or until the Impact Fund is depleted).

PUBLIC BENEFIT AND VOLUNTEERS' CONTRIBUTION

Public Benefit

All the activities of the Charity (as summarised above) were undertaken to further its charitable purposes for public benefit.

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Volunteers

Throughout the period all members of the board of Trustees made valuable voluntary contributions to the Charity's work in terms of governance, professional and business experience, financial planning, fundraising and leading initiatives. Such contributions were, on average, equivalent to one full day each calendar month.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The OnSide Foundation is an unincorporated charitable trust (Charity No. 1157252) currently with three trustees: Ross Warburton (Chair), Bill Holroyd and Will Lees-Jones. The charity is governed by its Trust Deed dated 24 March 2014. Management of the Charity's affairs is vested in the Trustees. Nick Sleep resigned as Trustee on 28 January 2022. We would like to extend our sincere thanks to Nick for his excellent service since joining the Board in 2018.

Recruitment and appointment of trustees

New trustees will be recruited according to the needs of the charity and the suitability of possible candidates. A unanimous approval of existing Trustees would lead to their appointment.

The Trust Deed states that the number of trustees shall have no maximum and shall not be less than three. As set out in the Trust Deed, no business shall be conducted at a meeting of the trustees unless they are present throughout the meeting: a quorum of at least two trustees is required.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Trustees' induction and training

Newly appointed trustees are selected with regard to the skills, knowledge and experience needed for the effective administration of the charity. New trustees will be supplied with a copy of the Trust Deed, and any amendments made to it, and a copy of the Charity's latest report and statement of accounts.

Organisational structure

The OnSide Foundation is governed by its Trustee Board which is responsible for setting the strategic direction of the organisation and the policy of the charity. The Trustees carry the ultimate responsibility for the conduct of The OnSide Foundation and for ensuring that the charity satisfies its legal and contractual obligations. The Trustees are required to hold at least two ordinary meetings each year, but other meetings may take place in the form of videoconferencing as the Trustees decide, provided that the form chosen enables the Trustees both to see and to hear each other. In reality, a total of six meetings were held during the year ended 31 March 2022, with all but one held by videoconferencing due to Covid-19 restrictions. The Trustees delegate the day to day operation of the organisation to senior management of OnSide, together with an external consultant who supports the Trustee Board. The Trustee Board is independent from management.

Related parties

Transactions with related parties will be disclosed in a note to the financial statements and in accordance with Charities SORP (FRS102).

Risk management and COVID 19

The Trustees have considered the major risks to which the Charity is exposed and have established suitable risk management and control procedures. The risk register is presented to the Trustees for consideration at each Board Meeting. The Charity's principal risks currently relate to a potential shortage of capital funds to meet project development opportunities and the impact of a general deterioration of the wider financial climate on the ability to raise funds. There is also potential reputational damage from the poor performance or failure of a Youth Zone, inevitably a more significant risk in the recent COVID 19 pandemic. The Trustees have specifically reviewed these risks in response to the onset of COVID 19 and subsequently made appropriate revisions to the Foundation's risk register. However, as noted above, in view of the strong balance sheet and liquidity position of the Foundation, the Trustees do not anticipate any major impact from COVID 19 on the Foundation's operations in the foreseeable future.

TRUSTEES' RESPONSIBILITIES IN RELATION TO FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of the Income and expenditure of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

THE ONSIDE FOUNDATION

**TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2022**

STATEMENT AS TO DISCLOSURE TO OUR AUDITORS

The Trustees confirm that so far as they are aware, there is no relevant audit information for which the Charity's auditors are unaware. The Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

AUDITORS

A resolution to reappoint Crowe U.K. LLP will be proposed at the Annual General Meeting.

Approved by order of the members of the board of Trustees and signed on their behalf by:

W R Warburton MBE

Trustee

Date: 5/12/2022

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION

Opinion

We have audited the financial statements of The Onside Foundation (the 'charity') for the year ended 31 March 2022 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditor's Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 legislation.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be the override of controls by management. Our audit procedures to respond to these risks included enquiries of management about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals and reviewing accounting estimates for biases.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the charity's shareholders, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's shareholders those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. General information

The OnSide Foundation is an unincorporated charity, registered in England and Wales. Further details are included in the Reference and Administrative Details page at the start of these financial statements.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 October 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Onside Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, and despite the impact of COVID19, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

They do not consider that there are any material uncertainties in respect of using the going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

2. Accounting policies (continued)

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.10 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

2.12 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The trustees consider that there are currently no significant estimates or areas of judgemental uncertainty.

17. Related party transactions

During the year the Charity received donations without conditions amounting to £Nil from other charities which share trustees with the Foundation (2021: £300,000).

During the year the Charity made grants to OnSide Youth Zones, a charity which has a number of trustees in common with the Foundation. The value of grants paid in the year was £2,088,375 (2021: £2,979,510).

In accordance with best practice pertaining to related party transactions published by the Charities Commission and following legal advice, where a conflict of interest was perceived to exist, trustees recused themselves from voting.

THE ONSIDE FOUNDATION

PREAMBLE FOR THE YEAR ENDED 31 MARCH 2021

This is the Preamble to the OnSide Foundation accounts. In it we, the Trustees, set out the purpose of the Foundation, which is to help fund OnSide Youth Zones over the long-term, in order to give young people somewhere to go, something to do and someone to talk to both now and for years to come.

The OnSide Foundation's purpose is to support the development of Youth Zones (our name for OnSide's youth clubs) across the UK. The genesis of OnSide can be traced back to three Victorian businessmen and two church ministers who established the Bolton Lads Club back in 1889 to provide young people working in factories and mills with a place to stay and something to do. Youth Zones worked then and they work today. Banish the thought of dusty table tennis tables in a church annex: our Youth Zones are purpose built, iconic buildings that are designed and equipped to make our members feel safe, valued and important. We offer twenty activities a night (there is a climbing wall, a health and well-being room, a boxing ring, a nail bar, an arts & crafts room, a drama room, dance studio, a sensory room, a recording studio, a kitchen, a sports hall, and a 3G kick pitch in each Youth Zone), and we offer mentoring and coaching services too.

A new Youth Zone can signal real change in an area, and often they become valued community hubs for other organisations.

After we open a Youth Zone, the empirical evidence points to a meaningful improvement in antisocial behaviour, petty crime rates, aspirations, well-being, even school attendance and attainment. The anecdotal evidence is enormous (see www.onsideyouthzones.org for some truly inspirational video testimonies and further reading).

We know how to do this.

Youth Zones are good value for money: most cost the equivalent of a coffee and biscuit per child per hour to run; that's a small price to pay to change a child's life! But the coffees and biscuits all add up and it requires significant investment if we are to take a twenty-year view – which is the minimum target if we are to achieve sustainability. Far too often youth facilities are set up with the best of intentions, but they end up failing because there is no long-term funding plan and once again our kids are let down.

It is sad to note that many of the original Victorian youth clubs ran out of money when the nearby mills, mines or factories closed down, whilst other clubs were passed to local councils to operate and have been subject to budget cuts and/or closure. It is therefore not difficult to see that the Achilles' heel of youth clubs has been their long-term funding.

So, who is to pay? Membership fees (£5 per annum) and attendance fees (50p per visit) cover only around ten percent of running costs. So, it's not just the kids on their own. Our Youth Zones are deliberately located in areas where the need is highest. We solicit local businesses, volunteers and charities for help, and they are hugely generous – indeed, broad-based community support is at the heart of our vision – but, even with their help, the running costs can be a big ask of our poorest neighbourhoods. Politicians, both national and local and of all parties, have proved to be enthusiastic supporters but, as their funding may be subject to political and economic cycles, they can also struggle to be long-term partners. This is the landscape for many UK charities who live a hand-to-mouth existence hoping to raise enough money through shaking tins one year, to fund the costs of the next. This approach to funding works to some extent but it is expensive, subject to economic downturns and discourages long-term planning.

Our goal is to create a UK wide Youth Zone network which will last. The OnSide Foundation will be a useful tool in meeting that goal and, whilst building a Foundation that is big enough to meaningfully support a hundred Youth Zones will take many years, we are taking the first steps toward doing so now. It will require the confidence, grace and generosity of many people and, as Foundations are relatively unusual in the UK, it may feel a little like being part of a counter-cultural movement. We hope to attract not just the wealthy but everyone who, like us, wish to put their excess savings to work doing something rational and worthwhile. This may be the road less travelled but it will be well worth the effort. In the end, we will have given OnSide a solid financial footing from which we can transform the futures of young people across the UK for years to come. Our kids deserve nothing less.

THE ONSIDE FOUNDATION

**PREAMBLE (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021**

As ever, thank you for your confidence in us and we look forward to welcoming you to one of our Youth Zones very soon.

The Trustees of the OnSide Foundation

THE ONSIDE FOUNDATION

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their report with the financial statements of the charity for the year ended 31 March 2021. The Trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

AIMS AND ACTIVITIES

Objectives and aims

The Charity's objects are to apply funds at its discretion (including through the making of donations or grants to other charitable organisations) in order to help and educate children and young people through their leisure time activities by realising their potential in order that they may grow to full maturity as individuals and members of society and that their life chances may improve.

The scope and function of the Foundation includes receiving grants from other donors (for example, the UBS Optimus Foundation). Alongside this, the Foundation has aspirations to raise a significant capital sum which the Trustees of the Foundation will be free to apply, by way of grant, at their discretion. External funders make their grants to the Foundation which then includes such monies in a composite grant to individual Youth Zone projects that are under development (in the case of the 2020/21 accounts, this includes Hammersmith and Fulham Youth Zone, Warrington Youth Zone and Grimsby Youth Zone). Certain operating Youth Zones also received revenue donations to support their running costs. The Trustees recognise that in future years the Foundation will continue to manage the flow of funds into multiple projects.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

The key criteria used to assess the success of the Foundation comprise:

- The level of funds raised to develop new and existing Youth Zones
- The ability to provide support to OnSide Youth Zones
- The extent of new openings of Youth Zones to expand the network

In 2020/21, the Charity's main achievements were:

- Securing a £6m grant from the Secretary of State for Digital, Culture, Media and Sport ('DCMS') as part of The Community Match Challenge Fund for expenditure by OnSide and the various individual Youth Zones on COVID19 related activities. This was to respond to the needs of the most vulnerable young people to deal with the short term impact of the pandemic and to ensure that essential services continued to be provided through OnSide's network of Youth Zones. The grant was provided on the condition that the Foundation, OnSide and the Youth Zones obtained pledges for philanthropic funding of an equivalent amount.
- Securing a further £7m of income restricted to developing a number of new and existing Youth Zone projects across the country, as well as supporting the growth and development of OnSide Youth Zones ('OnSide') to further increase the pace and quality of its own ambitions in expanding the network. The following specific amounts were raised in respect of the Youth Zones during the year:
 - £1,998,750 for Hammersmith and Fulham Youth Zone
 - £610,000 for Warrington Youth Zone
 - £233,250 for Barnet Youth Zone
 - £185,782 for Grimsby Youth Zone
 - £126,250 for Barking and Dagenham Youth Zone
 - £123,251 for Croydon Youth Zone
 - £100,000 for Bolton Lads and Girls Club
 - £142,674 revenue support for various operating Youth Zones

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

- Providing OnSide Youth Zone (Charity No. 1125893 Company No. 06591785) with support totalling £2.98m to allow the charity to continue the development of the existing Youth Zone network, including £500,000 for a COVID19 related emergency fund and £565,000 in relation to the Community Match Challenge noted above.
- Opening one new Youth Zone during the year in Manchester East.

The extent of new Youth Zone openings and support provided to OnSide Youth Zones were in line with our plans and, although no specific target is set for the total funds raised, the level achieved was broadly in line with expectations, with the exception of the additional DCMS funds.

It is a testament to the resilience and flexibility of the staff and organisational systems of OnSide and the Youth Zone network that we have been able to continue to provide these essential services during the COVID19 pandemic.

FINANCIAL REVIEW

Investment powers and policy

Under the Trust Deed, the Charity has the power to deposit or invest funds in a manner which the trustees see fit. Investments are made where required to further the aims and objects of the charity. During the year, the Charity held a number of specific management investments, as well as cash on deposit with several banks. A documented investment policy has been agreed by the Trustees and the Foundation Investment Committee (comprising Mr. W. R. Warburton and Mr. N. Sleep) was established in May 2018. The Investment Committee met once formally during the year ended 31 March 2021 but have held informal discussions on a regular basis. In the future it is still envisaged that a significant proportion of the Foundation's assets will be held in cash in order to meet the Charity's commitments to fund the building of new Youth Zones and support the existing network. However, during the year, £2.5m has been allocated to specific managed investments to be held for the medium to long term and by 31 March 2021 these investments had risen in value to £3.25m. The Foundation will manage any related investment risk by placing a strong emphasis on manager selection and monitoring and investing for the longer term, over the course of a business cycle. There is no specific benchmark or target return for these investments other than to achieve a real return over the longer term.

Reserves policy

The Trustees have established a reserves policy, in line with Charities Commission guidance, which appropriately reflects the risks to which the Charity is exposed. In compliance with this policy, the Trustees review, at least on an annual basis, the sum which they wish to hold in unrestricted funds and the basis for that figure. The reserves policy considers ongoing fixed costs, possible unforeseen capital and revenue funding requirements and potential fluctuations in longer term investment balances and income. It does not consider expenditure linked to restricted projects which are covered by restricted funds. As part of this policy, the Trustees may also, from time to time, designate specific amounts of unrestricted funds for particular purposes such as commitments to support the running costs of OnSide, such that 'free reserves' are reduced. At 31 March 2021 total unrestricted funds (excluding designated items) were £7.91m. However, as noted above, £3.25m of unrestricted funds related to specific managed investments, to be held for the medium to long term, to meet the Foundation's longer term requirements. In addition, further sums of £1.86m have been committed by way of support to OnSide. This effectively leaves free reserves in the form of liquid funds of £2.8m, which is broadly in line with what the Trustees believe to be the current minimum requirements.

Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, and despite the impact of COVID19, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

Financial position

A summary of the income and expenditure for the year ended 31 March 2021 is as follows:

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

The Foundation generated total income of £13.41m (including unrealised investment gains of £0.75m) in 2020/21 and incurred expenditure of £12.42m during the year, resulting in a net surplus of £0.98m. Closing fund balances at 31 March 2021 totalled £14.86m, of which £11.62m was represented by cash balances.

Principal funding sources (and fundraising statement)

The Trustees record their thanks to all those grant funders who have made donations, or cited their commitment, to support the work of the Charity. The generosity and confidence demonstrated by those individuals and organisations backing The OnSide Foundation and OnSide is a huge source of encouragement for all involved in the Charity. Special thanks are extended to strategic funders who committed project specific capital and revenue funding this year, which included the Seroussi Foundation, John Roberts, the Maria Marina Foundation and the Carter Family (all in partnership with UBS Optimus Foundation).

The Foundation's fundraising activities are carried out by OnSide on its behalf. The approach to fundraising and compliance with fund raising regulations and code of practice are set out in OnSide's Trustees' Report and Financial Statements.

PLANS FOR FUTURE PERIODS

In the period subsequent to 31 March 2021, The OnSide Foundation has already, or aims in the future, to:

- Complete the grant offers to approved Youth Zone projects including those in Warrington, Hammersmith and Fulham and Grimsby.
- Work with OnSide and its supporters in order to secure further capital funds for the expansion of the OnSide Youth Zones network;
- Develop and implement Grant Agreements with future Youth Zones in order to strengthen the relationship between The OnSide Foundation and future Youth Zones for the benefit of the OnSide network of Youth Zones and the young people they serve;
- Explore opportunities to secure funds that may be applied, by way of grant, by the Trustees towards the revenue requirements of Youth Zones in the OnSide network.

PUBLIC BENEFIT AND VOLUNTEERS' CONTRIBUTION

Public Benefit

All the activities of the Charity (as summarised above) were undertaken to further its charitable purposes for public benefit.

The Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission.

Volunteers

Throughout the period all members of the board of Trustees made valuable voluntary contributions to the Charity's work in terms of governance, professional and business experience, financial planning, fundraising and leading initiatives. Such contributions were, on average, equivalent to one full day each calendar month.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The OnSide Foundation is an unincorporated charitable trust (Charity No. 1157252) currently with three trustees; Ross Warburton, Bill Holroyd and Nick Sleep. Ross Warburton took over the Chair from Bill Holroyd during the year. Bill Ainscough resigned as a Trustee on 9 June 2021. We would like to extend our sincere thanks to Bill for his excellent service for more than 10 years since joining the Board as a founding trustee. The charity is governed by its Trust Deed dated 24 March 2014. Management of the Charity's affairs is vested in the Trustees.

Recruitment and appointment of trustees

New trustees will be recruited according to the needs of the charity and the suitability of possible candidates. A unanimous approval of existing Trustees would lead to their appointment.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

The Trust Deed states that the number of trustees shall have no maximum and shall not be less than three. As set out in the Trust Deed, no business shall be conducted at a meeting of the trustees unless they are present throughout the meeting: a quorum of at least two trustees is required.

Trustees' induction and training

Newly appointed trustees are selected with regard to the skills, knowledge and experience needed for the effective administration of the charity. New trustees will be supplied with a copy of the Trust Deed, and any amendments made to it, and a copy of the Charity's latest report and statement of accounts.

Organisational structure

The OnSide Foundation is governed by its Trustee Board which is responsible for setting the strategic direction of the organisation and the policy of the charity. The Trustees carry the ultimate responsibility for the conduct of The OnSide Foundation and for ensuring that the charity satisfies its legal and contractual obligations. The Trustees are required to hold at least two ordinary meetings each year, but other meetings may take place in the form of videoconferencing as the Trustees decide, provided that the form chosen enables the Trustees both to see and to hear each other. In reality, a total of nine meetings were held during the year ended 31 March 2021, although all were held by videoconferencing due to COVID19 restrictions. The Trustees delegate the daytoday operation of the organisation to senior management of OnSide together with an external consultant who supports the Trustee Board. The Trustee Board is independent from management.

Related parties

Transactions with related parties will be disclosed in a note to the financial statements and in accordance with Charities SORP (FRS102).

Risk management and COVID19

The Trustees have considered the major risks to which the Charity is exposed and have established suitable risk management and control procedures. The risk register is presented to the Trustees for consideration at each Board Meeting. The Charity's principal risks currently relate to a potential shortage of capital funds to meet project development opportunities and the impact of a general deterioration of the wider financial climate on the ability to raise funds. There is also potential reputational damage from the poor performance or failure of a Youth Zone inevitably a more significant risk in the current COVID19 pandemic. The Trustees have specifically reviewed these risks in response to COVID19 and made appropriate revisions to the Foundation's risk register. However, as noted above, in view of the strong balance sheet and liquidity position of the Foundation, the Trustees do not anticipate any major impact from COVID19 on the Foundation's operations in the foreseeable future.

TRUSTEES' RESPONSIBILITIES IN RELATION TO FINANCIAL STATEMENTS

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust Deed require the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charity and of the Income and expenditure of the Charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

THE ONSIDE FOUNDATION

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE TO OUR AUDITORS

The Trustees confirm that so far as they are aware, there is no relevant audit information for which the Charity's auditors are unaware. The Trustees have taken all the steps that they ought to have taken as Trustees in order to make themselves aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

AUDITORS

Crowe U.K. LLP were appointed as auditors in the year. A resolution to reappoint Crowe U.K. LLP will be proposed at the Annual General Meeting.

Approved by order of the members of the board of Trustees on 28 July 2021 and signed on their behalf by:

WR Warburton MBE

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION

Opinion

We have audited the financial statements of The Onside Foundation (the 'charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

The financial statements have been prepared in accordance with Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standards applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

This has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Auditor's Report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Trustees' Report is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

THE ONSIDE FOUNDATION

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE ONSIDE FOUNDATION (CONTINUED)

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We obtained an understanding of the legal and regulatory frameworks within which the charity operates, focusing on those laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements. The laws and regulations we considered in this context were the Charities Act 2011 legislation.

We identified the greatest risk of material impact on the financial statements from irregularities, including fraud, to be the override of controls by management. Our audit procedures to respond to these risks included enquiries of management about their own identification and assessment of the risks of irregularities, sample testing on the posting of journals and reviewing accounting estimates for biases.

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditor's Report.

Use of our report

This report is made solely to the charity's shareholders, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's shareholders those matters we are required to state to them in an Auditor's Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity and its trustees, as a body, for our audit work, for this report, or for the opinions we have formed.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. General information

The OnSide Foundation is an unincorporated charity, registered in England and Wales. Further details are included in the Reference and Administrative Details page at the start of these financial statements.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Onside Foundation meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Going concern

In preparing the financial statements, the Trustees are responsible for assessing the Charity's ability to continue as a going concern. In light of the Foundation's strong balance sheet and liquidity position, and despite the impact of COVID19, the Trustees are confident that the Charity will be able to operate for the foreseeable future and, therefore, have prepared the financial statements on a going concern basis.

They do not consider that there are any material uncertainties in respect of using the going concern basis.

2.3 Income

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.5 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of Financial Activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of Financial Activities as the related expenditure is incurred.

2.6 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.7 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance Sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of Financial Activities.

2.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

THE ONSIDE FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

2.11 Financial instruments

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Designated funds comprise unrestricted funds that have been set aside by the Trustees for particular purposes. The aim and use of each designated fund is set out in the notes to the financial statements.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The trustees consider that there are currently no significant estimates or areas of judgemental uncertainty.

	<u>906,887</u>	<u>11,718,086</u>	<u>12,624,973</u>

A £6m grant was awarded by the Secretary of State for Digital, Culture, Media and Sport ('DCMS') as part of The Community Match Challenge Fund for expenditure by OnSide and the various individual Youth Zones on COVID19 related activities. This was to respond to the needs of the most vulnerable young people to deal with the short term impact of the pandemic and to ensure that essential services continued to be provided through OnSide's network of Youth Zones. The grant was provided on the condition that the Foundation, OnSide and the Youth Zones obtained pledges for philanthropic funding of an equivalent amount.

20. Related party transactions

During the year the Charity received donations without conditions amounting to £300,000 from other charities which share trustees with the Foundation (2020: £nil).

During the year the Charity made grants to OnSide Youth Zones, a charity which has a number of trustees in common with the Foundation. The value of grants paid in the year was £2,979,510 (2020: £2,685,500).

In accordance with best practice pertaining to related party transactions published by the Charities Commission and following legal advice, where a conflict of interest was perceived to exist, trustees recused themselves from voting.
