### Summary of the objects of the charity set out in its governing document

To advance education for the public benefit in the art and science of music, through historically aware musical performances via concerts, recitals and other means, and also thereby to promote the public's appreciation of music.

The trustees of Vintage Music have constant regard to the charitable objectives of the charity and the need and desirability to bring about public benefit through its activities. These will inform their plans for the future activities of Vintage Music.

There were no activities of the charity during 2024.

It is hoped to hold further concerts showcasing a rarely-heard and newly-restored 1825 Broadwood piano; this will further the charitable objective to hold historically-aware performances.
