Bell House Dulwich

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2021.

Trustees

P A Hanton

D R H Evans

A T Hanton

F D Hanton (appointed 13 February 2021)

Objectives and activities

Objects and aims

The charity's object and principal activities are to advance education in any part of the world.

The aim of the charity is for Bell House to offer support for dyslexia and other learning differences and to provide enrichment through learning beyond the school curriculum and beyond school age.

Objectives, strategies and activities

The charity is able to offer short courses and learning events including support for dyslexia and other learning differences.

Public benefit

The charity's main activity is educational offering courses and support for all age groups.

The trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the charity's aims and objectives and in planning future activities.

Achievements and performance

Bell House Dulwich has successfully grown due to the hard work of the many volunteers who run the charity. We have established a series of new talks and events using online platforms and this has allowed us to extend our reach as well as creating opportunity for many who would struggle physically to get to the house. This has included dyslexia-related events, and talks about nature and sustainability. The Bell House Quilting Academy and Bell House Film Group continue to be successful and a new pottery group has been started which will use the new pottery workshop once that has been built.

In the garden, the volunteer gardening has helped many people to get exercise and to combat loneliness. We raised funds for a nature pond and the process of making the garden more nature-friendly and educational.

In making the house more sustainable there has been a great deal of work done - such as installing a carbon-free Ground Source Heat Pump heating system.

Financial review

Policy on reserves

The trustees have examined the charity's requirements for reserves in light of the main risks to the organisation. The trustees will continue to review the financial affairs of the charity with the aim to increase income, cut costs and to improve overall control of its operations. The trustees consider that the present level of funding will be adequate to support the continuation of the charity and for it to fulfil its obligations.

Bell House Dulwich

Trustees' Report

Going concern

The charity has reviewed its financial performance and general reserves position. The charity has adequate financial resources and is able to manage its business risks. The charity's planning process has taken into consideration the current economic climate and its potential impact on the various sources of income and planned expenditure.

The trustees have assessed the impact of the Covid-19 virus and has evaluate the potential outcome on the charity's activities. However, taking into account all factors the charity has reasonable expectation that it has adequate resources to continue in operational existence for the foreseeable future and believe that there are no material uncertainties that call into question the charity's ability to continue in operation. Accordingly, the accounts have been prepared on the basis that the charity is a going concern.

Structure, governance and management

Nature of governing document

The charity is governed by a memorandum and articles of association and is limited by guarantee and has no share capital.

Recruitment and appointment of trustees

All directors of the company are also trustees of the charity, and there are no other trustees. The Board has the power to appoint additional trustees as it considers fit to do so.

None of the trustees has any beneficial interest in the charity.

Induction and training of trustees

Potential trustees are selected on the basis of their personal qualities and familiarity with the operations of the charity. New trustees are made familiar with the charity vision, operation and goals by dialogue with existing personnel and provision of minutes and other literature pertaining to charity activity.

Organisational structure

The charity is organised so that the trustees meet regularly to manage its affairs. The charity is overseen by the trustees and a strategy and management committee, supported by volunteers. The charity operates from its premises in Dulwich, London.

Key strategic and administrative decisions are made by agreement of the trustees.

Financial instruments

Objectives and policies

The trustees actively review the major risks that the charity faces on a regular basis and believe that maintaining reserves at current levels, combined with the annual review of the controls over key financial systems, will provide sufficient resources in the event of adverse conditions. The trustees have also examined other operational and business risks faced by the charity and confirm that they have established systems to mitigate the significant risks.

Bell House Dulwich

Trustees' Report

The annual report was approved by the trustees of the charity on 23 September 2022 and signed on its behalf by:

A.T. Hanton

A T Hanton
Trustee

Bell House Dulwich

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Bell House Dulwich for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations. The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 23 September 2022 and signed on its behalf by:

A T Hanton
Trustee

Bell House Dulwich

Independent Examiner's Report to the trustees of Bell House Dulwich ("the Company")

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Bell House Dulwich are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Bell House Dulwich as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the financial year ending 31 December 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the charity to obtain an audit of its accounts for the year in question in accordance with section 476; and
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.

These financial statements have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006.

The financial statements on pages 7 to 21 were approved by the trustees, and authorised for issue on 23 September 2022 and signed on their behalf by:

A T Hanton
Trustee

The notes on pages 10 to 21 form an integral part of these financial statements.

Bell House Dulwich

Notes to the Financial Statements for the Year Ended 31 December 2021

1 Charity status

The charity is limited by share capital, incorporated in England & Wales.

The address of its registered office is:

Bell House
27 College Road
Dulwich
London
SE21 7BG

These financial statements were authorised for issue by the trustees on 23 September 2022.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Bell House Dulwich meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The financial statements have been prepared on a going concern basis. The trustees have considered the relevant information, including the future cash flows and the impact of subsequent events in making their assessment. The Covid-19 pandemic and the ensuing economic shutdown have had a significant impact on the charity's operations.

The charity has significant reserves to facilitate any deficits that would arise from the future impact of Covid-19.

Based on these assessments and having regard to the resources available, the trustees have concluded that there is no material uncertainty and that they can continue to adopt the going concern basis in the financial statements.

Bell House Dulwich

Notes to the Financial Statements for the Year Ended 31 December 2021

Judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Buildings are depreciated over their remaining useful economic lives, taking into account residual value. Land apportionment is estimated. The remaining useful economic life of an asset and any residual value are assessed annually by the trustees.

Income and endowments

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Donations and legacies

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

Bell House Dulwich

Notes to the Financial Statements for the Year Ended 31 December 2021

Tangible fixed assets

Individual fixed assets costing £500.00 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Freehold land is not depreciated as it is considered to have an indefinite useful life.

Buildings are depreciated over a maximum period of 50 years. The remaining expected life of buildings is reviewed annually by the trustees and, where material, the accumulated and future depreciation is adjusted.

Building refurbishments are depreciated over the remaining expected life of the building

Asset class	Depreciation method and rate
Fixture and fittings	15% reducing balance
Office equipment	20% straight line
Plant and machinery	25% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs.

Investment properties

Investment property (land) is carried at fair value, derived from the current market prices for comparable real estate. The valuers use observable market prices, adjusted if necessary for any difference in the nature, location or condition of the specific asset. Changes in fair value are recognised in profit or loss.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Trade debtors

Trade debtors are amounts due from customers for rents owed and cash balances held with the company's stockbroker.

Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the charity will not be able to collect all amounts due according to the original terms of the receivables.

Bell House Dulwich

Notes to the Financial Statements for the Year Ended 31 December 2021

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Foreign exchange

Foreign currency transactions are initially recorded in the functional currency, by applying the spot exchange rate as at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the exchange rate ruling at the reporting date, with any gains or losses being taken to the statement of financial activities.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

Financial instruments

Classification

The company only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

3 Income from donations and legacies
