Who We Are

Transforming Lives Together is a locally based 'faith in action', people-driven, passionate advocate for social justice. We aim to bring people together by stimulating and supporting church social action to help communities flourish and thrive in the Chester Diocese.

We are an independent charity working with Chester Cathedral and Chester Diocese with whom we have a creative and effective partnerships meeting our joint aims of physical and spiritual transformation. Transforming Lives Together is also part of the Church Urban Fund Together Network of 21 related faith-based charities across England, linked by faith and driven to tackle poverty, loneliness and social inequality. Being part of the Together Network gives national support to local action, helping to link churches and other community organisations by providing resources, signposting and support.

What We Do

Outreach work is made possible by focussing on Asset Based Community Development (ABCD). This encourages local churches to engage with their communities by knowing who they are and responding to local social needs. These fulfil our aim to bring about community engagement and change through mobilisation of people within local churches over the diverse urban and rural diocesan footprint.

In generating church and people-led social action we especially work to respond to food poverty and social isolation issues. Our projects strengthen children's wellbeing, family resilience and bring diverse communities together; combating child holiday hunger and adult loneliness. We build meaningful relationships between people and their communities, fostering stronger bonds and supportive social networks. Inspired by our Christian values, all the projects and services we provide in communities are open to people from all backgrounds, regardless of their beliefs.

Why We Do It

Transforming Lives Together does its charitable work because it wants to see all people and their communities flourish and enjoy life in all its fullness, with those in poverty having a better chance of realising their unique gifts and potential. Our work is based on God's command to 'Love thy neighbour'.

In setting out our objectives and planning our activities, the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit.

Our Vision

To transform lives and communities through the work of every church across our region, working in and alongside their local community, by tackling poverty in all its forms. TLT aims to inspire, equip and enable churches to tackle poverty, loneliness and social inequality through social action projects and thus enable communities to thrive.

Our Aims

Our aims are to achieve the Vision by:

- partnering with churches to catalyse a movement to tackle poverty, loneliness and social inequality
- providing a framework for good practice
- building relationships with churches and other organisations and charities to foster local engagement within communities

This how we intend to meet our Aims:

- provide long term and sustainable partnerships and guidance for churches and Christians working alongside people profoundly affected by poverty
- enable churches to recognise and utilise the community assets available to them
- assist churches in accessing funds which encourages self-sustainability
- enable churches to articulate and celebrate what they are doing
- use the diversity within the diocese to connect church communities to encounter each other and work collaboratively
- provide access to resources, for example for theological reflection, and tool kits that equip churches for action
- enable access to training courses, for example mental health awareness or food safety
- raise awareness of poverty by providing information about the nature and impact of poverty and sharing stories of transformation and models of good practice
- be an advocate for churches and tell the truth about poverty and wealth and promote a new way of living and acting

Finance Review

After the relaunch in 2021 a second community worker was recruited in 2022. A principal donor has committed £25,000 pa which together with several other unrestricted donations, make the total of £45,115 which means the future of TLT is secured for a minimum of the next two years. Other restricted funds of £67,732 were received and distributed to food banks and similar organisations for the relief of food poverty and to support social loneliness and mental health issues. The security of the funding enabled the trustees to employ a part time administrator in 2022.
