**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
ROSEMARY ALMSHOUSE**

Independent examiner's report to the trustees of Rosemary Almshouse

I report to the charity trustees on my examination of the accounts of Rosemary Almshouse (the Trust) for the year ended 31 December 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2023**

1. TRANSFER OF ENGAGEMENTS

On 6 October 2015 the activities, assets and liabilities of The Rosemary Almshouse Charity (Charity Registration Number 228178) were transferred to this Charity.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception that housing properties are included at valuation and investments are included at market value.

Fund Accounting

Unrestricted funds are available to spend on activities that further any of the purposes of Charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are funds which the donor has specified are to be used solely for a particular purpose. Permanent endowment funds are non-expendable funds which are normally held indefinitely. Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Going concern

The accounts are prepared on a going concern basis as there are no material uncertainties about the Charity's ability to continue.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from government and other grants, whether 'capital' grants or 'revenue' grants, is recognised when the Charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred.

For legacies, entitlement is taken as the earlier of the date on which either: the Charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the Charity that a distribution will be made, or when a distribution is received from the estate.

Donations and other voluntary income are reflected in the accounts for the period in which they are received. Donations in kind are recognised by the Charity when received except in the case of services provided free or undervalue by voluntary staff or others which are not reflected in the accounts.

Interest Received

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the Bank.

**NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 DECEMBER 2023**

2. ACCOUNTING POLICIES - continued

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Repairs and maintenance

The charges in the Statement of Financial Activities in respect of cyclical maintenance and extraordinary repairs reflect the Trustees' constant concern to keep the properties in good condition, and are in accordance with the Almshouse Associations' recommendation that Almshouse Charities should set aside each year specific sums in this respect. Transfers are made from the Accumulated Income fund each year to the Extraordinary Repair Reserve to cover extraordinary repairs as they arise and to the Cyclical Maintenance Reserve to cover repairs which arise on a cyclical basis.

Support costs

The Charity's governance costs are allocated entirely to the Almshouse Costs since support costs relating to other activities are considered immaterial.

Tangible fixed assets

The housing properties are included in the accounts at their insurance reinstatement value. Additions after each revaluation are included at cost until a further revaluation.

The cost of refurbishment and improvements to the existing property are written off to Accumulated Income fund or Extraordinary Repair Reserve as incurred. Any major improvements or extensions to the property are capitalised.

The housing properties are not depreciated as revaluations are performed with sufficient regularity to ensure that the carrying amounts are not materially misstated.

The land at the rear of the almshouses is included at cost and is not depreciated. The cost of the land represents the costs in connection with obtaining planning permission to develop new almshouse properties.

Investments

Investments are shown on the Balance Sheet at their market value. Changes in market values during an accounting period are reflected in the accounts as unrealised gains or losses. Upon disposal of an investment the difference between original cost and disposal proceeds is reflected in the accounts as a realised gain or loss and an adjustment is made to unrealised gains or losses to reverse unrealised movements in value in earlier years.

Debtors

Contribution and other debtors are recognised at the settlement amount due. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash at Bank

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 DECEMBER 2023

2. ACCOUNTING POLICIES - continued

Creditors and provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Taxation

The charity is exempt from tax on its charitable activities.
