TRUSTEES REPORT AND FINANCIAL STATEMENTS

FOR THE PERIOD ENDED 31 MARCH 2024

REGISTERED CHARITY NUMBER: 1157438

Section 1: Charity Trustee Report

1. Introduction

This report provides an overview of the charity's activities and governance during the financial year ending 31st March 2024. It aims to give stakeholders insight into the charity's mission, achievements, financial status, and future plans.

2. Charity Mission and Vision

The charity's mission is to enhance the stay of the children and young people residing at Sunflowers Care Ltd, a 4-bedroom care home for children with severe disabilities. This is achieved through raising money for additional equipment and therapeutic playthings, trips out and a holiday each year. Our vision is to make their stay as positive and meaningful as it can be, given their complex medical needs.

3. Activities and Achievements

Over the last year, the charity has successfully delivered on its core activities, impacting 7 young people who stayed at Sunflowers during this financial year. Some key achievements include:

- **Sensory Garden** – we embarked on a one-off large project this year, which was to create a new outdoor space that the children could enjoy without having to leave the site of Sunflowers care home. An amazing sensory garden with wheelchair accessible swing was created and officially opened in September 2024. It also has an area for a memory garden to remember those who are no longer with us, where family can visit. Most of the fundraising and the donations received this year has gone towards this project.
- **Holiday to Center Parcs:** Which was thoroughly enjoyed by all the children who were able to go. We plan on going again this financial year.
- **Fundraising Efforts:** We held several fundraising events such as runners in the Cambridge Half Marathon in March, a fantastic Bingo night, Cottenham Colts Tough Mudder in April, to name but a few, which contributed to funding the sensory garden project. We were also lucky enough to be chosen to be the Co-op Local Community Fund charity and raised a significant amount of money from them over the course of the year (Oct 23 to Oct 24).
- **Donors:** Support 4 Sunflowers is well supported locally in the community with several donations given to us, and many who donated raffle prizes. One hugely significant donation this year was from Ellesmere Opportunity Group based in Newmarket, without whom, we could not have completed the sensory garden project so quickly.

4. Financial Overview

The charity's financial position remains strong, with income of £48,249 and expenditures of £50,376. The charity has continued to manage its funds prudently to maximize its impact.

- **Income:** Our income primarily comes from fundraising activities arranged by Sunflowers Care employees, and kind donations from local businesses and supporters. This year, we raised £11,725 through fundraising and £36,524 from donations.

- **Expenditure:** The charity has used its resources to fund the garden, many trips out for the young people, holidays, birthday parties and more. Our spending continues to reflect the charity's commitment to efficiency and transparency.

A detailed financial statement, including the annual accounts, is available in section 2 of this report.

5. Governance and Management

The Board of Trustees is responsible for overseeing the strategic direction and governance of the organisation. We are pleased to report that the Board has continued to be highly engaged in the work of the charity, providing guidance and support throughout the year. The trustees have met twice during the year and have contributed to decisions on spending of the charity money. The trustees are contacted as and when required in order to consider and assess applications for grants for which they are solely responsible for approving or refusing.

The charity has continued to comply with all legal and regulatory requirements.

The trustees remained unchanged this year:

- Gary Slynn
- Rob Ross Russell
- Helen Richardson

We would like to thank each trustee for their dedication, expertise, and commitment to the charity's work.

The Charity does not employ any staff directly; all of the administration is on a voluntary basis by personnel vetted by the trustees. This is likely to continue for the foreseeable future.

6. Risk Management

The charity manages its risk through the adoption of good financial control. All purchases are required to be approved by the Trustees before a payment can be made.

There are no safeguarding risks for the charity.

7. Future Plans

Looking ahead, the charity is focused on the usual activities, trips out, toys, birthday and Christmas presents and a holiday. No large purchases / projects are expected.

Planned fundraising activities for the next financial year so far include:

- Cottenham Fen Edge Colour Run
- London Landmarks Half Marathon
- Cambridge Half Marathon
- Quiz night

8. Acknowledgements

We would like to express our deepest gratitude to all of our supporters, including our volunteers, the staff at Sunflowers Care, donors, and fundraisers. Their generous contributions have made it possible for us to continue our vital work.

9. Conclusion

This has been a year of growth and achievement for the charity, and we are excited for the year ahead. We remain committed to our mission and will continue to work towards creating positive change in the lives of those we serve.

Gary Slynn
