### OBJECTIVES AND ACTIVITIES

The object which is to be carried out for the public benefit is the advancement of the Christian faith. The object is to be carried out as a proclamation of the beliefs of the Christian faith.

The main activities of the charity include the running of church services and related events for the furtherance of the Christian faith and in accordance with the teachings of Jesus Christ.

#### Public Benefit

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our work and in planning future activities. In particular, the Board have considered how planned activities will contribute to the achievement of our aims and objectives.

### ACHIEVEMENTS AND PERFORMANCE

The year 2021 was prophetically given as the year of Divine rising and empowerment in our ministry. We began on a good note with fasting and prayer, and with high expectation via our online platform.

Covid-19 continued to present a challenge throughout 2021, but nevertheless, we thank God for his unfailing love and faithfulness towards His children and the House of Christ Royal Chapel

We thank God for fulfilling the vision of Christ Royal Chapel Worldwide in its mission to raise nations for God. In April 2021, Christ Royal Chapel purchased its own premises in Dartford, United Kingdom and we had our first service in July 2021 following minor refurbishment and purchase of essential facilities needed for our operations.

The initial challenge we encountered with our transition process was commuting some of our members without mode of transportation from Croydon to Dartford. This was resolved by the effort and commitment of some of our leaders who were willing to volunteer their cars and time to assist in this regard.

We commenced activities in Dartford, introducing the church to the community through door to door and street evangelism. We also explored the opportunity of Saturday coffee morning initiative. Though the response was not as great, but we intend to explore further in the future as we get more volunteers and parishioners in the area.

Over the Christmas period we were able to donate food and other items to the Dartford winter shelter and Food Bank, where two of our leaders also participated as volunteers. God continued to add new individuals and families to the church, and the church continues to grow in grace, love and in the power of the Holy Spirit.

### FINANCIAL REVIEW

The Charity's income was £84,572 (2020: £42,578) and total expenditure was £39,734 (2020: £5,168) in the year to 31 December 2021. The rise in income was due to funds being received which were committed to property costs and the return to normal services post-Covid. Expenditure rose due to the new costs of running and fitting out the church property acquired in the year. The fund balance carried forward on 31 December 2021 was £293,781 (2020: £248,943 – unrestricted) of unrestricted funds. The full Statement of Financial Activities is set out on page 6 of these accounts.

#### Reserves Policy

Christ Royal Church is committed to using its resources in pursuit of its charitable objectives. However, it is also committed to maintaining a level of reserves that is prudent to meeting ongoing liabilities, enough to ensure that all delivery commitments can be met and to protect the long-term future of Christ Royal Church operations.

Trustees plan to maintain reserves at a level which ensures that Christ Royal Church's core activity can continue during a period of unforeseen difficulties. Consequently, the Church aims to hold free reserves (funds not designated or held in fixed assets less any related loans) equivalent to a minimum of six months' expenditure which is estimated to be in the range of £25,000 - £28,000; this gives consideration to the fact that the Church has now purchased its own premises. The Church had a deficit on free reserves of £1,674 at the year end. This arose due to the property purchase and should be reversed in the next financial year. The trustees expect to continue building up free reserves in future years to fund church activities.

#### Going concern

After making appropriate enquiries, the trustees have a reasonable expectation that the charity can continue in operational existence for the foreseeable future. Further information is included within the accounting policies in these financial statements. The impact of Covid has reduced to a level where it is considered inconsequential.

#### Investment Policy

The trustees have the authority to invest the charity's assets as they deem fit. These are currently held in cash and the trustees will regularly review the position in line with their attitude towards risk.

### STRUCTURE, GOVERNANCE AND MANAGEMENT

#### Governing Document

The charity is administered in accordance with its governing document, a deed of trust, and constitutes an unincorporated charity.

#### Recruitment and Appointment of new Trustees

The Trustees are recruited according to their knowledge, skill and experience of the themes and activities undertaken by the charity; and in accordance with the requirements for the governance of charities.

#### Induction and Training of new Trustees

New trustees receive induction training on: their legal responsibilities as charity trustees; the management and operational structure of the charity; and the key management issues, e.g. policy, personnel, finance, projects and funding matters. They are also guided on how to have optimum input and influence in the current and future development of the charity. Training is also obtained from information provided by professional advisors.

#### Risk Management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

### STATEMENT OF TRUSTEES RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees of the charity to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether UK Accounting Standards have been followed subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charity (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or

## Notes to the Financial Statements For the year ended 31 December 2021

### 1. ACCOUNTING POLICIES

#### Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), Charities SORP FRS 102 (Second Edition effective 1 January 2019) and with the Charities Act 2011.

Assets and liabilities are initially recognised at historical costs or transaction value unless otherwise stated in the relevant accounting policy notes.

Christ Royal Church Worldwide meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

#### Preparation of accounts on a going concern basis

The trustees consider there are no material uncertainties about the Charity's ability to continue as a going concern.

Due consideration has been given by the trustees to assessing future income and expenditure including net cash flows. Such an unprecedented occurrence makes it difficult to evaluate with reasonable certainty, its impact on the charity's future activities. However, the trustees believe that the level of reserves, including the increases seen in the year, will ensure the charity can continue in operational existence for the foreseeable future.

#### Critical accounting estimates and areas of judgment

In the application of the accounting policies, Trustees are required to make judgement, estimates and assumptions about the carrying value of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period and future periods.

The significant area of assumption is in respect of depreciation of fixed assets. The rates of write down are shown in the Tangible Fixed Assets note below. The Trustees are satisfied that these write down rates are a reasonable reflection of the expected useful life of the assets in each class.

#### Income and endowments

All income is included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

#### Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to specific headings, they have been allocated to activities on a basis consistent with the use of resources.

#### Tangible fixed assets

Depreciation is provided at the following annual rates to write off each asset over its estimated useful life.

Land and buildings	- 2%. The land element is not depreciated.
Computer and other equipment	- 25% on cost

### Notes to the Financial Statements - continued For the year ended 31 December 2021

#### Taxation

The charity is exempt from corporation tax as all its income is charitable and is applied for charitable purpose. The charity is not exempt from VAT which is included with the expenses to which it relates on the Statement of Financial Activities.

#### Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Designated funds are unrestricted funds earmarked by the trustees for a specific project or event.

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

#### Statement of cash flows

As a small charity, Christ Royal Church Worldwide is exempt from the requirement to produce a Statement of Cash Flows.
