Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To relieve and prevent poverty among members of all 'newly arrived communities' and their dependents living in Greenwich, Brent, Bexley and surrounding areas by providing advocacy/signposting/general advice/translation and interpretation services
2. To promote social inclusion for the public benefit among members of newly arrived communities who are socially excluded on the grounds of their social and economic position in particular by providing:
 - a. Informal conversational English groups, with fluent English speakers;
 - b. Experiential learning in the community;
 - c. Support and advocacy.

In this clause 'newly arrived communities' means those coming to live and settle in the UK from other countries, particularly those who do not speak English, predominantly refugees and migrants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, we kept in mind the Charity Commission’s guidance on public benefit at our trustee meetings. The main activities are as follows:

- Health and well-being programmes,
- the provision of advice and information,
- walking and cycling programme,
- the support of building self-support networks process,
- the provision of interpreting and translation service,
- the development of volunteering opportunities.

These activities benefit refugees and migrants by developing their self-confidence, social skills and life skills, improving their ability to access available services and providing opportunities for refugees to become volunteers themselves. We welcome all refugees and migrants of all ages regardless of personal background, faith, gender or personal circumstances

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:
