Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To relieve and prevent poverty among members of all 'newly arrived communities' and their dependents living in Greenwich, Brent, Bexley and surrounding areas by providing advocacy/signposting/general advice/translation/interpretation services and digital inclusion support.
2. To promote social inclusion for the public benefit among members of newly arrived communities who are socially excluded on the grounds of their social and economic position in particular by providing:
 - a. Informal conversational English groups, with fluent English speakers.
 - b. Experiential learning in the community.
 - c. Support and advocacy.
 - d. Digital inclusion support (emerging challenge)

In this clause 'newly arrived communities' means those coming to live and settle in the UK from other countries, particularly those who do not speak English, predominantly refugees and migrants.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning our activities for the year, we kept in mind the Charity Commission's guidance on public benefit at our trustee meetings.

The main activities are as follows:

- Digital inclusion project to tackle digital poverty,
- the provision of advice and information,
- the support of building self-support networks process,
- the provision of interpreting and translation service,
- the development of volunteering opportunities.

These activities benefit 'newly arrived communities' by developing their self-confidence, social skills and life skills, improving their ability to access available services and providing opportunities for 'newly arrived communities' to become contributing citizens. We welcome all 'newly arrived communities' of all ages regardless of personal background, faith, gender or personal circumstances.

Additional details of objectives and activities (Optional information)

We continue to be grateful for the many hours, volunteers with lived experiences and 'experts by experience' who have spent listening to and encouraging our service users. Without this valuable contribution of time, energy and expertise we would not have been able to achieve so much.
