Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 March 2022.

The Society was formed in 1966 and became a Registered Charity, No 295428 from the 30th October 1986. It was incorporated on 25th March 2013, No 8459906 and registered with the Charity Commission on 1st July 2014, No 1157672.

Its registered address is :-

8 High Street
Bexhill-on-Sea
East Sussex
TN40 2HA

Trustees

Mrs D Smith
Mrs J Downs
Mrs J Towner
Mrs K Clarke
Mr W Morris
Mr E Middleton (Resigned 16 August 2021)
Mr R Konyon
Mr R A Beaden
Mr M Penny
Mr M Brunger (appointed 19 April 2022)
Mrs C Madeley (appointed 19 April 2022)

The Society is established for the public benefit for the following purposes in the area known as the 'Old Town' of Bexhill and the surrounding area which shall hereinafter be referred to as the "area of benefit".

Its aims are :-

- (i) To promote high standards of planning and architecture in or affecting the area of benefit.
- (ii) To educate the public in the geography, history, natural history and architecture of the area of benefit.
- (iii) To secure the preservation, protection, development and improvement of features of historic or public interest in the area of benefit.
- (iv) The provision, maintenance and support of public amenities.

The Charity Trustees of the Society comprise a Board which is responsible for the management and administration of the Society. Trustees act in a voluntary unpaid capacity. Wherever necessary they obtain advice for which the Society pays.

Reserves Policy

The Charity seeks to preserve the funds originally derived from the generous legacy from Mrs Phyllis Dunn which are used to create income to enable the Charity objects to be achieved. Taking one year with another it is intended that income should be used on appropriate projects.

Risk Management

The Trustees have assessed the major risks to which the Charity is exposed, in particular those related to the operations and finance of the Charity, and are satisfied that systems are in place to mitigate the exposure to major risks.

Financial Report

In dealing with the Society's finances, the basic aim of the Trustees is to meet outgoings from income, taking one year with another, while maintaining and if possible increasing the capital base.

Bexhill Old Town Preservation Society Limited

Trustees' Report

The accounts, as usual, include an analysis under the heading of projects (note 8) to show how funds are spent in pursuance of the Society's aims. In addition to grants for property restoration, support was given to a wide range of projects covering, for example, buildings of historic or public interest, education and community activities. Some projects were suspended owing to the Covid-19 pandemic.

Funds unlikely to be used in the near future continue to be invested in the stock market and during the year the Trustees decided to use the Actively Managed Portfolio Service of their investment advisors Walker Crips Investment Management Limited. Movement in investments in the year saw an increase from £931,088 at 31st March 2021 to £960,075 at 31st March 2022. Funds available for more immediate use are held mainly by the Society's stockbrokers and in bank current and deposit accounts.

The results for the year show a deficit on its activities before investment movements for the year of £68,707. The Society's worth at 31st March 2022 was £1,201,186 and it is considered that sufficient funds are available to enable the Trustees to continue the Society's work in the foreseeable future.

The day to day operations of the Manor Barn continued to be in the hands of the subsidiary company Manor Barn Limited. Further information is available on request to any member interested in more detailed figures.

The results of the company were such that it was able to pay the variable donation in the sum of £33,726.

Associations

The Society is a member of the following associations:
Historic Towns & Villages Forum
Rother Voluntary Action

The annual report was approved by the trustees of the charity on 21st October 2022 and signed on its behalf by:

Statement of Trustees' Responsibilities

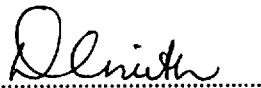

The trustees (who are also the directors of Bexhill Old Town Preservation Society Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees of the charity on 21st October 2022 and signed on its behalf by:

Independent Examiner's Report to the trustees of Bexhill Old Town Preservation Society Limited

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 March 2022 which are set out on pages 6 to 23.

Respective responsibilities of trustees and examiner

As the charity's trustees of Bexhill Old Town Preservation Society Limited (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of Bexhill Old Town Preservation Society Limited are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Bexhill Old Town Preservation Society Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). They also comply with the Companies Act 2006 and Charities Act 2011.

Basis of preparation

Bexhill Old Town Preservation Society Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

Exemption from preparing group accounts

The charity has taken advantage of the exemption in section 398 of the Companies Act 2006 from the requirement to prepare consolidated financial statements, on the grounds that it is a small sized group.

Bexhill Old Town Preservation Society Limited

Notes to the Financial Statements for the Year Ended 31 March 2022

Income and endowments

Donations are recognised where there is entitlement, certainty of receipt and the amount can be measured with sufficient reliability.

Grants receivable

Grants are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

Investment income

Investment income is recognised on a receivable basis.

Expenditure

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Grant expenditure

Grants payable are payments made to third parties in the furtherance of the charitable objectives. Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specific service or output.

Grants payable without performance conditions are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

Grant provisions

Provisions for grants are made when the intention to make a grant has been communicated to the recipient but there is uncertainty about either the timing of the grant or the amount of grant payable.

Support costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources.

Governance costs

Governance costs include costs of the preparation and examination of the statutory accounts, the costs of trustee meetings and the cost of any legal advice to trustees on governance or constitutional matters.

Bexhill Old Town Preservation Society Limited

Notes to the Financial Statements for the Year Ended 31 March 2022

Government grants

Government grants are recognised based on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised in income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

Irrecoverable VAT

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £100 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class	Depreciation method and rate
Freehold interest in land and buildings	The freehold property is not depreciated.
Leases and improvements to property	Over the period of the lease expiring 30th June 2016.
Fixtures, fittings and equipment	20% written down value.

The freehold property is not depreciated as taking into account the anticipated life of the property and its expected residual value, any charge would not be material.

Fixed asset investments

Fixed asset investments are included at market value at the balance sheet date.

Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Bexhill Old Town Preservation Society Limited

Notes to the Financial Statements for the Year Ended 31 March 2022

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Provisions

Provisions are recognised when the charity has an obligation at the reporting date as a result of a past event, it is probable that the charity will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees's discretion in furtherance of the objectives of the charity.

Designated funds are unrestricted funds set aside for specific purposes at the discretion of the trustees.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.
