Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 August 2022.

Objectives and activities

Objects and aims

The Company is a registered charity, governed by its Articles of Association.

The objects of the charity are the advancement of education and of the arts and in particular the art and science of music in all its aspects by the maintenance and support and development of youth orchestras and other music ensembles for the young people of Nottinghamshire and its environs and the fostering of public knowledge and appreciation of music by public performance.

Objectives, strategies and activities

The orchestra runs five music groups, and all of these were able to continue rehearsals online during the Covid-19 lockdowns. There are three orchestras; a training orchestra for members with a standard above grade 3, an intermediate orchestra for members who have reached a standard around grade 5 and above, and a senior orchestra for players from grade 6 to grade 8+. There are also two jazz groups operating under the name of Nottingham Youth Jazz Orchestra (NYJO).

All groups rehearse towards the presentation of public performances. As Covid restrictions were phased out, NYO returned to live performances in the second half of 2021. The concerts for the three orchestras, performed in the Albert Hall, Nottingham, were all of a high standard and well supported by parents and families. We are, as always, grateful to all our conductors and tutors who have given so much time and enthusiasm to reviving live music after many months of lock-down. We have continued to maintain membership at over 200 through an active recruitment campaign.

In addition to regular weekly rehearsals, the organisation also runs workshop training days, when groups of instruments from all three orchestras are given coaching by nationally recognised tutors with a view to enhancing the participants' appreciation and understanding of the skill of orchestral playing.

All musical activities are overseen by an experienced group of music tutors, without whose enthusiasm and commitment the Company would not be able to do all it does, and their contribution is greatly valued. We have a small budget for professional development which tutors are able to access.

Public benefit

The orchestra's objects, which the trustees believe embrace any public benefit requirement, are shown above. In addition, the orchestra has developed a system of bursaries to ensure that musicians, whatever their background, can join in our activities. The bursaries are means-tested, and this year 10 children (from 8 families) have benefitted from the scheme.

For certain concerts, tickets are made available at a very low price specifically aimed at children attending schools in the more deprived areas of the local community.

The trustees confirm that they have complied with the requirements of section 4 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Trustees' Report

Financial review

Excluding the Lorna Needham Restricted Fund, there was a deficit on unrestricted funds of £18,809. This year we again made an Orchestra Tax Relief (OTR) claim upon HMRC, which allows us to claim credits against rehearsal expenses. In this accounting year, the OTR contributed £9,293 to our income.

The Needham Fund (balance £228,319 as at 31st August 2022) considerably distorts the 'bottom line' on the balance sheet and can give an air of financial security to the organisation which is misleading.

Unrestricted funds were only £8,959 at the year-end. The trustees are acutely aware that this situation must be addressed urgently, and it has also been raised as a matter of particular concern by the auditors.

The trustees are, however, pleased to report that the Charity Commission has indicated that the restrictions placed on the Needham Fund may be relaxed (for example, to widen the meaning of the terms of the original will to cover the regular termly payments to tutors) and, possibly, to remove the restriction altogether such that the fund may be spent on the general objectives of the charity. A resolution to this effect was passed by the board of trustees on 8th December 2022 and will be submitted, via a lawyer, to the Charity Commission by the end of 2022.

The trustees remain conscious that, even when the Needham Fund becomes more accessible, expenditure will need to be strictly controlled.

Policy on reserves

It is the policy of the trustees to accumulate and maintain unrestricted funds, which are the free reserves of the charity, to a level which will equate to at least four months' expenditure.

Actual unrestricted reserves at 31 August 2022 are £8,959. Restricted funds as at 31 August 2022 are £231,525.

Trustees and officers

The trustees and officers serving during the year and since the year end were as follows:

Trustees' Report

Structure, governance and management

Recruitment and appointment of trustees

The Directors whose names are shown on page 3 served from and to the dates shown on that page. Whilst no formal training has been undertaken, all trustees appointed have a wide and practical knowledge of the workings of musical groups and orchestras. Amongst the Directors are those with legal and accountancy backgrounds and previous charitable experience. The Company aims to have a wide range of skills amongst the Directors and representation from both parents and the musical staff, both groups being key stakeholders in the organisation.

Organisational structure

The Company is governed by a Board consisting of the Directors listed on page 3. The Board has overall responsibility for governance of the Company, approves the annual budget and oversees the finances, approves policies, appoints key personnel and develops the strategic direction of the Company.

An operations committee comprising the Orchestra Manager (who chairs this committee), Administrators, a tutor representative and parent and other volunteers meets regularly to oversee the day-to-day operations of the Company.

The Company is assisted by an Artistic Advisor, James Lowe, whose experience and wise counsel is greatly appreciated.

The orchestra values very much the time devoted to its administration and smooth running by volunteers. These are principally parents helping at concerts and other functions. In addition to the trustees, all other members of the committee give freely of their time.

Some years ago, NYO decided to appoint a paid administrator due to the very considerable amount of work generated in running an organisation involving the delivery of our activities to more than 250 children across five groups. Paula Watt is our employed administrator, and she does a superb job in handling myriad queries, keeping our records up to date, communicating with all involved and generally keeping the administration in order. We also benefit from the services of a self-employed assistant administrator, Catharine Lester (who is also one of our orchestra tutors), to support Paula. Her role focuses on recruitment, orchestra auditions and organisation of events such as residential and socials. We owe Paula and Catharine a huge debt of gratitude for all their hard work on our behalf.

The Board provides a small annual remuneration to its Treasurer, Laurence Cunningham ACIB.

Risk management

The trustees have considered the major operational risks faced by the charity and believe that they have imposed sufficient controls to reduce these to a minimum.

Small companies provision statement

This report has been prepared in accordance with the small companies regime under the Companies Act 2006.

Statement of Trustees' Responsibilities

The trustees (who are also the directors of Nottingham Youth Orchestra Limited for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland". The report and accounts have been prepared in accordance with the provisions in the Companies Act 2006 relating to small companies.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including its income and expenditure, of the charitable company for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards, comprising FRS 102 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records that can disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Examiner's Report to the trustees of Nottingham Youth Orchestra Limited ('the Company')

I report to the Charity trustees on my examination of the accounts of the Company for the year ended 31 August 2022.

Responsibilities and basis of report

As the Charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your Charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of Nottingham Youth Orchestra Limited as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 August 2022

1 Charity status

The Charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £10 towards the assets of the Charity in the event of liquidation.

The address of its registered office is:

Northgate House
North Gate
New Basford
Nottingham
NG7 7BQ

These financial statements were authorised for issue by the trustees on 8 December 2022.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

Nottingham Youth Orchestra Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

When reviewing the overall financial position of Nottingham Youth Orchestra Ltd as a going concern, the Board excludes the Needham Fund in the light of its highly restricted nature.

Income and endowments

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

Nottingham Youth Orchestra Limited

Notes to the Financial Statements for the Year Ended 31 August 2022

Donations and legacies

Donations are recognised when the Charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance by the Charity before the Charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the Charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the Charity.

Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or
- The donor has imposed conditions which must be met before the Charity has unconditional entitlement.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

Charitable activities

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs

These include the costs attributable to the Charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Nottingham Youth Orchestra Limited

Notes to the Financial Statements for the Year Ended 31 August 2022

Taxation

The Charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Tangible fixed assets

Individual fixed assets costing £50 or more are initially recorded at cost, less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset class

Plant and machinery

Depreciation method and rate

25% straight line basis

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustees discretion in furtherance of the objectives of the Charity.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Pensions and other post retirement obligations

The Charity operates a defined contribution pension scheme which is a pension plan under which fixed contributions are paid into a pension fund and the Charity has no legal or constructive obligation to pay further contributions even if the fund does not hold sufficient assets to pay all employees the benefits relating to employee service in the current and prior periods.

Contributions to defined contribution plans are recognised in the Statement of Financial Activities when they are due. If contribution payments exceed the contribution due for service, the excess is recognised as a prepayment.

Nottingham Youth Orchestra Limited

Notes to the Financial Statements for the Year Ended 31 August 2022

Financial instruments

Fair value measurement

The best evidence of fair value is a quoted price for an identical asset in an active market. When quoted prices are unavailable, the price of a recent transaction for an identical asset provides evidence of fair value as long as there has not been a significant change in economic circumstances or a significant lapse of time since the transaction took place. If the market is not active and recent transactions of an identical asset on their own are not a good estimate of fair value, the fair value is estimated by using a valuation technique.

Nottingham Youth Orchestra Limited

Notes to the Financial Statements for the Year Ended 31 August 2022

The specific purposes for which the funds are to be applied are as follows:

Bursary Fund:

To provide bursaries to benefit members less able to afford the costs associated with the membership and tour.

The Needham Fund:

The terms of the will of Miss Lorna Needham relating to this Fund are extremely restrictive. The income from the fund may not be spent on any of the normal activities of Nottingham Youth Orchestra but to support individual members in the provision of music lessons. In the year ending 31st August 2022 we were able to provide separate percussion and double bass lessons to a number of students from the Fund income.

Peter Horril Scholarship:

Assistance for support of members of the orchestra.
