Review of activities

A summary of the results of the charity's financial activities is given on page 5 of the accounts. During the period under review the charity raised £29,052 from its supporters by way of donations and fund raising activities and distributed approximately 99% of those monies in pursuit of its charitable activities. The trustees wish to thank all their loyal and generous supporters, without whom the charity's good works would not be possible.

It has been a tough year on the fundraising front due to outside influences like Covid & Brexit but the Trustees endeavoured to continue to fundraise where we can.

A significant number of animals estimated at 300 were rescued from the streets of Romania, after proper medical treatment and fulfilling quarantine procedures many were found caring homes in the United Kingdom & France.

The company generated a surplus for the period of £124 which will be carried forward to help fund activities in the coming year.

We also starting operating our own transport company (as of July 2016) to transport our own dogs to their new homes. We raise income from transporting other rescuers dog when space allows, this has generated a small surplus of Total income from transport activities is £63,000. We were fortunate that the use of our vehicle was gifted to us by a benefactor (who still owns the vehicle) and the costs of insurance and road tax are covered by one of our Trustee's. The main charity accounts shows a transfer of funds to the transport account in form of monies paid for transport of our dogs.

The Charity had previously secured a loan from R.Dilly which now stands at £15,000 as shown in the attached accounts to cover the costs of UK kennelling for dogs returned by UK adopters These will be repaid as and when funds allow with no interest or time scales set.

The Charity has no governance costs or associated administration costs.

Other activities this year have been 5 spay and neuter campaigns in the local area to educate and encourage locals to neuter their pets, we have with the help of a dedicated vet team carried out nearly 600 operations which will hopefully reduce the number of unwanted pups being born.

Investments and reserves policy

The charity holds sufficient liquid funds to meet the day to day demands of its charitable projects. The trustees recognise that in order to allow the charity to continue efficiently and to provide a buffer against possible decreases in income that the reserves should be maintained at their present level for the time being.

Trustees' responsibilities statement

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;

- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.
