Annual Report for the year ending 31st March 2022

The Wendover Community Library Trust ("WCLT") is a Charitable Incorporated Organisation approved for registration as a charity by the Charity Commission on 8th July 2014. The Objects of WCLT in its Constitution (dated 26th November 2013) are:

"In partnership with the Buckinghamshire County Library Service, to manage the operation of the Wendover Community Library and to increase the use of the library building for a wider range of educational, community and commercial activities and events for the benefit of the residents of Wendover and the surrounding areas."

Trustees are selected for appointment according to their skills, knowledge and experience relevant to the requirements for the effective administration of WCLT. Meetings of the trustees are held on a regular basis to review matters such as the library facilities and activities, services, volunteers, fund raising and the relationship with Buckinghamshire Council. Nominated trustees additionally attend meetings of the Executive Committee, which consists of an equal representation of trustees and executives of Buckinghamshire Council.

Policies Adopted by the WCL Trustees.

Since our last report all the policies adopted by the Trustees remain in place.

Summary of Activities.

The year saw a welcome reopening of the library and library activities. Perhaps the most important of which was the creation of the new children's area. After the sad death of Fiona Poole, (who had been an active volunteer in the library), Fiona's family had given the money donated by those who had attended Fiona's funeral to our library to create a new and more appropriate area for children. The resulting new murals and furniture transformed an area, that is much loved by local children. The new children's area was officially opened on 29th July.

During this year, our annual calendar, created through the annual photograph competition, was very well received. It is a wonderful reflection of Wendover and the surrounding countryside.

A Planned Extension of the Community Library.

Just before the end of the end of the financial year, we were informed that the application for funding to support this project had been successful. The application had been to the Libraries Improvement Fund. We anticipate therefore that the next report will be mainly focused on the project to enhance our Community Library.

In conclusion, it is important to add that Trustees were just so grateful to the many members of the community who supported their local library, during a year which was not the easiest.
