Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

THE PREVENTION OF CRIME AND THE PRESERVATION AND PROTECTION OF GOOD HEALTH OF YOUNG PEOPLE BY RAISING AWARENESS AND PROVIDING EDUCATION IN KEY TOPICS WHICH THEY MAY EXPERIENCE IN THEIR ADOLESCENT JOURNEYS, INCLUDING BUT NOT LIMITED TO THE SUBJECTS OF GUN AND KNIFE CRIMES, GANG CULTURES, ANGER MANAGEMENT, THEFT, VANDALISM, DRUG, ALCOHOL AND SUBSTANCE ADDICTIONS, BEREAVEMENT, SMOKING, BULLYING AND HEALTHY EATING.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Income was down this year due to the fact the previous years' income was the focus of our expenditure, ensuring grants were successfully implemented and the spend was maintained accurately.

Our donations increased by around 40% which was an effective way of offloading some decreases in our lower income forecast.

Our sales flatlined and reduced by over half, which was very disappointing and unplanned, we do believe we are feeling the effects of poor economic activity especially with budget constraints in some of our main selling markets e.g. schools and academies.

A much more positive year for our finances as a small charity in 2023/24. We managed to successfully receive 4 grants in this year which was a huge increase on last year. In addition, our sales and donations were up considerably but did not dominate the extent of our financial gain which was impressive as we were able to diversify our income streams.

**Respective
responsibilities of
trustees and examiner**

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

**Basis of independent
examiner's statement**

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

**Independent
examiner's statement**

In connection with my examination, no matter has come to my attention (other than that disclosed below *)

1. which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

This year proved to be very difficult, we were still in the process of working our way through a grant from 2021, undertaking more knife crime based programmes and workshops. We did struggle to find ways to access grant funding due to the economic climate bestowed upon us post the Covid outbreak. Fortunately our sales remained strong and in combination with healthy reserves we managed to navigate our way through the year and end it in a positive position.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In 2021 we secured our first grant since coming out of lockdown, we were very fortunate to be able to restart our knife crime programme and begin to work with our beneficiaries again. In the year we worked with 5 organisations in a slightly simpler format due to some of the normalities created by the Covid-19 outbreak.

Thankfully we ended the year having increased our income by around 70%.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

THE PREVENTION OF CRIME AND THE PRESERVATION AND PROTECTION OF GOOD HEALTH OF YOUNG PEOPLE BY RAISING AWARENESS AND PROVIDING EDUCATION IN KEY TOPICS WHICH THEY MAY EXPERIENCE IN THEIR ADOLESCENT JOURNEYS, INCLUDING BUT NOT LIMITED TO THE SUBJECTS OF GUN AND KNIFE CRIMES, GANG CULTURES, ANGER MANAGEMENT, THEFT, VANDALISM, DRUG, ALCOHOL AND SUBSTANCE ADDICTIONS, BEREAVEMENT, SMOKING, BULLYING AND HEALTHY EATING.

In March 2020, the Government imposed a nationwide lockdown due to the exponential growth in the cases of COVID-19.

As our work is direct with young people, in institutions and youth clubs, the restrictions imposed put a stop to our ability to deliver any of our current line up of programmes.

Unable to fully understand the timescales and severity of this officially recognised Pandemic, we halted all of our work that may put our educators, beneficiaries or staff at risk.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Later in the year we did transfer the content of the knife crime programme into a zoom presentation and workshop, allowing us to deliver to beneficiaries who had restarted school. Unfortunately, we were then put into a further lockdown, then re-opened and then finally put into a lockdown lasting the rest of the financial year and beyond.

It was a very difficult time for us and we had to make some challenging decisions around programme delivery, finances and health and safety.

So much of what we do and our constitution and objects relate to us working face to face with young people. It is crucially important for us to work with high-risk individuals in this manner due to non-verbal communication channels that only appear whilst using this manner of working. We eventually made the decision to wait out the restrictions, after balancing the effect it was having on people and the economy.

The further impacts can be seen in our accounts and further information provided below.
