

Charity Commission

Date: 10 January 2023

To whom it may concern,

Annual Report - Trustees

Volunteering for Change continues to operate as a charity that operates without income or expenditure.

All time is given voluntarily by our volunteers to support causes they are passionate about.

We have ambitions for growth in the next two years but for now this model works for us and our volunteers.

The charity has changed its name to "Earth to Ocean" to reflect a more focused cause strategy.

Best wishes,

A handwritten signature in blue ink, appearing to read "Sascha Benson-Cooper".
