Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity provides pre-school education for children in the local area aged between 24 months and school age.

Our setting aims to:

- Provide high quality care and education for children below statutory school age;
- Work in partnership with parents to help children to learn and develop;
- Add to the life and well-being of the local community; and
- Offer children and their parents a service that promotes equality

and values diversity.

Members of the charity are the parents of children in our care and have full participatory rights. These include a right to be:

- valued and respected;
- kept informed;
- consulted;
- involved; and
- included at all levels.

We aim to ensure that each child:

- is in a safe and stimulating environment;
- is given generous care and attention, because of our ratio of qualified staff to children, as well as volunteer helpers;
- has the chance to join in with other children and adults to live, play, work and learn together;
- is helped to take forward her/his learning and development by being helped to build on what she/he already knows and can do;
- has a personal key person who makes sure each child makes satisfying progress;
- is in a setting that sees parents as partners in helping each child to learn and develop; and
- is in a setting in which parents help to shape the service it offers.

Our setting has a duty under the law to help safeguard children against suspected or actual 'significant harm'. Our employment practices ensure children against the likelihood of abuse in our setting and we have a procedure for managing complaints or allegations against a member of staff.

Our way of working with children and their parents ensures that we are aware of any problems that may emerge and can offer support, including referral to appropriate agencies when necessary, to help families in difficulty.

The trustees declare that they have read and regard the guidance issued by the Charity Commission with respect to Public Benefit. The trustees have complied fully with their duty to have regard to the Charity Commission's public benefit guidance when exercising their powers and duties.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Volunteers such as parents of children in our care are encouraged to help at a particular session or sessions of the setting. Helping at the session enables parents to see what the day-to-day life of our setting is like and to join in helping the children to get the best out of their activities.

Joining the rota is not the only means of taking part in the life of the setting. Parents can offer to take part in a session by sharing their own interests and skills with the children. Parents have visited the setting to read stories to the children or talk about their job.

Section D

Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Provided pre-school education to in excess of 40 children aged 30 months to school age over 38 weeks of the year in sessional care. Morning sessions run from 8:45 to 11:45 and afternoon sessions run from 12:30 to 15:30. A lunch time session is also provided such that children can stay all day.

A breakfast and afterschool club has been introduced this academic year which has been very successful.

A total of 240 sessions are available per week and the charity provided an average of 220 sessions during this accounting period.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity has reserves of approximately £105,000 which is an appropriate level. The charity trustees have decided that an appropriate level of reserves is in excess of this amount. The trustees need to hold reserves in order to account for any contingencies such as the requirement for equipment. A large proportion of the reserve is designated as being put aside in order to save towards a new building which is desperately required. A recent building survey suggests that we will require a new building within the next 12-18m. There are very few grants available for the replacement of preschool buildings and as such we need to build up a large reserve in order to both dismantle the existing building a replace it. Plans are in place to carry this work out in the summer of 2023.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal sources of funding for the charity are fees provided by the local authority and from parents.

Respective
responsibilities of
trustees and examiner

The charity's trustees are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

The charity's trustees consider that an audit is not required for this year under section 144 of the Act and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the applicable Directions given by the Charity Commission (under section 145(5)(b) of the Act, and
- to state whether particular matters have come to my attention

Basis of independent
examiner's statement

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent
examiner's statement

In connection with my examination, no material matters have come to my attention (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 130 of the Charities Act or
- the accounts do not accord with the accounting records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in order to enable a proper understanding of the accounts to be reached.
