Structure, governance and management *(continued)*

Governance and management

The aims for the future regarding Trustees is to always have a proportion of parents of children who attend our setting, but in addition we will recruit externally for members who have specific skills that are required to broaden the overall knowledge and skill set required for a committee of Trustees.

Julia Khan is the Director of Rainbow Pre-School & Extended Services as a paid member of staff, with overall responsibility for the daily operations across both sites. Direct reportees are:

- The Head of Rainbow Pre-School & Extended Services
- The Administration team (2 members of staff)

Hannah Adams the Head of Teaching and Child Development is a qualified Primary School Teacher and is responsible for the learning and development of all of the children in our care. Hannah line manages the Pre-School Managers from both east and west sites. The Pre-School Managers have overall responsibility for both pre-school and extended services sessions, the staffing structure therefore includes 2 deputy manager roles at both east and west, to cover breakfast and after school clubs. The Deputies report to the Managers. In addition, there is a Head of SEND who works across both sites and is responsible for children who have additional needs.

Recruitment and appointment of new trustees

Apart from the first charity trustees, every newly appointed trustee must be appointed for a term of two years by a resolution passed at a properly convened meeting of the charity trustees. New trustees may be recruited if an existing trustee stands down or if the committee feel that there is a need for a broader set of skills.

The recruitment exercise will consist of appropriate advertising including communication regarding any vacancies to all parents. Equal opportunity interviews will be carried out and the selection will take into account relevant experience and skills.

Trustees are not remunerated or receive any benefits for carrying out trustee duties.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Financial review

Financial

Rainbow Pre-School & Extended Services receives funding for children who are eligible to receive Government funding which is up to 30 hours per week for 3 and 4 year olds. Eligible families may also claim for funding for 2 year olds. In addition, fees are charged for sessions not eligible to be funded.

There have been no internal fund raising events held throughout this year, but a small amount of funding was raised by arranging letters from Santa and school photographs.

Reserves Policy

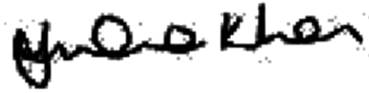

We aim to hold in reserve unrestricted funds that equal payment in lieu of notice periods for all staff and any other liabilities, which we estimate to be approximately £120,000. At the end of this financial period, we held £147,386 in reserves held. It is anticipated that it will be possible to maintain the reserves we are aiming for in the next financial year.

Independent Examiner's Report to the Trustees of Rainbow Pre-School & Extended Services

Year ended 31 August 2022

I report to the trustees on my examination of the financial statements of Rainbow Pre-School & Extended Services ('the charity') for the year ended 31 August 2022.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales (ICAEW), which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 August 2022

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is The Nursery Building, St Andrews Lower School, Brunts Lane, Biggleswade, Bedfordshire, SG18 0LY.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements

There are no judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Key sources of estimation uncertainty

Accounting estimates and assumptions are made concerning the future and, by their nature, will rarely equal the related actual outcome. The key assumptions and other sources of estimation uncertainty that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are as follows:

Tangible fixed assets are recognised at cost, less accumulated depreciation. Depreciation is charged over the estimated life of the asset to its estimated residual value.

The recoverability of trade debtors are considered on a regular basis. When calculating the debtor provision, the trustees consider the age of the debts and the financial position of its customer.

3. Accounting policies (continued)

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided.

Government grants

Government grants are recognised at the fair value of the asset received or receivable. Grants are not recognised until there is reasonable assurance that the charity will comply with the conditions attaching to them and the grants will be received.

Government grants are recognised using the accrual model. Under the accrual model, government grants relating to revenue are recognised on a systematic basis over the periods in which the charity recognises the related costs for which the grant is intended to compensate. Grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the charity with no future related costs are recognised in income in the period in which it becomes receivable.
