The Lady Tangye Trust Limited is a company limited by guarantee and registered under the Charities Act 2011. Its policies and operations are governed by its Memorandum and Articles of Association. The terms 'Company' and 'Charity' refer to the Lady Tangye Trust Limited.

The policy of the Charity is determined by the Trustees, who meet regularly as a Board. Trustees are appointed in accordance with the provisions of the Articles of Association and receive no remuneration for their services.

The Trustees determine, as they consider necessary, the number of Trustees required. The Trustees then use best endeavours, either by personal contact or enquiry, to obtain new Trustees.

Objectives and activities

The Charity's objectives are, for the public benefit, to provide grants for the fulfillment of such charitable purposes according to the law in England and Wales as the Trustees may from time to time determine. Grants made in this period are set out in page 10 of the financial statements. The Charity does not receive donations or engage volunteers. The Charity has no employees.

Achievements and performance

The charity has continued to make grants to charities in accordance with its charitable objectives. A similar level of grants have been awarded in comparison to the prior year. This has been achievable due to the charities income from investments and realised gains being maintained.

Financial review

Income net of investment management fees received in the year was £31,375 (2024: £27,090). Gains on investments in the sum of £180,414 (2024: £25,520) were also realised. Grants were made in accordance with the Charity's grant making policy that totalled £80,000 (2024: £61,000), and in making these the Trustees were mindful of the public benefit requirement within the Charity's objectives. The Trustees believe all grants made in the year satisfy this requirement.

The Trustees have the power to make grants out of income and capital, but broadly take the view that in any period, grants should be funded from income and realised gains. The Trustees consider that the retained unrestricted reserves of £1,547,297 (2024: £1,417,664) are at a suitable level to achieve the Charity's objectives going forward. There are no designated or restricted reserves.

Investment policy

The Trustees engage professional investment managers to manage the Charity's assets. The Trustees meet regularly with the managers to discuss the investment returns and portfolio allocation.

Risk management

The Trustees consider there is little risk inherent to the Charity's activities.

Public benefit

Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity's Commission for England and Wales.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Fund accounting

All funds received to date are unrestricted funds and are available for use at the discretion of the Trustees to further any of the charity's purposes and objectives.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Investment income is recognised when receivable and is shown gross to include income tax recovered and recoverable. Investment income comprises the returns on investments for the year and interest on cash balances.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of managing the charities investments.
- expenditure on charitable activities includes grants payable to third parties in furtherance of the charity's objectives, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investments

Investments in listed equities and other instruments are carried at fair value. Investments in equities and fixed interest securities traded in quoted public markets are valued at fair value which is equivalent to their market price. Holdings in common investment funds, unit trusts and open ended investment companies are at bid price.

Current asset investments comprise funds which are funds held by investment managers that are waiting reinvestment or are to be used to meet investment management costs or other costs of the charity.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses are calculated as the difference between sales proceeds and their purchase value. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

3. Accounting policies *(continued)*

Fund accounting

All funds received to date are unrestricted funds and are available for use at the discretion of the Trustees to further any of the charity's purposes and objectives.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Investment income is recognised when receivable and is shown gross to include income tax recovered and recoverable. Investment income comprises the returns on investments for the year and interest on cash balances.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of managing the charities investments.
- expenditure on charitable activities includes grants payable to third parties in furtherance of the charity's objectives, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investments

Investments in listed equities and other instruments are carried at fair value. Investments in equities and fixed interest securities traded in quoted public markets are valued at fair value which is equivalent to their market price. Holdings in common investment funds, unit trusts and open ended investment companies are at bid price.

Current asset investments comprise funds which are funds held by investment managers that are waiting reinvestment or are to be used to meet investment management costs or other costs of the charity.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses are calculated as the difference between sales proceeds and their purchase value. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Internal control and fraud

6 - We acknowledge our responsibility for the design, implementation and maintenance of internal control systems to prevent and detect fraud and error. We have disclosed to you the results of our risk assessment that the financial statements may be misstated as a result of fraud.

Structure, governance and management

The Lady Tangye Trust Limited is a company limited by guarantee and registered under the Charities Act 2011. Its policies and operations are governed by its Memorandum and Articles of Association. The terms 'Company' and 'Charity' refer to the Lady Tangye Trust Limited.

The policy of the Charity is determined by the Trustees, who meet regularly as a Board. Trustees are appointed in accordance with the provisions of the Articles of Association and receive no remuneration for their services.

The Trustees determine, as they consider necessary, the number of Trustees required. If the Trustees consider a vacancy should be filled, they will determine whether specific skills are required for new Trustees, in order to ensure an appropriate balance on the Board. The Trustees then use best endeavours, either by personal contact or enquiry, to obtain new Trustees.

Year ended 31 January 2023

Objectives and activities

The Charity's objectives are, for the public benefit, to provide grants for the fulfillment of such charitable purposes according to the law in England and Wales as the Trustees may from time to time determine. Grants made in this period are set out in page 9 of the financial statements. The Charity does not receive donations or engage volunteers. The Charity has no employees.

Achievements and performance

The charity has continued to make grants to charities in accordance with its charitable objectives. Having reviewed the funds available and in particular the investment returns, the Trustees have increased the aggregate grants made in this period.

Financial review

Income net of investment management fees received in the year was £29,055 (2022: £30,475). Losses on investments in the sum of £121,271 (2022: £65,749 gain) were also realised. Grants were made in accordance with the Charity's grant making policy that totalled £62,000 (2022: £26,000), and in making these the Trustees were mindful of the public benefit requirement within the Charity's objectives. The Trustees believe all grants made in the year satisfy this requirement.

The Trustees have the power to make grants out of income and capital, but broadly take the view that in any period, grants should be funded from income and realised gains. The Trustees consider that the retained unrestricted reserves of £1,428,121 (2022: £1,583,848) are at a suitable level to achieve the Charity's objectives going forward. There are no designated or restricted reserves.

Investment policy

The Trustees engage professional investment managers to manage the Charity's assets. The Trustees meet regularly with the managers to discuss the investment returns and portfolio allocation.

Risk management

The Trustees consider there is little risk inherent to the Charity's activities.

Public benefit

Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity's Commission for England and Wales.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Fund accounting

All funds received to date are unrestricted funds and are available for use at the discretion of the Trustees to further any of the charity's purposes and objectives.

Incoming resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured.

Investment income is recognised when receivable and is shown gross to include income tax recovered and recoverable. Investment income comprises the returns on investments for the year and interest on cash balances.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on charitable activities includes grants payable to third parties in furtherance of the charity's objectives, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.

Current asset investments comprise funds which are funds held by investment managers that are waiting reinvestment or are to be used to meet investment management costs or other costs of the charity.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses are calculated as the difference between sales proceeds and their purchase value. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 January 2022

Structure, governance and management

The Lady Tangye Trust Limited is a company limited by guarantee and registered under the Charities Act 2011. Its policies and operations are governed by its Memorandum and Articles of Association. The terms 'Company' and 'Charity' refer to the Lady Tangye Trust Limited.

The policy of the Charity is determined by the Trustees, who meet regularly as a Board. Trustees are appointed in accordance with the provisions of the Articles of Association and receive no remuneration for their services.

The Trustees determine, as they consider necessary, the number of Trustees required. If the Trustees consider a vacancy should be filled, they will determine whether specific skills are required for new Trustees, in order to ensure an appropriate balance on the Board. The Trustees then use best endeavours, either by personal contact or enquiry, to obtain new Trustees.

Objectives and activities

The Charity's objectives are, for the public benefit, to provide grants for the fulfillment of such charitable purposes according to the law in England and Wales as the Trustees may from time to time determine. Grants made in this period are set out in page 10 of the financial statements. The Charity does not receive donations or engage volunteers. The Charity has no employees.

Achievements and performance

The charity has continued to make grants to charities in accordance with its charitable objectives. A similar level of grants have been awarded to the prior year which has been achievable to the charities income from investments and realised gains being maintained.

Financial review

Income net of investment management fees received in the year was £30,475 (2021: £30,475). Gains on investments in the sum of £65,749 (2021: £4,919) were also realised. Grants were made in accordance with the Charity's grant making policy that totalled £26,000 (2021: £33,000), and in making these the Trustees were mindful of the public benefit requirement within the Charity's objectives. The Trustees believe all grants made in the year satisfy this requirement.

The Trustees have the power to make grants out of income and capital, but broadly take the view that in any period, grants should be funded from income and realised gains. The Trustees consider that the retained unrestricted reserves of £1,583,848 (2021 - £1,515,187) are at a suitable level to achieve the Charity's objectives going forward. There are no designated or restricted reserves.

Investment policy

The Trustees engage professional investment managers to manage the Charity's assets. The Trustees meet regularly with the managers to discuss the investment returns and portfolio allocation.

Risk management

The Trustees consider there is little risk inherent to the Charity's activities.

Public benefit

Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity's Commission for England and Wales.

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses are calculated as the difference between sales proceeds and their purchase value. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value. Realised and unrealised investment gains and losses are combined in the Statement of Financial Activities.

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 January 2021

Structure, governance and management

The Lady Tangye Trust Limited is a company limited by guarantee and registered under the Charities Act 2011. Its policies and operations are governed by its Memorandum and Articles of Association. The terms 'Company' and 'Charity' refer to the Lady Tangye Trust Limited.

The policy of the Charity is determined by the Trustees, who meet regularly as a Board. Trustees are appointed in accordance with the provisions of the Articles of Association and receive no remuneration for their services.

The Trustees determine, as they consider necessary, the number of Trustees required. If the Trustees consider a vacancy should be filled, they will determine whether specific skills are required for new Trustees, in order to ensure an appropriate balance on the Board. The Trustees then use best endeavours, either by personal contact or enquiry, to obtain new Trustees.

Objectives and activities

The Charity's objectives are, for the public benefit, to provide grants for the fulfilment of such charitable purposes according to the law in England and Wales as the Trustees may from time to time determine. Grants made in this period are set out in page 10 of the financial statements. The Charity does not receive donations or engage volunteers. The Charity has no employees.

Achievements and performance

The charity has continued to make grants to charities in accordance with its charitable objectives. A similar level of grants have been awarded to the prior year which has been achievable to the charities income from investments and realised gains being maintained.

Financial review

Income net of investment management fees received in the year was £30,475 (2020: £40,157). Gains on investments in the sum of £4,919 (2020: £4,951) were also realised. Grants were made in accordance with the Charity's grant making policy that totalled £33,000 (2020: £31,730), and in making these the Trustees were mindful of the public benefit requirement within the Charity's objectives. The Trustees believe all grants made in the year satisfy this requirement.

The Trustees have the power to make grants out of income and capital, but broadly take the view that in any period, grants should be funded from income and realised gains. The Trustees consider that the retained unrestricted reserves of £1,515,187 are at a suitable level to achieve the Charity's objectives going forward. There are no designated or restricted reserves.

Investment policy

The Trustees engage professional investment managers to manage the Charity's assets. The Trustees meet regularly with the managers to discuss the investment returns and portfolio allocation.

Risk management

The Trustees consider there is little risk inherent to the Charity's activities.

Public benefit

Trustees have complied with the duty in section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity's Commission for England and Wales.

Independent Examiner's Report to the Trustees of The Lady Tangye Trust Limited

Year ended 31 January 2021

I report to the trustees on my examination of the financial statements of The Lady Tangye Trust Limited ('the charity') for the year ended 31 January 2021.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
