### **Aim and purposes.**

Our responsibility as a church is to support our church members community, and anyone who believes in Christ. The social, physical and spiritual wellbeing of the public and our members is our priorities.

### **Objectives and Activities**

We are committed to allowing as many as possible people to worship at church and worship at CCC Beulah Wonderful Parish. Our mode of service has helped people through our prayer section, sermons and songs we render.

When planning activity, we have put the public into consideration on how they can benefit from the gospel of Christ through worship and prayer, knowing more about gospel and growing spiritually in the words of God. We provide care for our ministers doing the work of God in the parish.

### **Achievement and Performance**

#### **Worship and Prayer**

We offer different range of service during the week which our church members find beneficial and spiritual fulfilling. For example, evening prayers where people make prayer requests on Tuesday and spiritual counselling. The youth have juvenile harvest in June where they will conduct the weekly service and play the role of ministers in the church.

We have increased in numbers both online and physical. Due to covid restriction, people from all over the world have joined us online. Some people have joined us physically following our worship timetable due to pandemic.

We have been able to support community during covid by giving out perishable food, clothes and shoes to the homeless. We have been able to donate to food bank as well to support the community. We have also been able to support people who are emotional regarding person issues by counseling them and referring them to appropriate professional in the community that can support them. For example, providing temporary shelter for people who are in risk of being homeless.
