for the year ended 31st March 2021

Financial Review

General: The full financial results are set out on pages five to seven. In summary the total receipts from all sources amounted to £10,136 and total payments amounted to £10,316. This resulted in an excess of payments over receipts on unrestricted funds of £180. The net unrestricted funds of the charity stand at £754 as at 31st March 2021.

The principle sources of our funds are donations from one of our trustees and from Ground Reaction Limited. We also receive regular donations from those who use our field for their horses.

All funds received have been used to look after the horses in our care, covering housing, food and medical costs.
