SHAKESPEARE PHAB

TRUSTEES' ANNUAL REPORT

For the year ended 31 July 2022

Activities

During the year the charity has held fortnightly meetings attended by club members with physical and learning disabilities. At club meetings activities suitable for the members have been organised and include outings and theme nights at the club venue.

The trustees, having regard to the Charity Commission's guidance on public benefit, consider that the activities provided help to meet the needs and improve the lives of people with physical and learning difficulties and their families in the area of Stratford upon Avon District.

ACHIEVEMENTS AND PERFORMANCE

The charity has continued to provide a facility for people with physical and learning difficulties to meet and take part in activities together. In coming years the charity aims to extend the range of activities enjoyed by club members.

FINANCIAL REVIEW

During the year the charity had receipts of £3,142 and a deficit of receipts over payments of £288. The activities of the charity are organised by volunteers and hence the charity does not have any employment costs. There are also no property costs. The charity's fixed costs are therefore limited so the trustees consider that there is no need to carry significant reserves. The reserves built up at 31 July 2022 (£5,442) will be used in part to extend the range of activities the charity is able to provide to members in future years.

The charity was impacted by Covid19 since March 2020 which has reduced the amount of income received during the year as due to restrictions the club has been unable to operate for part of this financial year. As there are minimal fixed costs for the charity we don't believe this will cause any issue with us continuing as a going concern.

Acknowledgments

The trustees wish to acknowledge the help provided by Avon Support Limited.

DECLARATION

The trustees declare that they have approved the trustees' report above.
