Mrs Wendy Strophair (chair)
Ms Natalie Bell

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is a Charitable Incorporated Organisation governed by an 'Association' Constitution.

Trustee selection methods

The existing trustees are the first trustees appointed when the charity was registered. When additional trustees are required, either to fill a vacancy or to enlarge the group of trustees as the charity expands, people interested in the work of the charity will be canvassed. Advertisements may also be placed in local newspapers and with organisations such as Voluntary Action Stratford-on-Avon.

OBJECTIVES AND ACTIVITIES

Objects

The object of the charity is the provision, or assistance in the provision – in the interests of social welfare – of facilities for recreation or other leisure time occupation for people with and without physical disabilities resident in the area of Stratford upon Avon District.

SHAKESPEARE PHAB

TRUSTEES' ANNUAL REPORT

For the year ended 31 July 2023

Activities

During the year the charity has held fortnightly meetings attended by club members with physical and learning disabilities. At club meetings activities suitable for the members have been organised and include outings and theme nights at the club venue.

The trustees, having regard to the Charity Commission's guidance on public benefit, consider that the activities provided help to meet the needs and improve the lives of people with physical and learning difficulties and their families in the area of Stratford upon Avon District.

ACHIEVEMENTS AND PERFORMANCE

The charity has continued to provide a facility for people with physical and learning difficulties to meet and take part in activities together. In coming years the charity aims to extend the range of activities enjoyed by club members.

FINANCIAL REVIEW

During the year the charity had receipts of £2,606 and a deficit of receipts over payments of £1,179. The activities of the charity are organised by volunteers and hence the charity does not have any employment costs. There are also no property costs. The charity's fixed costs are therefore limited so the trustees consider that there is no need to carry significant reserves. The reserves built up at 31 July 2023 (£4,263) will be used in part to extend the range of activities the charity is able to provide to members in future years.

As there are minimal fixed costs for the charity we don't believe there are any issues with us continuing as a going concern.

DECLARATION

The trustees declare that they have approved the trustees' report above.
