

ANNUAL REPORT FOR APRIL 1ST 2020 TO MARCH 31ST 2021

Like so many charities and community groups Cornwall Faith Forum has been severely impacted by the pandemic in its activities during this year. However we still maintained connections between the communities thanks to internet communications and there were activities in all three of our key strands of working.

LEARNING FOR PEACE

Despite the pandemic there has been schools work which included work at Pencalenick School and a faith debate at Truro and Penwith College.

Funding had been secured from the Southall Trust for faith workshops in primary schools.

There is currently exciting work being undertaken with the Falmouth University working with the animation department students in producing a short film of the Holocaust testimony of Blanka Engelberg, late mother of Kehillat Kernow member Cynthia Hollinsworth. The aim is for the students to produce two short videos (less than two minutes each). The videos were shown as part of an on-line gathering for Holocaust Memorial Day (HMD) on January 27th and will also be part of pack produced for HMD for secondary schools in Cornwall.

SHARING FOR PEACE

Refugee Support

Our contract with Cornwall Council to support the integration of Syrian Refugee families into the wider community finished in Summer 2019. However some of the volunteers are still visiting the families to help with the children's English and writing. We thank the volunteers for their continued dedication and support to the families.

Interfaith Exploration Group This group has continued to explore together issues from our different faith perspectives with topics such as 'Peace and Conflict in our faith traditions'. The format normal takes that a member presents a reflection of their faith tradition and the rest of the group offer their insights and questions in a way respecting and honouring the presenter's tradition. At the end of each session there's an opportunity for each member to identify something they have learned to enable change, growth and development.

BUILDING FOR PEACE

The pandemic has severely restricted our activities at the Penmount Field. Our Inter Faith Development Worker maintained a pattern of prayers every Thursday during lockdown on-line and

monthly, when the restrictions were lifted, prayers were said beside the Dome of Human Kindness. This had helped strengthen the bonds between the Faith Communities at this challenging time.

Paul Green, who is currently researching funding for the building, has not progressed as he would have liked to as funding is currently mostly focussed around poverty. Also owing to the restrictions, he has not been able to speak to the communities. He will pick up the work next year when hopefully restrictions will have been lifted.

As Chair of the Board of Trustees I would like to express my thanks to my fellow trustees Eve Salthouse, Duried Rifai, Philomena Clifford, Kathy Pope, Babs Rounsevell for their support during this difficult period.
