

## Trustee Report Teen Marine UK

Year 2020-2021

It is fair to say that the charity is now suffering from a lack of funding.

Some donors to our charity can no longer provide donations to us. This is usually due to not having a budget for it now within their organization.

Usage of the charity by young people has been very limited due to the COVID pandemic and health and safety surrounding it.

With all that said we continue to survive and are able to operate in the next financial year.

We will carefully be monitoring our financial situation in the next few years ahead.
