OBJECTIVES AND ACTIVITIES

Objectives and aims

BACKGROUND AND HISTORY OF MULBERRY PRE-SCHOOL AT HOWARD

Mulberry Pre-School at Howard was established on 21st July 2014 as a company for the purpose of running an independent pre-school. This followed the decision by an existing pre-school, The Mulberry Bush, to cease trading at Howard Primary School.

Following detailed discussion and negotiation, supported by legal and professional advisers, the trustees, with some start-up funding from The Hive, Croydon, formally took over the premises and resources at the site, previously occupied by The Mulberry Bush on 27th March 2015. They managed the successful transfer of all the staff, through TUPE, to ensure as smooth a change-over as possible, with the minimum of disruption to the children and their families using the facility. Since then, Mulberry Pre-School at Howard has continued to provide an excellent, early-years learning environment for children aged 2 to 4, for local families.

The primary activity of the trustees, in the period covered by this report, was to ensure that the routine operation of the pre-school was maintained to a high standard with financial stability and sustainability guaranteed in the wake of the pandemic. During this period, the trustees were pleased to see the pre-school returning to normal, high standard of provision.

POLICIES

During this period, policies were routinely reviewed following and up-dated with different trustees taking responsibility for re-drafting linked policies. The safeguarding policy was reviewed and updated in line with the latest guidance. The pre-school continued to operate, on a day to day basis, in accordance with its policies. These served the staff well, enabling them to continue to provide a high-quality service to local children and their families under a fresh management team.

All staff and visitors are issued with a colour-coded lanyard for easy identification.

Two trustees have joint responsibility for overseeing safeguarding and monitoring the pre-school's response to the annual up-dating of Keeping Children Safe in Education (KCSIE).

STAFFING

Throughout this period, the trustees ensured that the pre-school remained fully staffed with appropriately qualified practitioners appointed. The annual appraisal scheme for pre-school practitioners, now well established, continued under the auspices of the Manager. Targets focussing on development work in line with the current development plan.

MEMBERSHIP AND PARTNERSHIPS

Trustees continued to subscribe to local professional networks to ensure that the staff are aware of current developments.

The management team continued to work closely with Croydon Local Authority, particularly as far as children with special educational needs or disabilities were concerned.

The relationship with Howard Primary School continued to be sound.

Communication with parents for whom English was not their first language continued to be monitored. Support was always given to the parents for whom English was their second language, in applying for either their 2 years old funding, 30 hrs or child-care vouchers. A 'Translator App' for the staff to be able to communicate with parents who did not speak English was used.

Sherwood Preschool Limited

Report of the Trustees for the Year Ended 31 August 2025

The trustees recognised that the pre-school's continued success was due to the strong links it had in the local community and the positive relationships staff developed with families attending. The time spent by the manager and her team, at the end of this reporting period, Carrying out home visits for all children due to start in September 2025 was an indication of how seriously the staff took forging these positive, supportive relationships.

SUMMARY

Sherwood Preschool continues to provide high-quality early years education and care for children aged 2 to 4 within the local community. The setting also offers wrap around care, including breakfast and after-school provision, supporting children and families beyond the core pre-school day. The setting remains committed to delivering a nurturing, inclusive and play-based environment, supporting children's individual development and needs, including those with additional needs. Throughout the year, the pre-school has maintained strong partnerships with families and external professionals to ensure children receive consistent and appropriate support. The charity continues to operate effectively and in line with its aims and objectives.

The trustees confirm they are satisfied with the operation of the setting and approve this report for submission to the Charity Commission.
