Annual Report and Financial Statements

Year ended 31 March 2025

Charity no: 1158328

Foreword

As Chair of the Merthyr Valleys Homes People Fund, it has been a very rewarding year with the charity focussing on the prevention of house fires. The charity donated £3,000 in 2024/25 to Merthyr Valleys Homes who, alongside South Wales Fire and Rescue Services, delivered a chip pan amnesty as well as a series of talks on fire safety in the home. This is the second year that the charity has provided financial support to this popular initiative and 59 chip pans were exchanged for air fryers.

The charity continues to support tenants through difficult times however only one tenant was supported directly by the charity in the year. We know that this is because there are other funds available and because tenants do have home contents insurance, which is very reassuring.

As a Board of Trustees, we are keen to work with officers at Merthyr Valleys Homes to receive and consider various claims from tenants who have faced issues providing for themselves and family following tragic accidents and events. It is great to know that officers at Merthyr Valleys Homes are committed to supporting tenants.

The charity's objectives also include supporting tenants who are fleeing domestic abuse and tenants who are struggling with their mental well-being. We are committed to working more towards the prevention of these issues over the next year.

I would like to take this opportunity to give my thanks to Merthyr Valleys Homes for their continued and dedicated support in providing the funding for this charity. Thank you as well, to the staff who assist in the running of the charity, as without this support, it just would not be possible to run this charity in such a professional and efficient manner.

The Board of Trustees look forward to the year ahead and will continue to deliver the much-needed avenues of support to provide a safer home environment.

I am proud to share, on behalf of the Board of Trustees, our Annual Report and Financial Statements for 2024/25.

Structure, governance and management

Merthyr Valleys Homes People Fund is a Charitable Incorporated Organisation Limited by Guarantee. The charity was registered with the Charity Commission, in England and Wales, on 22 August 2014 and renamed 'Merthyr Valleys Homes People Fund' on 27 November 2017 following a constitutional change. The charity is governed by its constitution.

The following policies have been adopted by the Charity:

- Trustees Code of Conduct
- Terms of Reference
- Expenses Policy

Merthyr Valleys Homes Limited provides governance and administrative support to Merthyr Valleys Homes People Fund. This support is provided free of charge.

Recruitment and appointment of new trustees

The charity trustees may appoint between three and twelve charity trustees in total. Any appointment must be made by the charity trustees at a validly held meeting held according to the ordinary practice of the charity trustees. In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

Objectives and activities

The objects of the charity are to relieve poverty or financial hardship in Merthyr Tydfil, South Wales. In particular without limitation by assisting tenants of Merthyr Valleys Homes Limited with losses following a major disaster or incident (for example without limitation flooding, fire, theft, domestic violence, mental illness or homelessness) where the tenant, through lack of finance or otherwise, would find it difficult to pay, as the charity trustees shall in their absolute discretion decide from time to time.

All trustees have due regard to the Charity Commission's Public Benefit Guidance when reviewing the charity's aims and objectives and setting the framework for awarding financial support.

Achievements and performance

Charitable expenditure during 2024/25 was £1,674. 2 individual claims were supported during the year. Tenants were provided with funding to purchase new flooring and other essential items. The Charity also contributed £3,000 to Merthyr Valleys Homes to support an Air Fryers Project, enabling tenants to replace chip pans with an air fryer.

Merthyr Valleys Homes People Fund

Report of the Trustees for the year ended 31 March 2025 (cont'd)

The Charity spent £697 during the year on governance costs, mainly audit fees and professional fees on translation of the accounts. A further £159 was spent on other costs, mainly website costs and bank charges.

Financial review

The charity is funded solely by Merthyr Valleys Homes Limited through a donation. The donation for 2024/2025 was £10,000. During the year ended 31 March 2025, the charity generated a surplus of £4,470 and consequently carried forward, into the new financial year, unrestricted funds of £47,242.

Reserves policy

Any cash reserves at year end will be retained and carried forward into the following year.

Going Concern

Our assessment of going concern has been based on events or conditions that could cast significant doubt on our ability to continue in operational existence. Our income stream is unaffected as Merthyr Valleys Homes has committed to provide funding of £10,000 for 2025/26. Our net assets position is strong at £47,242, with liquidity of £49,155 in cash balances. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Jamie Scriven

Jill Jones

Deborah Ryan-Newton

Annual Report and Financial Statements

Year ended 31 March 2024

Charity no: 1158328

Foreword

As Chair of the Merthyr Valleys Homes People Fund, it has been another busy year of providing support to tenants of Merthyr Valleys Homes. The charity continues to support tenants through difficult times.

As a Board of Trustees, we have continued to work with officers at Merthyr Valleys Homes to receive and consider various claims from tenants who have faced issues providing for themselves and family following tragic accidents and events. It is great to know that officers at Merthyr Valleys Homes are committed to supporting tenants.

We have also been discussing new ways in which we can support tenants with an additional focus on prevention. The Board has worked with officers during 2023 to identify prevention methods and provided £3,000 in funding for a chip pan amnesty. The initial take up from residents to swap their chip pans to electric air fryers was overwhelming and has now seen phase two of this prevention work taking place in 2024, with further funding from Merthyr Valleys Homes People Fund.

The charity has continued to support tenants in a traditional way and throughout the course of the year we have seen an increase in support to those who have experienced mental health issues, supported families through domestic violence and other tenants who have been unlucky with flooding and fires. All this contributing to the positive well-being of the tenants that needed support.

I would like to take this opportunity to give my thanks to Merthyr Valleys Homes for their continued and dedicated support in providing the funding for this charity. Thank you as well, to the staff who assist in the running of the charity, as without this support, it just would not be possible to run this charity in such a professional and efficient manner.

The Board of Trustees look forward to the year ahead and understand that tenants will once again face further adversity with everyone still battling the cost-of-living crisis.

The focus for the Board of Trustees moving into 2024/25 will be to continue to deliver the much-needed avenues of support to provide a safer home environment.

I am proud to share, on behalf of the Board of Trustees, our Annual Report and Financial Statements for 2023/24. We look forward to the year ahead.

Foreword

It has been another busy year for the Board of Trustees of Merthyr Valleys Homes People Fund, providing continuous support to local residents, via Merthyr Valleys Homes to those most in need and for those who have fallen on difficult times.

We have continued to receive various claims from tenants who have faced issues providing for themselves and family following tragic accidents and events. It's great to know that staff at Merthyr Valleys Homes are committed and dedicated to identifying support for tenants when there are no alternative solutions.

The Board of Trustees have continued grow and we have been lucky to secure new Trustees. So, a note of welcome to Dawn Jones who joined us during the year. Also, a thank you to Tina Ryan-Newton who has been a trustee for many years, who retired this year and stepped down as a Trustee. A big thank you for your time and support given and a thank you to those who have joined us this year; I look forward to working with you all.

The charity has continued to support tenants in a broader way and throughout the course of the year we have seen an increase of support to those who have experienced mental health issues, supported families through domestic violence and many other tenants who have been unlucky with flooding and fires. All this contributing to the positive well-being of the tenants that needed support.

It would be remiss of me not to thank the staff at Merthyr Valleys Homes for their continued and dedicated support in providing the funding for this charity. Thank you as well, to the staff who assist in the running of the charity, as without this support, it just would not be possible to run this charitable cause in the professional and efficient manner.

The Board of Trustees look forward to the year ahead and understand that tenants will face further adversity with the cost-of-living crisis. It's inevitable that these will be challenging times, but I am sure that the People Fund will continue to deliver needed avenues of support as we move through 2023/24. We will be discussing ways of supporting tenants in alternative ways which will support a safer home environment, meaning that the Board will consider preventative measures in a different way. It is hoped that we will be able to report on the progress made in next year's report.

I am proud to share, on behalf of the Board of Trustees, our Annual Report and Financial Statements for 2022/23. We look forward to the year ahead and strive to expand our Board as we continue to support tenants and communities.

Report of the Trustees for the year ended 31 March 2023

The Trustees present their annual report and financial statements of Merthyr Valleys Homes People Fund ('the Charity') for the year ended 31 March 2023.

Structure, governance and management

Merthyr Valleys Homes People Fund is a Charitable Incorporated Organisation Limited by Guarantee. The charity was registered with the Charity Commission, in England and Wales, on 22 August 2014 and renamed 'Merthyr Valleys Homes People Fund' on 27 November 2017 following a constitutional change. The charity is governed by its constitution.

The following policies have been adopted by the Charity:

- Trustees Code of Conduct
- Terms of Reference
- Expenses Policy

Merthyr Valleys Homes Limited provides governance and administrative support to Merthyr Valleys Homes People Fund. This support is provided free of charge.

Recruitment and appointment of new trustees

The charity trustees may appoint between three and twelve charity trustees in total. Any appointment must be made by the charity trustees at a validly held meeting held according to the ordinary practice of the charity trustees. In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

Objectives and activities

The objects of the charity are to relieve poverty or financial hardship in Merthyr Tydfil, South Wales. In particular without limitation by assisting tenants of Merthyr Valleys Homes Limited with losses following a major disaster or incident (for example without limitation flooding, fire, theft, domestic violence, mental illness or homelessness) where the tenant, through lack of finance or otherwise, would find it difficult to pay, as the charity trustees shall in their absolute discretion decide from time to time.

All trustees have due regard to the Charity Commission's Public Benefit Guidance when reviewing the charity's aims and objectives and setting the framework for awarding financial support.

Achievements and performance

Charitable expenditure during 2022/2023 was £5,511. 10 individual claims were supported during the year. Tenants were provided with funding to purchase new flooring, white goods and other essential items.

The Charity spent £640 during the year on governance costs, mainly audit fees and professional fees on printing and translation of the accounts. A further £159 was spent on other costs, mainly website costs and bank charges.

Merthyr Valleys Homes People Fund

Report of the Trustees for the year ended 31 March 2023 (cont'd)

Financial review

The charity is funded solely by Merthyr Valleys Homes Limited through a donation. The donation for 2022/2023 was £10,000. During the year ended 31 March 2023, the charity generated a surplus of £3,690 and consequently carried forward, into the new financial year, unrestricted funds of £38,121.

Reserves policy

Any cash reserves at year end will be retained and carried forward into the following year.

Going Concern

Our assessment of going concern has been based on events or conditions that could cast significant doubt on our ability to continue in operational existence. Our income stream is unaffected as Merthyr Valleys Homes has committed to provide funding of £10,000 for 2022/23. Our net assets position is strong at £38,121, with liquidity of £41,011 in cash balances. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Trustees

The trustees that served during the year were:

Sharon Northall

Tina Ryan-Newton (resigned 14.09.2022)

Jamie Scriven

Jill Jones

Deborah Ryan-Newton

Joan Marshall

Dawn Jones (appointed 09.05.2022)

Trustees' responsibilities statement

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;

As the charity trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

Foreword

As Chair of Merthyr Valleys Homes People Fund, I am proud to be part of a Board of Trustees that have worked with Merthyr Valleys Homes to help people who have fallen on difficult times.

As we have started to come out of the Covid-19 pandemic, the Board of Trustees have continued to support tenants throughout 2021/22. We have continued to meet on a regular basis, safely using our digital technology.

We have continued to receive claims from tenants who have faced difficult times providing for themselves and family following tragic accidents and events. We know as a Board that the support the Merthyr Valleys Homes People Fund can offer has a profoundly positive impact on tenants.

The charity continues to support tenants in a broader way and throughout the course of the year we have supported individuals who have experienced mental health issues, supporting families through domestic violence and many other tenants who have been unlucky with flooding and fires. All this contributing to the positive well-being of the tenants that needed support.

It has been a busy year and it would be remiss of me not to thank the staff at Merthyr Valleys Homes for their continued and dedicated support in providing the funding for this charity. I would also like to extend my thanks to the Board of Trustees who dedicate much of their own time to support this charity, taking considerate and timely decisions to allocate funding for those in times of need.

The Board of Trustees look forward to the next year and understand that tenants will face further adversity with price increases on food and utilities. These will be challenging times, but as a Board we remain committed to support the tenants of Merthyr Valleys Homes and we will continue to explore avenues of further support for those who need it most.

I am proud to share, on behalf of the Board of Trustees, our Annual Report and Financial Statements for 2021/22. We look forward to the year ahead and to expanding our Board as we continue to support tenants and communities.

Merthyr Valleys Homes People Fund

Report of the Trustees for the year ended 31 March 2022

The Trustees present their annual report and financial statements of Merthyr Valleys Homes People Fund ('the Charity') for the year ended 31 March 2022.

Structure, governance and management

Merthyr Valleys Homes People Fund is a Charitable Incorporated Organisation Limited by Guarantee. The charity was registered with the Charity Commission, in England and Wales, on 22 August 2014 and renamed 'Merthyr Valleys Homes People Fund' on 27 November 2017 following a constitutional change. The charity is governed by its constitution.

The following policies have been adopted by the Charity:

- Trustees Code of Conduct
- Terms of Reference
- Expenses Policy

Merthyr Valleys Homes Limited provides governance and administrative support to Merthyr Valleys Homes People Fund. This support is provided free of charge.

Recruitment and appointment of new trustees

The charity trustees may appoint between three and twelve charity trustees in total. Any appointment must be made by the charity trustees at a validly held meeting held according to the ordinary practice of the charity trustees. In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

Objectives and activities

The objects of the charity are to relieve poverty or financial hardship in Merthyr Tydfil, South Wales. In particular without limitation by assisting tenants of Merthyr Valleys Homes Limited with losses following a major disaster or incident (for example without limitation flooding, fire, theft, domestic violence, mental illness or homelessness) where the tenant, through lack of finance or otherwise, would find it difficult to pay, as the charity trustees shall in their absolute discretion decide from time to time.

All trustees have due regard to the Charity Commission's Public Benefit Guidance when reviewing the charity's aims and objectives and setting the framework for awarding financial support.

Achievements and performance

Charitable expenditure during 2021/2022 was £3,088. 6 individual claims were supported during the year. Tenants were provided with funding to purchase new carpets, white goods and other essential items.

The Charity spent £997 during the year on governance costs, mainly audit fees and professional fees on printing and translation of the accounts. A further £159 was spent on other costs, mainly website costs and bank charges.

Merthyr Valleys Homes People Fund

Report of the Trustees for the year ended 31 March 2022 (cont'd)

Financial review

The charity is funded solely by Merthyr Valleys Homes Limited through a donation. The donation for 2021/2022 was £10,000. During the year ended 31 March 2022, the charity generated a surplus of £5,756 and consequently carried forward, into the new financial year, unrestricted funds of £34,431.

Reserves policy

Any cash reserves at year end will be retained and carried forward into the following year.

Going Concern

Our assessment of going concern has been based on events or conditions that could cast significant doubt on our ability to continue in operational existence. This year's assessment has continued to consider the impact of the coronavirus pandemic on the charity. Our income stream is unaffected as Merthyr Valleys Homes has committed to provide funding of £10,000 for 2022/23. Our net assets position is strong at £34,431, with liquidity of £35,712 in cash balances. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Trustees

The trustees that served during the year were:

Sharon Northall

Tina Ryan-Newton

Jamie Scriven

Jill Jones

Deborah Ryan-Newton

Joan Marshall

Trustees' responsibilities statement

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Foreword

As Chair of Merthyr Valleys Homes People Fund, I am proud to be part of a Board of Trustees that have worked with Merthyr Valleys Homes to help people who have fallen on difficult times.

During a very difficult year, the Board of Trustees have met on a regular basis, albeit digitally and we have supported more tenants than ever in 2020/21 and in very different ways. We have discovered that tenants have faced different challenges over the last year following the flooding in February 2020 and the Covid-19 pandemic.

The charity has been able to support tenants in a broader way and offered tenants living in Merthyr Valleys Homes' Community Living Schemes support with well-being packs during lockdown. These have been of great support and comfort. The charity has supported people who were previously homeless by providing basic furnishings along with support for hospital leavers to enable them to return to their homes quickly and in more comfortable conditions. Flood victims were supported by replacing carpets and flooring. All of this contributing to the positive well-being of the tenants that needed support.

It has been a busy year and it would be remiss of me not to thank the staff at Merthyr Valleys Homes for their continued support in providing the funding for this charity. I would also like to extend my thanks to the Board of Trustees who dedicate much of their own time to support this charity, taking considerate and timely decisions to allocate funding for those in times of need.

I am proud to share, on behalf of the Board of Trustees, our Annual Report for 2020/21. We look forward to the year ahead and to expanding our Board as we continue to support tenants and communities.
