

Merthyr Valleys Homes
People Fund

Annual Report and Financial Statements

Year ended 31 March 2022

Charity no: 1158328

Foreword

As Chair of Merthyr Valleys Homes People Fund, I am proud to be part of a Board of Trustees that have worked with Merthyr Valleys Homes to help people who have fallen on difficult times.

As we have started to come out of the Covid-19 pandemic, the Board of Trustees have continued to support tenants throughout 2021/22. We have continued to meet on a regular basis, safely using our digital technology.

We have continued to receive claims from tenants who have faced difficult times providing for themselves and family following tragic accidents and events. We know as a Board that the support the Merthyr Valleys Homes People Fund can offer has a profoundly positive impact on tenants.

The charity continues to support tenants in a broader way and throughout the course of the year we have supported individuals who have experienced mental health issues, supporting families through domestic violence and many other tenants who have been unlucky with flooding and fires. All this contributing to the positive well-being of the tenants that needed support.

It has been a busy year and it would be remiss of me not to thank the staff at Merthyr Valleys Homes for their continued and dedicated support in providing the funding for this charity. I would also like to extend my thanks to the Board of Trustees who dedicate much of their own time to support this charity, taking considerate and timely decisions to allocate funding for those in times of need.

The Board of Trustees look forward to the next year and understand that tenants will face further adversity with price increases on food and utilities. These will be challenging times, but as a Board we remain committed to support the tenants of Merthyr Valleys Homes and we will continue to explore avenues of further support for those who need it most.

I am proud to share, on behalf of the Board of Trustees, our Annual Report and Financial Statements for 2021/22. We look forward to the year ahead and to expanding our Board as we continue to support tenants and communities.

Merthyr Valleys Homes People Fund

Report of the Trustees for the year ended 31 March 2022

The Trustees present their annual report and financial statements of Merthyr Valleys Homes People Fund ('the Charity') for the year ended 31 March 2022.

Structure, governance and management

Merthyr Valleys Homes People Fund is a Charitable Incorporated Organisation Limited by Guarantee. The charity was registered with the Charity Commission, in England and Wales, on 22 August 2014 and renamed 'Merthyr Valleys Homes People Fund' on 27 November 2017 following a constitutional change. The charity is governed by its constitution.

The following policies have been adopted by the Charity:

- Trustees Code of Conduct
- Terms of Reference
- Expenses Policy

Merthyr Valleys Homes Limited provides governance and administrative support to Merthyr Valleys Homes People Fund. This support is provided free of charge.

Recruitment and appointment of new trustees

The charity trustees may appoint between three and twelve charity trustees in total. Any appointment must be made by the charity trustees at a validly held meeting held according to the ordinary practice of the charity trustees. In selecting individuals for appointment as appointed charity trustees, the charity trustees must have regard to the skills, knowledge and experience needed for the effective administration of the charity.

Objectives and activities

The objects of the charity are to relieve poverty or financial hardship in Merthyr Tydfil, South Wales. In particular without limitation by assisting tenants of Merthyr Valleys Homes Limited with losses following a major disaster or incident (for example without limitation flooding, fire, theft, domestic violence, mental illness or homelessness) where the tenant, through lack of finance or otherwise, would find it difficult to pay, as the charity trustees shall in their absolute discretion decide from time to time.

All trustees have due regard to the Charity Commission's Public Benefit Guidance when reviewing the charity's aims and objectives and setting the framework for awarding financial support.

Achievements and performance

Charitable expenditure during 2021/2022 was £3,088. 6 individual claims were supported during the year. Tenants were provided with funding to purchase new carpets, white goods and other essential items.

The Charity spent £997 during the year on governance costs, mainly audit fees and professional fees on printing and translation of the accounts. A further £159 was spent on other costs, mainly website costs and bank charges.

Financial review

The charity is funded solely by Merthyr Valleys Homes Limited through a donation. The donation for 2021/2022 was £10,000. During the year ended 31 March 2022, the charity generated a surplus of £5,756 and consequently carried forward, into the new financial year, unrestricted funds of £34,431.

Reserves policy

Any cash reserves at year end will be retained and carried forward into the following year.

Going Concern

Our assessment of going concern has been based on events or conditions that could cast significant doubt on our ability to continue in operational existence. This year's assessment has continued to consider the impact of the coronavirus pandemic on the charity. Our income stream is unaffected as Merthyr Valleys Homes has committed to provide funding of £10,000 for 2022/23. Our net assets position is strong at £34,431, with liquidity of £35,712 in cash balances. The Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis in preparing the financial statements.

Trustees

The trustees that served during the year were:

Sharon Northall

Tina Ryan-Newton

Jamie Scriven

Jill Jones

Deborah Ryan-Newton

Joan Marshall

Trustees' responsibilities statement

The trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

2) Accounting Policies

a) Income and endowments

These are included in the Statement of Financial Activities when:

- the charity becomes entitled to the resources
- the trustees are virtually certain they will receive the resources; and
- the monetary value can be measured with sufficient reliability

Gifts in kind are included in the income and expenditure account where they are applied in carrying out charitable activities, where the company would otherwise have to purchase the donated facility and the benefit is both quantifiable and material. The quantifiable benefit is shown as both incoming and expended resources within the appropriate funds. Where the gift is an asset it is treated as income and taken to stock or fixed assets as appropriate. The value of services provided by volunteers is not quantified. Merthyr Valleys Homes Limited provides governance and administrative support to Merthyr Valleys Homes People Fund. This support is provided free of charge.

Voluntary income received by way of grants, gifts or donations is included in full on receipt unless it is subject to a condition when it is treated as deferred income.

Liabilities are recognised as soon as there is a legal or constructive obligation committing the charity to pay out the resources. All expenditure is accounted for on an accruals basis. Grants payable are payments made to third parties in furtherance of the charitable objects of the Fund. These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the charity.

c) Governance costs

These include costs of the preparation and examination of statutory accounts, the costs of trustee meetings and cost of any legal advice to trustees on governance or constitutional matters.

d) Support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs can include back office costs, finance, personnel, payroll and governance costs which support the activities of the charity.

f) Debtors and creditors receivable/payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price.

g) Going concern

The financial statements have been prepared on a going concern basis as the trustees believe that no material uncertainties exist.

h) Taxation

The charity is exempt from tax on its charitable activities.

i) Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
