## 2. Aims and Objectives

### Purposes and Aims

Our charity's purpose as set out in the constitution is:

"The promotion of participation in healthy recreation by the provision and maintenance or the assistance in the provision and maintenance of a multi use path (known as the Steam Coast Trail) between Williton and Minehead"

### Achievements and Performance

In December 2016 Phase One of the project was opened to the public: a new 2.2 km path which links Dunster Beach to Blue Anchor Bay. This path has been hugely successful, seeing up to 9,000 visitors in one peak month and generating widespread public support via social media and press as well as anecdotally.

Following on from this success, Phase Two - a 1 km link between Old Cleeve and Washford opened in Autumn 2018 and has generated significant public support and praise.

### Current Focus

The Steam Coast's mission is to continue to expand the network of accessible multi-use paths throughout West Somerset. Further links between Dunster Beach and Minehead as well as Washford to Watchet and Watchet to Williton are being negotiated by the appointed Project Officer, supported by Somerset West and Taunton Council.

### How our activities deliver public benefit

The benefits of the Steam Coast Trail are numerous and far-reaching but can be broadly categorised as improving:

**Health & Safety** - The main road linking West Somerset (A39) is very fast, notoriously dangerous and has little provision for pedestrians, let alone cyclists. The Steam Coast Trail offers a safer, healthier and more scenic alternative of getting around.

**Social Isolation** - Rates of rural isolation are high in West Somerset; the Steam Coast Trail links isolated communities without people having to own a car or use expensive (and very limited) public transport

**Economic benefits** - West Somerset has some of the lowest social mobility in the UK and has been identified as one of the government's Opportunity Areas. By enhancing the tourism offer of West Somerset the Steam Coast Trail not only brings more money to the area but improves access to education and employment

## Covid-19 Impact

The Covid-19 global pandemic had an irrefutable impact on the charity. As partner organisations temporarily closed or furloughed a number of employees, the creation of the Steam Coast Trail network was temporarily hindered. We have seen significant delays in all projects, but business as usual has been resuming in recent months. However, not all impacts were negative and the importance of our paths has been reinforced and evidenced by huge growth in usage. Providing places to enjoy socially distanced exercise outdoors, the need for the Steam Coast Trail has never been greater.

## 3. Structure, Governance and Management

### Governing document

The organisation is a Charitable Incorporated Organisation (CIO) registered by The Charity Commission on 26 August 2014. The constitution was originally drawn up on 14 February 2013 and was amended on 25 July 2014 then again in February 2019. In the event of the CIO being wound up, the members of the CIO have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

### Recruitment and Appointment of Trustees

Members of the CIO are also charity trustees and are elected to serve for a period of two years after which they must be re-elected at the next Annual General Meeting.

West Somerset Forum 21 (the environmental lobby group that originally instigated the idea of the Steam Coast Trail) may appoint two of the charity Trustees.

All trustees give their time voluntarily and receive no benefits from the CIO. Any expenses reclaimed from the CIO are set out in the accounts.

### Organisational Structure

At the start of the financial year, Friends of the Steam Coast Trail had six Trustees during the year Simon Strong finished as Treasurer and this role has been taken on by Graham Boswell. There are now 5 Trustees at the end of the financial year

There is a working group held each fortnight, chaired by the Project Officer. Attendance is a combination of the project partners, trustees and community members and businesses when appropriate.

Day to day communications and archiving of documents are carried out using a combination of email and an online, shared (Google) Drive.

## 4. Statement of Financial Activities

This financial year has seen the Friends of the Steam Coast Trail unrestricted reserves fall to £24,357, driven by the part spending of the £10k S106 grant from Hinkley Point received during 2021.

This financial year has also seen the Friends of the Steam Coast Trail, in partnership with Somerset West and Taunton Council, spending further monies won from the grant fund of £637,000 from the Coastal Communities Fund on some ongoing maintenance of Phase 1 and 2, and on the continued employment of a Project Officer.

In 2018, the Friends of the Steam Coast Trail were successful in being awarded a CIM fund grant of £331,710 (inclusive of VAT) with the agreement documentation completed and signed in June 2018. This was used towards the completion of the Phase 2 construction from Old Cleeve to Washford with the support of Somerset West and Taunton Council and Sustrans.

### Reserves Policy

Of the reserves held by Friends of the Steam Coast Trail of £52,262, £27,905 relates to a balance held by Somerset West and Taunton Council for the remaining elements of the CIM fund grant won in 2018.

The balance of £24,357 from other grant and donation sources is planned to be used to help with future insurance liabilities and path maintenance requirements for Phase 1 completed this financial year and also for future phases of development.

## 5. Statement of Trustees' Responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of

affairs of the charity and of the income and expenditure of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed/constitution. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Approved by the trustees on ...26-May-2023..

## 2.3 EXPENDITURE AND LIABILITIES

<b>Liability recognition</b>	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.
<b>Governance and support costs</b>	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.  Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, eg allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.
<b>Grants with performance conditions</b>	Where the charity gives a grant with conditions for its payment being a specific level of service or output to be provided, such grants are only recognised in the SoFA once the recipient of the grant has provided the specified service or output.
<b>Grants payable without performance conditions</b>	Where there are no conditions attaching to the grant that enables the donor charity to realistically avoid the commitment, a liability for the full funding obligation must be recognised.
<b>Redundancy cost</b>	The charity made no redundancy payments during the reporting period.
<b>Deferred income</b>	No material item of deferred income has been included in the accounts.
<b>Creditors</b>	The charity has creditors which are measured at settlement amounts less any trade discounts
<b>Provisions for liabilities</b>	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date
<b>Basic financial instruments</b>	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.

## 2.4 ASSETS

<b>Tangible fixed assets for use by charity</b>	These are capitalised if they can be used for more than one year, and cost at least
