TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTOR'S REPORT)
FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their report and the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" in preparing the annual report and financial statements of the charity. The financial statements have been prepared in accordance with the accounting policies set out in the notes to the accounts and comply with the charity's governing document, the Charities Act 2011 and Accounting and reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland published in October 2019.

Reference and Administrative Details of the Charity, its Trustees and Advisers

The registered name of the Charity is The P G & N J Boulton Trust Limited (charity number 1158431) (company number 8933963). All the Trustees who served during the year are listed below. Details of the registered office and the Charity's professional advisers are listed on a separate page at the front of the accounts.

Structure, Governance and Management

Constitution and organisation

The P G & N J Boulton Trust Limited was incorporated on 11 March 2014 and began trading 1 April 2015. The company was established under its Memorandum of Association, and its aims, objects and powers are established under the Articles of Association. In the event of the company being wound up members are required to contribute the amount not exceeding £10.00.

Directors and Trustees

The directors of the company are also charity trustees, those who served during the year ended 31 March 2022 were:-

Mr A L Perry - Chairman
Mrs S Perry

Mr P H Stafford
Miss M Jardine-Smith

Method of appointment

New trustees are appointed by the existing trustees based on their ability to benefit the organisation with their skills and knowledge. As there is no real need for specific training, potential Trustees are encouraged to attend a number of meetings prior to their appointment.

Risk Management

The trustees have reviewed the major risks facing the charity and have taken action to ensure that there are procedures and policies in place to address these risks.

Objectives and Activities

Charitable objectives

The objects of the Trust, as set out in the Articles of Association, are to provide financial assistance, without distinction between capital and income for any charitable purpose that the Trustees at their uncontrolled discretion consider to be worthy of assistance.

THE P G & N J BOULTON TRUST LIMITED

(a company limited by guarantee)

TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

(continued)

Objectives and Activities (continued)

Activities

The trustees fulfil these aims by making donations to other charities and by minimising administration costs.

The trustees aim to target the smaller charities, to whom a relatively small gift can make a significant difference.

Whilst a substantial proportion of donations is allocated to Christian missionary work in accordance with the interests of the trustees, a wider interest is maintained by covering other areas such as poverty relief, medical research, healthcare and disability relief.

Achievements and Performance

During the year, the Trust made charitable donations totalling £68,500, and kept governance costs to within 5% (2021: 5%) of the net income from investments. During the year, the Trust gave financial assistance to 16 different causes whose work has affected the lives of people all over the world, including the UK.

Financial Review

Results

The total value of the company's assets have increased by £888,929 to £5.85 million (2021: £4.96 million).

The increase has been mainly due to a rise in the property market over the past year, increasing the value of the investment properties. Some properties still require refurbishment work which will happen as and when they become vacant, this has been reflected in the year end valuation. There has also been a rise in the value of quoted investments.

Reserves Policy

The trust has no plans to further build up unrestricted reserves although the level of reserves can vary depending upon UK property and stock market performance.

The trustees generally look to distribute all of the Charity's realised income.

Investment Powers, Policy and Performance

The trustees' investment powers are governed by the Articles of Association, which permits the Charity's funds to be invested in any way to further its objects.

The trustees invest the charity's reserves in property and the stock market, although there is a bias towards property. The charity's stockbrokers are instructed to maximise income without exposing the charity's funds to undue risk, but otherwise, control of the portfolio is then passed to them.

One property has had a full refurbishment which will cost around £60,500 in total, £42,000 of work was completed in the previous year, the remaining £18,500 was completed in 2022.

There have also been some upgrades to other properties including doors and a front step totalling around £3,000.

THE P G & N J BOULTON TRUST LIMITED
(a company limited by guarantee)

TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

(continued)

Financial Review (continued)

The average return compared to the value of the Charity's investments can be analysed as follows:

		2022	2021
Property -	Income	1.6%	2.0%
	Capital	18.3%	10.2%
		<u>19.9%</u>	<u>12.2%</u>
Quoted shares -	Income	2.2%	2.4%
	Capital	5.6%	18.2%
		<u>7.8%</u>	<u>20.6%</u>
Cash		<u>0.0%</u>	<u>0.0%</u>

This reflects an increase in the stock market on investments still held and an increase in the value of the investment properties. There has been a significant increase in the housing market over the past year and one property has had a full refurbishment. In total there are two properties still needing modernisation. The return on cash investments remained as nil.

Covid-19

The Trust has considered the operational and financial risks associated with the ongoing Covid-19 pandemic. The main areas which would be of any concern are the valuations of the investments, the collection of rent arrears, voids, and the ability to continue making donations to the beneficiaries.

The investment properties have been valued by B.A.Riley RICS who has experience of the local area. The valuation takes into account the current housing market situation which has increased over the past year, plus refurbishment works. The quoted shares also increased by the year end, the valuation was provided by Barclays investment solutions limited. The stock market has been volatile over the pandemic, although it has now returned to pre-pandemic levels.

There were no void properties at the year end.

There are two current tenants who are a falling behind with their rent due to the pandemic and one former tenant who still owes arrears and is only paying minimal amounts. The arrears continue to be monitored each month and a provision for these arrears has been made during the year.

There has been no significant change in making donations to the beneficiaries.

The accounts have been prepared on a going concern basis.

Future Plans

Any properties which require refurbishment and modernisation will continue to happen as and when they become vacant. The properties will continue to be maintained on a cyclical basis and this work will be financed from the income they generate.

(a company limited by guarantee)

TRUSTEES' ANNUAL REPORT (INCLUDING DIRECTOR'S REPORT)

FOR THE YEAR ENDED 31 MARCH 2022

(continued)

Statement of Trustees' Responsibilities

The trustees (who are also directors of The PG & NJ Boulton Trust Limited for the purposes of company law) are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in operation.

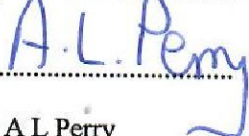

The trustees are also responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees (who are also the directors) who served during the year and up to the date of the report are set out on page 1.

In planning our activities for the year and future years, the Trustees have kept in mind the Charity Commission's guidance on public benefit. The charity constitutes a public benefit entity as defined by FRS 102.

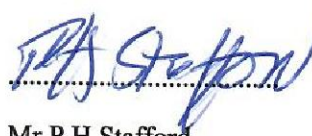

The Trustees report has been prepared having taken advantage of the small companies exemption in the Companies Act 2006.

Signed for and on behalf of the trustees

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 March 2022, which are set out on pages 7 to 15.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE ACCOUNTS

YEAR ENDED 31 MARCH 2022

1. COMPANY STATUS

The charity is a company limited by guarantee, having no share capital. The liability in respect of the guarantee as set out in the Articles of Association is limited to £10 per member of the company.

The nature of the charity's operations and principal activities are disclosed in the Trustees Report.

The company was incorporated in England. The registered office is 392-394 Hoylake Road, Moreton, Wirral, CH46 6DF. The charity's objects are to provide financial assistance, without distinction between capital and income for any charitable purpose that the Trustees at their uncontrolled discretion consider to be worthy of assistance. The trustees fulfil these aims by making donations to other charities and by minimising administration costs.

2. ACCOUNTING POLICY

(a) Basis of Preparation:

The accounts have been prepared on a going concern basis under the historical cost convention, modified to include the revaluation of land, buildings and investments. They have also been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland issued in October 2019, the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Practice.

The charity has not included a cash flow statement as its income is below £500,000.

The charity constitutes a public benefit entity as defined by FRS 102.

The financial statements are presented in sterling which is the functional currency of the charity and rounded to the nearest £.

A summary of the more important accounting policies is set out below.

(b) Investment Revaluation Reserve:

Investments were revalued at the balance sheet date to reflect market value. Unrealised capital surpluses and deficits arising on the revaluation of land, buildings and investments are taken to an investment revaluation reserve. Realised revaluation surpluses and deficits are taken to the accumulated general fund.

Land and buildings have been valued at open market value by B Riley RICS and agreed by the Trustees. Listed investments have been valued at the middle market price at the close of business on the balance sheet date.

(c) Surplus on Disposal of Investments:

The surplus on disposal of investments represents the excess of the sale proceeds over valuation. This surplus has been credited to the accumulated general fund. Further details are shown in the notes to the financial statements.

(d) Investment properties:

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date with changes in fair value recognised in 'net gains/(losses) on investments' in the SoFA. Depreciation is not provided on investment property.

Capital expenditure on investment properties is added to the cost of property prior to any adjustment to reflect the fair value. Any repairs and maintenance considered to be replacements are charged to the income and expenditure account.

THE P G & N J BOULTON TRUST LIMITED

(a company limited by guarantee)

NOTES TO THE ACCOUNTS

YEAR ENDED 31 MARCH 2022

2. ACCOUNTING POLICY (continued)

(e) Investments:

Investments are recognised at fair value at each reporting date with changes in fair value recognised in 'net gains/(losses) on investments' in the SoFA as long as the shares are publicly traded or their fair value can be otherwise measured reliably.

(f) Income recognition:

Income is recognised in the Statement of Financial Activities (SoFA) when the charity has entitlement to the funds, any performance conditions attached to the item(s) of income have been met, it is probable that the income will be received and the amount can be measured reliably.

Investment income is earned through holding assets for investment purposes such as shares and property. It includes dividends, interest and rental income. The investment management costs are identified under raising funds. Interest, dividends and rental income are recognised on an accruals basis when the charity's right to receive this income is established.

All of the income is attributable to unrestricted funds.

(g) Expenditure and irrecoverable VAT:

Expenditure is recognised once there is a legal or constructive obligation to make payment to a third party, it is probable that settlement will be required and the amount of obligation can be measured reliably. Expenditure is accounted for on an accruals basis.

Expenditure is classified under the following activity headings:

Costs of raising funds - are those associated with the running and maintaining of all investments.

Costs of charitable activities - include donations to other charities, to which there are no conditions attached and are not classified as grants, plus governance and administration costs.

(h) Debtors and creditors receivable/payable within one year:

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price.

3 INVESTMENT ASSETS

	2022	2021
	£	£
(a) Freehold land and buildings at valuation		
Brought forward	4,607,000	4,120,000
Additions	22,851	60,625
