Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity provides facilities in the interests of social welfare, for recreation and leisure time occupations with the object of improving the conditions of life for the inhabitants of the Brookfield area of Preston, and in common effect to advance education and to improve the physical and economic conditions of life in the said area of benefit

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Brookfield Spaceplace CIO (reg charity number 1158546) is currently dormant and we are still operating as Brookfield Spaceplace (unincorporated association)(re charity number 1084435) until such time that we are able to transfer the lease of the building from the unincorporated association to the CIO.

Brookfield Spaceplace (1084435) currently leases the building we operate within from Preston College on a long term lease until March 2025. It is the aim to transfer the lease to Brookfield Spaceplace CIO (1158546).

We have been acting under advice from a lawyer and a consultant throughout the process – from establishing the CIO to the timing of transfer assets. The advice included choosing the new structure in order to give the trustees the added protection of a legal entity for holding the lease to the building. Working with a lawyer and a consultant we wrote to the college after the CIO had been registered with the Charity Commission but had heard nothing from them at 31 March 2015.

In December 2015 the lawyer dealing with this matter has confirmed that the college is prepared in principal to provide consent for the transfer of the lease, but proposed to produce a formal Licence to Assign. The college is asking Brookfield Spaceplace to meet its legal fees of £750 plus vat for dealing with the licence to assign. We have agreed to pay these costs and at the date of this report are waiting for the document to be produced, we are hoping that this will be any day now, as due to an administrative error our file was archived at Preston College for a number of months.

No change to the information since March 2023.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year
