Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

The objective of Stroud Handball is the promotion of community participation in healthy recreation in particular by the provision of facilities for the playing of Handball.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Stroud Handball Trustees have provided activities which have helped promote physical, mental and social well being through playing Handball. The club has run weekly Handball sessions which are open to all adult members of the community and have welcomed many new participants over the course of the year.

We have run sessions for ages: U12, U14, U16, U19 and adults, both for those wishing to take part in competition, and for those who wish to participate on a recreational basis.

This year we were able to send coaches to schools to further promote the club and the sport, including offering free sessions to local primary schools. As a result, we increased the number of members who attended the youth sessions.

We also introduced our new mini Handball sessions, for players aged 5-7, which proved successful.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Maintaining our member base in the current economic climate has been a major success. Due to the hard work of volunteers, we have also been able to keep membership fees frozen in order to make the activities as accessible as possible for all members of the community.

One of our partner schools, Stroud High School, won the National Schools competition with U15 girls, lead by one of our volunteer coaches. And the U16 girls club team reached the National Final, finishing with a silver medal

- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Restarting all of our community sessions, with very good retention rates for participation.

The U16 girls team reached the National Final, losing on the day but taking the silver medal for the Championships.

We also partnered with a number of schools around the county, with 4 teams successfully qualifying for the National finals. One of the teams came away with the Gold Medal.

A number of youth players also earned selection for the Great Britain age group squads over the course of the season.

Following on from the pandemic, we were able to resume all activities including U12, U14, U16, U19, Senior and recreational training sessions. We also restarted outreach programmes in local schools to introduce more young people to Handball.

Our U12 and recreational sessions were the biggest successes, as these had both stopped prior to the pandemic, so getting them restarted, and with good participation levels was a benefit to the whole community.

Summary of the main achievements of the charity during the year

Restarting all of our community sessions, with very good retention rates for participation, following on from the pandemic was a major achievement.

As a result, our female youth teams both performed successfully in the EHA National leagues, with U19s finishing 2nd in the country, and U16s finishing 3rd in the country. Our Senior Women's team also qualified for the Southern League 1, finishing 4th.

We also partnered with a number of schools around the county, with 5 teams successfully qualifying for the National finals. Our partner teams came away in total with 2 silver and 1 bronze medal.

A number of youth players also earned selection for the Great Britain age group squads over the course of the season.

Stroud Handball Trustees have provided activities which have helped promote physical, mental and social well being through playing Handball. The club has run weekly Handball sessions which are open to all adult members of the community and have welcomed many new participants over the course of the year.

Stroud Handball have also started weekly sessions for U16s to help offer benefit to the younger members of the community also. These sessions have all focussed on developing physical fitness and team work, which in turn has a positive effect on mental wellbeing.

In addition to training, the trustees have organised competitive fixtures to provide opportunity to put skills into practice and socialise with the wider community

The charity has also run taster sessions in many primary schools which has promoted the benefits of handball to a wider audience.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;

Summary of the main achievements of the charity during the year

The charity had a challenging year due to the Coronavirus pandemic, meaning most activity did not run during the year.

Summary of activities:

Outdoor training sessions during July-August for all age groups.

Indoor training for Juniors September-December

Indoor training for adults in bubbles September-October

We ran a series of online social events such as quizzes to keep members engaged. We also ran some social media competitions including a design a kit competition, and a daily skills challenge vs other local clubs
