STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Swindon Hindu Temple Trust is constituted as a Charitable Incorporated Organisation (CIO) registered with the Charity Commission on 17th September 2014 under Charity Number 1158603. It is governed by a constitution/deed of trust last updated in Sep 2014.

Organisational Structure

The Charity Trustees are responsible for the general control, management and governance of the Charity. The Trustees give their time, skills and services freely and receive no remuneration or financial benefits.

The Trustees meet together as a body on a regular basis and are responsible for all decisions taken in relation to running the Trust and the community facilities and activities provided by the charity.

Recruitment and Appointment of Trustees

Seven (7) Trustees were appointed initially at the time of setting up the Trust in 2014. Currently there are six (6) Trustees. Appointment of Trustees was made taking into consideration their individuals' skills, expertise, variety of backgrounds, past contributions, commitment and availability to undertake the Trust's activities and duties. In selecting new trustees, we seek to identify people who have consistently demonstrated strategic leadership, vision & forward thinking, regularly contributed to the objectives of the Trust, attend events and functions organised by the charity and are willing to volunteer to help in our broader community work and main objectives of establishing and managing the Hindu Temple and Cultural Centre in Swindon. New trustees are appointed only after they have successfully demonstrated their eligibility, personal competence, contributions, commitment, availability, specialist knowledge and skills over a period of time. No new trustees were appointed in the reporting period. There were no resignations in the reporting period.

Induction and Training of Trustees

Following appointment, new Trustees are introduced to their role, the governing document, aims of the Trust, policies of the charity and the guidance from Charity Commission on charities and public benefit. This ensures that the new Trustees are aware of the scope of their responsibilities under the Charities Act. All Trustees are given induction training. The Trustees are also encouraged to undertake other training such as Basic First Aid Training.

Risk Management

The Trustees regularly assess the risks the charity faces, the nature of those risks, the likelihood of the risks occurring, and measures taken to manage them. The Trustees are satisfied that systems/arrangements are in place to manage the risks identified.
