Summary of the objects of the charity set out in its governing document

The objectives of the Church are as follows:

- To provide a place of worship for the members of the True Jesus Church in London.
- To worship the one true God in accordance with the Old and the New Testaments of the Holy Bible.
- To preach the full gospel of the Lord Jesus Christ unto the world.
- To prepare for the Lord's second coming.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

These objectives are met through regular meetings for worship where they are preached to the congregation.
In shaping our objectives for the year and planning our activities, the trustees have considered the charity commission guidance on public benefit.

Our main activity is to preach the salvation grace of Christ Jesus, the one True God.
The benefit is for those who believe, to gain eternal life in the future.

The Church provides a place of worship for the followers and any truth-seeking friends in London.
The Church also holds regular services on Saturday for the followers to keep the Sabbath.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the charity commission relating to public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The Church Committee operates a policy to contribute a proportion of its income to the UKGA.

The level of contribution is suggested by the UKGA and is currently about 30% of the total general offerings received by the church.

Summary of the main achievements of the charity during the year

The Church has increased in membership and has generally strengthened the faith of its members in line with the objectives outlined above and by such activities as fellowships, religious teachings, convocations and publications.

The Church is to undertake further evangelism and spiritual convocations to promote the gospel, actively seeking lost sheep and to encourage members to grow in the stature of Christ in line with our stated objectives.

There are plans to undertake refurbishment works to the external elements of the church building.

Section E

Financial review

Brief statement of the charity's policy on reserves

The reserves are currently held in cash, which the Church Committee feels is appropriate given the volatility of the stock market in recent years. The Church Committee keep this policy under review.

The free reserves are the total unrestricted funds less the designated property funds. The free reserves are £31,137 at year end. This represents more than 12 months of operational costs. The Church Committee considers this level of reserves to be satisfactory given the necessity to continually maintain the church building.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.
