Objects and Activities

The main objects of the charity are:

- a) To help young people by providing support and musical activities which develop their skills, capacities and capabilities to enable them to participate in society as mature and responsible individuals
- b) To advance the art of music in particular but not exclusively by extending the provision of the musical activities to all and any age groups that would benefit from the support and development, particularly the under-privileged and the vulnerable.

Our Mission Statement

We believe music and the arts improve life opportunities and wellbeing and should be available to everyone. To that extent, we will facilitate exciting partnerships, lessons and events for as many people as possible to experience music and arts in order to participate, create and perform/share, so they can find enjoyment and improved wellbeing and where appropriate explore a career in music and arts.

Achievements and Performance

7 C's Foundation is in the process of changing its name to Oxfordshire Music & Arts Trust (OxMAT).

OxMAT has launched 3 new services this year, following on from the pilot of Superstar People, last year.

We are actively seeking new trustees, preferably people who are connected with the arts; are experienced in running music events; and who will lead on our long-term goal to provide pathways which allow participants to take the next steps for enjoyment, craft and even career in music and the arts.

In addition, OxMAT has won a grant of £7,668 from Witney Town Council in two instalments. To provide youth services and to launch a youth festival in collaboration with other service providers. The festival is planned for this winter.

Our 3 Key Services:

- Rock Club provides a platform for young musicians to network and collaborate with each other to learn, write and perform together. We partner with talented local musicians who have been DBS checked to provide tutoring.
- Band Camp caters to young musicians by offering holiday-time training, coaching and mentoring and to rock out in a band and find awesome people to jam with. We partner with talented local musicians who have been DBS checked to provide tutoring.
- Event facilitator is a loaning of equipment service that has been established to meet the growing needs of event organisers and artists looking to put on local events around the County. This year we have provided PAs, musical equipment and generators for: Wychwood Forest Fair; Minster Lovell Beer Festival; Got2B Youth Services; and local artists.

OxMAT has had one public showcase on the main stages of Witney Music Festival; and is planning one more at the end of the Summer at Minster Lovell Beer Festival. One of our students will also be performing at Wychwood Forest Fair (facilitated by one of the tutors on Rock Club and Band Camp) and accompanied by a young musician who has been through our earlier programs.

The financial position of OxMAT remains almost the same as last year following a full year of activity, demonstrating the sustainability of the current model.

OxMAT is the leading local provider of opportunities for tutors and learners in music and performing arts. Our 3 new services this year, allow you to find the perfect tutor, rock out in a band, find awesome people to collaborate with, perform on stage and loan equipment for your event.

Financial Review

The total income for the year was £4,855 and total expenditure on charitable activities amounted to £7,413.

Reserves Policy

The trustees have examined the charity's requirements for reserves taking account of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be 4-5 months of expenditure. The trustees consider that this should be in the region of £5,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the trustees are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. Unrestricted funds stand at £9,860 which is above the required level.

NOTES TO THE ACCOUNTS
for the year ended 30 June 2022

1. **Accounting Policies**

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) **Basis of Preparation**

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following Accounting and Reporting by charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1st April 2005 which has since been withdrawn.

b) **Public Benefit Entity**

The 7 C's Foundation meets the definition of a public benefit entity under FRS102.

c) **Going Concern**

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

d) **Income Recognition Policies**

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

e) **Interest Receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

f) **Fund Accounting**

Unrestricted funds are available to spend on activities that further any of the purposes of the Charity. Designated funds are unrestricted funds of the Charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds are donations which the donor has specified are to be solely used for the particular areas of the Charity's work or for specific projects being undertaken by the Charity.

g) **Expenditure and Irrecoverable VAT**

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

h) Tangible Fixed Assets

Individual fixed assets are recorded at cost and are depreciated over their estimated useful economic lives on the straight line basis as follows:

Asset Category	Annual Rate
Equipment	15% straight line
Computer equipment	25% straight line

i) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

j) Creditors and Provisions

Creditors and provisions are recognised where the Charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.
