Accounts

Trustees' Report 2024/5

The Trustees continued to oversee the work of the charity, and to contribute to local initiatives congruent with the charity's aims.

Support was given to a single parent family, and a man with physical and mental health issues.

The charity supported the work of local organisations by organising donations of gifts in kind, for example, the community library, Oxfam. A free walking group to enhance the health of older, and other vulnerable people was supported.

In order to enhance the scope of the work, the Founder agreed to fund an administration post (two hours a week) in 2025. This post was to work to enhance the profile and accessibility of the charity, recruit volunteers and identify a realistic pathway to providing an asset base.

In the event, after a session with a consultant who volunteered their time, it was clear that the Trustees and volunteers did not have the capacity to take the charity forward, and it was reluctantly agreed that the charity should close in January 2026, after disbursing the remaining £500 funds to Ealing Food Bank.

Trustees' Report 2024

The Trustees continued to oversee the work of the charity, and to contribute to local initiatives congruent with the charity's aims.

Support was given to a single parent family, and a man with physical and mental health issues.

The charity put on events to involve local people and enhance health and well-being, such as walks, and meet-ups at the community library. These were also opportunities to identify needs, and provide support and signposting to vulnerable people. The Chair and another Trustee also contributed to the formation of a regular walking for health and wellbeing group.

The charity supported the work of local organisations by organising donations of gifts in kind, for example, the community library, Oxfam.

In order to enhance the scope of the work, the Founder has agreed to fund an administration post (two hours a week) in 2025. This post will work to enhance the profile and accessibility of the charity, recruit volunteers and identify a realistic pathway to providing an asset base.

Trustees Report 2022–2023

Throughout year the Trustees maintained contact virtually. Two new potential trustees have agreed to become involved.

The Charity continued to provide support to two single parent families, and a man with physical and mental health issues who suffered a bereavement. Support was also given to another family where an older member was affected by dementia.

The Trustees facilitated the donation of a number of gifts in kind to local charity shops, and participated in a project to provide homeless people with warm clothing.

The Chair continues to maintain close links with, and to support the work of two local advice agencies and a refugee support agency.

The Founder/Chair and Trustees are considering how to provide the charity with an asset base to enhance and consolidate work into the future. A Proposal has been drawn up and will be discussed at a Trustee Meeting in the autumn of 2023.
