North Devon Display Gymnastics Club

Trustees' Annual Report *(continued)*

Year ended 31 March 2021

Structure, governance and management

The Club is governed by a constitution dated 8th October 2014. The trustees are appointed/removed by a democratic process. The club became an Incorporated Charitable Organisation (CIO) on the 8th October 2014. This is a technical change of status similar to a Limited Company and affords the trustees a limited liability with legal requirements of the Club. It has made no difference to the way the members see the Club run on a daily basis.

Joy Payne, Claire Fowler and Jayne Poole who are employees of the Club are also trustees of the Club. The salary they receive relates entirely to their employment duties. They receive no payment in respect of their positions as Trustee.

The impact of Employment and Data Protection legislation is ongoing and built into budgets.

In recognition of the ever-increasing statutory requirements on the Club and in particular, employers, the Trustees have had to consider the financial and personnel effect that the regular increases in the minimum wage, living wage and pensions has and will make.

With that in mind efforts have been made to increase classes and absorb those waiting for places as quickly as possible.

The Club's accountants who run the payroll, along with personnel guidance and advice, also administer the workplace pension scheme.

The Trustee Induction Scheme has proved successful with interested people being co-opted to the Committee to give them a period of time to learn and understand the needs and administration of the Club whilst getting to know the Committee; being in an informed position to then put themselves forward. This has generated a well-established committee giving commitment, knowledge and continuity.

Objectives and activities

To advance the physical education and development of children by the provision of gymnasium facilities and instruction in gymnastics.

It has always been and remains the ethos of the Club to be open to all as a grass roots Club embedded in the Community. In doing this our aims are to bring the sport of Gymnastics and the associated activities of the North Devon Display Gymnastics Club to as many people of all ages and abilities as possible and to have a reputation built around Accessibility, Inclusion, Safety, Enjoyment and Aspiration.

In being fortunate to have such positive and motivated teams both as Trustees and in Coaching, it was inevitable there would be success and continuing developments in the Club administration, Coach Education, Individual Gymnasts and the Display and Competition Teams.

Public benefit

In planning our activities for the year, we kept in mind the Charity Commission guidance on public benefit. As mentioned above our activities are open to all children regardless of their age or ability.

North Devon Display Gymnastics Club

Trustees' Annual Report *(continued)*

Year ended 31 March 2021

Achievements and performance

January 2020 started the second term of the gym year with the promise of a growing membership spread over the main club headquarters and two satellites and with a well-qualified and committed coaching team, planning to hold various events and attending great competitions and festivals that have given so much pleasure in past years. The future was positive and, as always, challenging.

That challenge came in the form of the Covid-19 pandemic forcing the Club, as a leisure facility, to close in March 2020 without notice for the remainder of the gym year (six and a half months).

The Club, like many organisations, had to furlough all its staff. It received grants to help it remain viable having lost all income for the remainder of the gymnastic year to September 2020. Contingencies were eaten into.

In being fortunate to have such positive and motivated teams both as Trustees and in Coaching, the time was put to good use. Trustees as volunteers gathered all information and produced plans for re-opening. Work that we had not had time to do, because of an ever-busy facility, was carried out. The Head Coach led back to work consultations with coaches to agree the best way of working within ever increasingly erroneous guidelines.

This 'can do' attitude prepared us for successfully reopening on the 7th September 2020 albeit with a much-reduced membership and income caused by restrictions to numbers in buildings at any one time and the need to provide a safe and progressive coaching environment. Because of the requirement to work in 'Bubbles' staff hours were increased.

Feedback from gymnasts and parents was very positive with a degree of confidence in the club that was encouraging.

January 2021 gave us a very different environment to the previous year but one which we have met head on in looking at opportunities to improve, train and create efficiencies, taking steps to minimise expenditure.

The Club has worked tirelessly within Covid-19 guidelines from both government and governing body to keep the club open and viable.

It has and will take time, patience and perseverance to return to pre-Covid conditions. Our membership will increase as we can accept more gymnasts.

Disappointingly as yet we are unable to re-open satellites held in school and leisure centre locations but remain optimistic that this will happen eventually.

Looking forward to a return to stability and a steady increase in membership as was previously indicated, the club will again, in time, regain a position of strength to look and work towards its future Club development as a Community Facility offering activities to all ages and abilities.

North Devon Display Gymnastics Club

Trustees' Annual Report *(continued)*

Year ended 31 March 2021

Achievements and performance *(continued)*

The Trustee's continuing aim is to, eventually, have a permanent purpose-built facility housing all activities, both gymnastic and social events in safety and comfort.

As we recover, funds will be set aside and fund-raising efforts will be made.

There remains much uncertainty in the future. We have dealt with the circumstances so far with positive actions to do our best to look to the security of the club for the future.

As always, none of the above would be possible without the huge commitment and hard work given by the Head Coach, the Coaching team and our volunteers.

Therefore, my personal thanks go to our Head Coach who works tirelessly, along with our Membership Administrator, aiming for the best future for both the Club and its gymnasts and to all our coaches for their commitment and hard work to NDDGC in helping it remain true to its core values especially in this very difficult time.

Our thanks must also go to our volunteers: -

Trustees, all volunteers, who give up their time regularly and shoulder the legal responsibilities to manage the Club. All our helpers, both in coaching and working at events to raise funds; and to all our sponsors and those who gave grants including our landlord without whom we would not have survived.

We look forward to seeing you all as and when the Covid-19 period diminishes to a point where it allows us to work together again.

The Club is aware of the difficulties ahead but will always strive to overcome them, to provide a gymnastic facility our community can be proud of.

Financial review

The net assets of the Club are £47,538 as at 31st March 2021 (2020: £23,312)

Total income for the year decreased from £131,541 in 2020 to £112,708 in 2021.

Expenditure totalled £88,482 in 2021 compared with £146,050 in 2020.

The total bank and cash held in all accounts as at 31st March 2021 totalled £39,892, this compares favourably with the total bank and cash balance of £10,866 as at 31st March 2020.

Reserves

To address the Club's long-term liabilities and responsibilities, the Trustees set up a Contingency bank account with the aim of accumulating enough funds to cover 6 months of outgoings in reserve. This gives stability and security.

At the year end the unrestricted reserves stood at £45,470 (2020: £17,627). This equates to 6 months unrestricted expenditure.

At the year end the restricted reserves stood at £2,068 (2020: £5,685).

North Devon Display Gymnastics Club

Trustees' Annual Report *(continued)*

Year ended 31 March 2021

Plans for future periods

The Trustee's aim is to, eventually, have a permanent purpose-built facility housing all activities and both gymnastic and social events in safety and comfort.

To this end funds will be set aside and fund-raising efforts will be made.

In closing, the Club continues in a strong and healthy condition. It is aware of its weaknesses but is striving to overcome them, to improve and develop.

I and the Trustees, as always, despite present conditions, work with optimism for the future.

Events after the end of the reporting period

Particulars of events after the reporting date are detailed in note 23 to the financial statements.

Trustees' responsibilities statement

The trustees are responsible for preparing the trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period.

In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgments and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

North Devon Display Gymnastics Club

Independent Examiner's Report to the Trustees of North Devon Display Gymnastics Club

Year ended 31 March 2021

I report to the trustees on my examination of the financial statements of North Devon Display Gymnastics Club ('the charity') for the year ended 31 March 2021.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

North Devon Display Gymnastics Club

Notes to the Financial Statements

Year ended 31 March 2021

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is incorporated. The address of the principal office is Unit 9a, Caddsdwn Industrial Estate, Bideford, Devon, EX39 3DX, United Kingdom.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Disclosure exemptions

The charity has taken advantage of the exemptions in the Charities SORP (FRS 102) including the requirement to produce a cashflow statement as it is classed as a small charity.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

North Devon Display Gymnastics Club

Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses.

North Devon Display Gymnastics Club

Notes to the Financial Statements *(continued)*

Year ended 31 March 2021

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings - 25% straight line

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial Instruments

A financial asset or a financial liability is recognised only when the entity becomes a party to the contractual provisions of the instrument:

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs, unless the arrangement constitutes a financing transaction, where it is recognised at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

Defined contribution plans

Contributions to defined contribution plans are recognised as an expense in the period in which the related service is provided. Prepaid contributions are recognised as an asset to the extent that the prepayment will lead to a reduction in future payments or a cash refund.

When contributions are not expected to be settled wholly within 12 months of the end of the reporting date in which the employees render the related service, the liability is measured on a discounted present value basis. The unwinding of the discount is recognised as an expense in the period in which it arises.

Net assets	15,735	5,684	21,419

24. Post balance sheet events

It should be noted that, at the date of preparation of the financial statements, the instability factor relating to the health emergency due to the spread of Coronavirus should not be underestimated. There have been no adjusting events identified whilst preparing the accounts.

The charity has reviewed the scenario and evaluated the management actions to mitigate the impact to their operations. The charity has adopted initiatives to safeguard the health of its people and actions aimed at maintaining operational activity. The repercussions on any adjustments to the financial statements are currently not determinable in light of the volatility of the scenario and the continuous evolution of the market, these will be reflected in the 2022 results.

25. Related parties

During the year, the charity entered into no related party transactions (2020: None)
